

CuPiLo CPL-2251-BLK

CuPiLo Cordless Shiatsu Back Massager

MODEL: CPL-2251-BLK

Introduction

Thank you for choosing the CuPiLo Cordless Shiatsu Back Massager. This manual provides essential information for the safe and effective use of your device. Please read it thoroughly before operation and retain it for future reference.

Safety Information

- **Charger Compatibility:** Only use DC5V 1A or DC5V 2A charging heads. Using an unsuitable charger may prevent the product from charging and could potentially damage it.
- **Medical Conditions:** Consult a physician before use if you have any medical conditions, are pregnant, or have a pacemaker.
- **Avoid Water:** Do not use the massager in wet environments or immerse it in water.
- **Children and Pets:** Keep out of reach of children and pets.
- **Usage Duration:** Do not use for more than 30 minutes continuously. Allow the device to cool down between sessions.
- **Heat Sensitivity:** If you have reduced heat sensitivity, use the heat function with caution.

Product Features

- **Deep Kneading & Rolling Massage:** Equipped with 2 shiatsu kneading nodes and rolling massage balls that travel up and down to alleviate tension and fatigue.
- **Adjustable Shiatsu Speeds:** Offers 2 adjustable speeds for a customized massage experience.
- **Customizable Rolling Massage Zones:** Select from Full back, Upper back, Lower back, or Spot massage functions.
- **Optional Heat Function:** Provides soothing heat to relax muscles, with 2 adjustable heating levels (approx. 112°F - 131°F).
- **Premium Detachable Flap:** Allows adjustment of massage intensity and provides back support to encourage healthy posture.

- **Cordless & Portable Design:** Weighs approximately 4.1 pounds with a convenient handle, making it easy to carry for use at home, in the office, or while traveling.
- **Automatic Shut-off:** Features a 15-minute auto-off timer for safety and convenience.

Package Contents

Upon unpacking, please ensure all the following items are present:

- CuPiLo Cordless Shiatsu Back Massager
- Charging Cable (6FT)
- User Manual
- Detachable Flap

Charging Instructions

1. Locate the charging port on the massager.
2. Connect the provided charging cable to the massager and a compatible DC5V 1A or DC5V 2A power adapter (not included).
3. The indicator light will show charging status. A full charge typically takes approximately 3 hours.
4. Disconnect the charger once fully charged. The massager cannot be used while charging.

Operating Instructions

Familiarize yourself with the control panel located on the side of the massager.

1. **Power On/Off:** Press the **Power Button** (usually indicated by a circle with a vertical line) to turn the massager on or off.
2. **Mode Selection:** Press the **Mode Button** (labeled 'M') to cycle through available massage modes. These typically include full back, upper back, lower back, and spot massage.
3. **Heat Function:** Press the **Heat Button** (indicated by wavy lines) to activate or deactivate the heat function. Press again to adjust heat levels if available.
4. **Speed Adjustment:** Press the **Speed Button** (indicated by vertical bars) to adjust the intensity of the massage. Options typically include low, medium, and high speed.
5. **Detachable Flap:** For a gentler massage, keep the detachable flap attached. To increase intensity, remove the flap. The flap can also be used for additional back support.
6. **Recommended Usage:** For optimal results, use the massager for 15-30 minutes at a time, up to three times a day. The device has a 15-minute auto-off feature.

Maintenance

- **Cleaning:** Wipe the massager with a soft, damp cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store the massager in a cool, dry place away from direct sunlight when not in use.
- **Avoid Sharp Objects:** Keep the massager away from sharp objects to prevent damage to the fabric.

Troubleshooting

Problem	Possible Cause	Solution
Massager does not turn on.	Battery is depleted.	Charge the massager fully using a DC5V 1A or DC5V 2A charger.

Problem	Possible Cause	Solution
Massager does not charge.	Incorrect charger used or faulty cable.	Ensure you are using a DC5V 1A or DC5V 2A charging head. Try a different compatible cable or power source.
Massage feels too intense.	High speed setting or flap removed.	Reduce the speed setting. Ensure the detachable flap is attached for a gentler massage.
Heat function is not working.	Heat function not activated or device malfunction.	Press the Heat Button to activate. If still not working, contact customer support.
