Miracase Wireless Car Charger

Miracase Magsafe 15W Fast Charging Cup Holder Car Mount Charger User Manual

Model: Wireless Car Charger

INTRODUCTION

Thank you for choosing the Miracase Magsafe 15W Fast Charging Cup Holder Car Mount Charger. This device is designed to provide secure mounting and efficient wireless charging for your iPhone 16, 15, 14, 13, and 12 series smartphones while driving. Please read this manual carefully before use to ensure proper installation and operation.

PACKAGE CONTENTS

- Miracase Magsafe Wireless Car Charger Unit
- Adjustable Cup Holder Base
- USB-C to USB-A Charging Cable
- QC3.0 Car Charger Adapter

PRODUCT OVERVIEW

The Miracase Magsafe Car Mount Charger combines a secure cup holder mount with 15W fast wireless charging capabilities, featuring a built-in heat dissipation system for optimal performance.

Image: The Miracase Magsafe Car Mount Charger shown with an iPhone, illustrating its cup holder base, adjustable arm, and magnetic charging pad.

Key Features:

- **15W Fast Wireless Charging:** Optimized for iPhone 16/15/14/13/12 series, providing efficient power delivery. Requires QC3.0 adapter for maximum output.

- **Magsafe Compatibility:** Strong magnetic array ensures secure attachment and precise alignment for charging.
- **Built-in Heat Dissipation System:** An integrated fan helps maintain optimal temperature during charging, preventing overheating and protecting your device.
- **Adjustable Cup Holder Base:** Expandable from 2.6 to 4.0 inches to fit various car cup holders, with anti-skid silicone pads for stability.
- **Flexible Viewing Angles:** Features an upgraded long neck with two adjustable knobs for customizable height and viewing angles.

Image: A diagram illustrating the internal active cooling system of the Miracase charger, highlighting the built-in turbo fan for temperature control.

2025 LATEST Cup Holder Base

Image: Close-up view of the Miracase cup holder base, showing its expandable mechanism, dimensions (2.56" to 3.97" diameter), and anti-slip silicone pads.

SETUP INSTRUCTIONS

- Assemble the Mount:** Securely attach the wireless charging unit to the adjustable arm, then connect the arm to the cup holder base. Ensure all connections are tightened using the provided knobs.
- Install in Cup Holder:** Place the cup holder base into an available cup holder in your vehicle. Twist the base to expand its diameter until it fits snugly and securely in the cup holder. The anti-skid silicone pads will help stabilize the mount.
- Connect Power:** Insert the USB-C end of the charging cable into the port on the wireless charging unit. Plug the USB-A end into the QC3.0 car charger adapter, then insert the adapter into your vehicle's 12V power outlet (cigarette lighter socket).
- Adjust Position:** Use the adjustable knobs on the arm to set the desired height and viewing angle for your smartphone. Ensure the mount does not obstruct your view of the road or interfere with vehicle controls.

Just Click and Charge

Fast Charging Most Phones

Only suit for iPhone
16/15/14/13/12 Series

Image: The Miracase Magsafe charger mounted in a car's cup holder, demonstrating its placement and an iPhone securely attached for charging.

OPERATING INSTRUCTIONS

- Attach Your Phone:** Bring your Magsafe-compatible iPhone (16/15/14/13/12 series) close to the magnetic charging pad. The phone will automatically snap into place and align correctly for wireless charging. This works with or without official Magsafe cases.
- Confirm Charging:** Once attached, your iPhone's screen will indicate that it is charging. The charger's LED indicator (if present) may also illuminate.
- Adjust as Needed:** While driving, you can easily rotate your phone for portrait or landscape viewing without detaching it from the magnetic pad.
- Remove Your Phone:** To remove your phone, simply pull it away from the magnetic charging pad.

84%

Faster Charging

Miracase charger 1 hr 59 min

Other magnetic charger 2 hr 50 min

Official MagSafe charger 3 hr 40 min

*Data based on internal lab testing of iPhone 15 Pro Max charged to 100%

Image: A graphic illustrating the Miracase charger's faster charging performance, completing a full charge in 1 hour 59 minutes compared to other magnetic chargers.

Super Strong Magnet Power

16 x N52 Enhanced Magnets

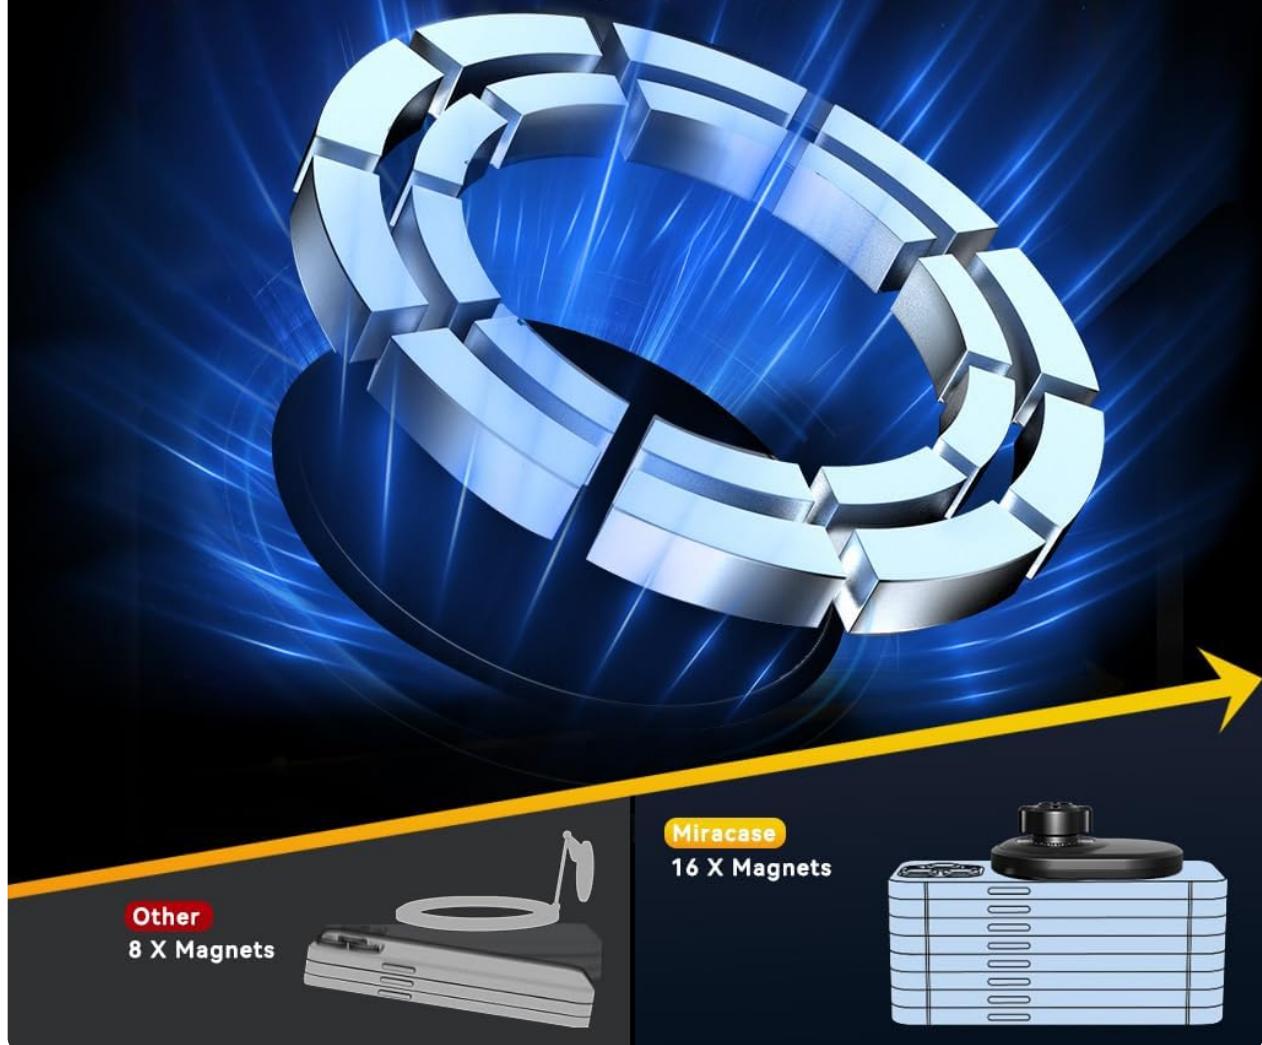

Image: An illustration highlighting the 16 N52 enhanced magnets within the Miracase charger, emphasizing its strong and stable magnetic hold.

MAINTENANCE

- Cleaning:** Use a soft, dry cloth to wipe the surface of the charger and mount. Avoid using abrasive cleaners or solvents.
- Storage:** When not in use for extended periods, store the charger in a cool, dry place away from direct sunlight.
- Avoid Extreme Temperatures:** Do not expose the device to extremely high or low temperatures, as this can affect its performance and lifespan.

TROUBLESHOOTING

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Phone not charging	1. Power cable not connected properly. 2. Car adapter not receiving power. 3. Phone not Magsafe compatible or not aligned. 4. Non-Magsafe case interfering.	1. Ensure all cable connections are secure. 2. Check car's 12V outlet for power. 3. Ensure phone is iPhone 16/15/14/13/12 series and correctly aligned. 4. Remove non-Magsafe cases or use official Magsafe cases.
Weak magnetic hold	1. Phone case too thick or not Magsafe compatible. 2. Foreign objects between phone and charger.	1. Use a Magsafe-compatible case or no case. 2. Ensure charging surface is clear.
Charger or phone overheating	1. Prolonged use in direct sunlight. 2. Obstructed heat dissipation vents.	1. Reposition the mount away from direct sunlight if possible. 2. Ensure the charger's vents are not blocked. The built-in fan should manage temperature effectively.
Mount is unstable in cup holder	Base not fully expanded or tightened.	Twist the base firmly to expand it until it is securely locked in the cup holder.

SPECIFICATIONS

- **Brand:** Miracase
- **Model:** Wireless Car Charger
- **Color:** Black
- **Compatible Devices:** ONLY iPhone 16/15/14/13/12 Series
- **Mounting Type:** Cup Holder Mount
- **Wireless Charging Output:** Up to 15W (with QC3.0 adapter)
- **Cup Holder Base Expansion:** 2.6 to 4.0 inches
- **Magnetic Strength:** 16 x N52 Enhanced Magnets
- **Heat Dissipation:** Built-in Fan

WARRANTY AND SUPPORT

Miracase products are designed for reliability and performance. For warranty information or technical support, please refer to the official Miracase website or contact their customer service directly. You can visit the [Miracase Store on Amazon](#) for more information.

The image features the Qualcomm Quick Charge 3.0 logo at the top, which consists of a stylized 'Q' inside a circle. Below the logo, there are three smartphone models: a white iPhone 7, a black Samsung Galaxy S7, and a black HTC 10. The phones are arranged in a triangular formation with the iPhone at the top and the Samsung and HTC at the bottom. The background is a light, textured surface.
