Soudorv T70

Soudorv T70 Smartwatch User Manual

Model: T70 | Brand: Soudorv

1. Introduction

Welcome to the user manual for your Soudorv T70 Smartwatch. This device is designed to enhance your daily life with advanced fitness tracking, communication features, and health monitoring. Please read this manual carefully to ensure proper use and optimal performance of your smartwatch.

2. What's in the Box

- Soudorv T70 Smartwatch (x1)
- Charging Cable (x1)
- Instruction Manual (x1)

3. Product Overview

The Soudorv T70 Smartwatch features a 1.91-inch HD TFT color display with a resolution of 320x386 pixels, offering clear visuals and responsive touch control. It integrates various sensors for comprehensive health and fitness tracking.

Video 3.1: Overview of the L70 Smart Watch features, including its design and various functionalities.

4. Setup

4.1. Charging the Smartwatch

Before first use, fully charge your smartwatch. The device uses a magnetic charging cable. Align the charging pins on the cable with the charging points on the back of the watch until they snap into place. Connect the USB end of the cable to a power adapter (not included) or a computer's USB port.

- Charging Time: Approximately 1.5 - 2 hours.
- Battery Life: Up to 5-7 days for daily use, 30 days on standby.

4.2. App Installation and Pairing

To unlock the full potential of your smartwatch, download and install the **GloryFit** app on your smartphone. The app is compatible with Android 6.0+ and iOS 10.0+.

1. **Download:** Scan the QR code in the manual or search for "GloryFit" in your phone's app store.
2. **Enable Bluetooth:** Turn on Bluetooth on your smartphone.
3. **Pairing:** Open the GloryFit app, navigate to the device section, and select "T70" to bind successfully.
4. **Enable Call Function:** Within the app settings, ensure the "Bluetooth Call" function is enabled for full calling capabilities.

5. Operating Instructions

5.1. Basic Navigation

The smartwatch features a full touch screen for intuitive navigation. Swipe left, right, up, or down to access different menus and functions. Use the physical button on the side to return to the home screen or power on/off the device.

5.2. Making and Answering Calls

With Bluetooth 5.3, the smartwatch allows you to make and answer calls directly from your wrist. Ensure the watch is paired with your phone and the Bluetooth Call function is enabled in the app.

- **Dialpad:** Access the dialpad on the watch to make calls.
- **Call History:** View recent calls.
- **Frequent Contacts:** Sync important contacts from your phone.

Video 5.1: Demonstration of the L70 Smart Watch's Bluetooth call functionality, showing how to answer and make calls directly from the watch.

5.3. Smart Notifications

Receive real-time notifications for calls, messages, and app alerts (e.g., Facebook, Messenger, Instagram, Gmail, WhatsApp, Twitter) directly on your smartwatch. Raise your wrist to view incoming messages.

Figure 5.2: The smartwatch displaying various message notifications and indicating voice assistant capability.

5.4. Health Monitoring

The T70 Smartwatch provides continuous health monitoring features:

- **Heart Rate Monitor:** 24-hour real-time heart rate tracking.
- **Sleep Tracker:** Monitors deep sleep, light sleep, and awake times to analyze sleep quality.
- **Blood Oxygen (SpO2) Monitor:** Measures blood oxygen levels.

All health data is recorded and analyzed in the GloryFit app, helping you understand your health trends and make lifestyle adjustments.

Video 5.2: A demonstration of the smartwatch's fitness tracking capabilities, including heart rate, steps, and calories burned during various activities.

5.6. Other Practical Functions

The smartwatch includes additional useful features:

- Remote Camera Control
- Music Control
- Weather Forecast
- Sedentary Reminder
- GPS Tracking (via phone)
- Stopwatch and Timer
- Find Phone function
- Raise to Wake screen
- Alarm Clock
- Calculator

6. Water Resistance (IP68)

The Soudorv T70 Smartwatch has an IP68 waterproof rating, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily activities like washing hands or exercising in the rain. **Note:** Do not use the watch in hot water, saunas, or for prolonged submersion, as this may affect its waterproof integrity.

7. Customization

Personalize your smartwatch experience:

- **Watch Faces:** Choose from over 200 customizable watch faces via the GloryFit app, or create your own using photos from your phone gallery.
- **Wristbands:** The smartwatch features a detachable wristband, allowing for easy replacement with compatible straps.

Special Features	Bluetooth Call, 24/7 Heart Rate & Sleep Monitor, 120+ Sports Modes, Message Notifications, Custom Wallpaper, Remote Camera, Music Control, Weather Forecast, Sedentary Reminder, Alarm Clock, Calculator

9. Troubleshooting

If you encounter any issues with your Soudorv T70 Smartwatch, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged using the provided magnetic charging cable.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the GloryFit app is installed. Restart both the watch and your phone, then try pairing again. Ensure the watch is not already paired with another device.
- **Notifications not received:** Check app permissions for GloryFit on your phone to ensure it has access to notifications. Verify that notifications are enabled within the GloryFit app settings for specific applications.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, about one finger's width from your wrist bone. Clean the sensors on the back of the watch regularly.
- **Bluetooth call issues:** Confirm that the "Bluetooth Call" function is enabled in the GloryFit app and that the watch is connected to your phone's Bluetooth for both data and audio.

10. Warranty and Support

Your Soudorv T70 Smartwatch comes with a **1-Year Unconditional Return & Warranty**. For any product inquiries, technical support, or warranty claims, please contact Soudorv customer service. We aim to provide 24/7 quick response to ensure your satisfaction.
