4. USAGE GUIDELINES

The copper bracelet is designed for comfortable wear. Its open-cuff design allows for slight adjustment to fit wrist sizes between 17 cm and 21 cm. Gently widen or narrow the bracelet to achieve a comfortable fit on your wrist.

Important: Avoid excessive bending or forceful manipulation, as this may deform the bracelet or damage the engravings.

5. CARE AND MAINTENANCE

Due to the natural properties of copper, your bracelet may undergo darkening or color changes over time with regular use. The rate of this change can vary depending on individual skin characteristics and environmental factors.

Cleaning Instructions:

- If your copper bracelet darkens, you can restore its shine using a simple mixture of salt and lemon.
- Apply a small amount of salt to a lemon wedge and gently rub it over the darkened areas of the bracelet.
- Rinse thoroughly with water and dry with a soft cloth.
- Alternatively, commercial metal polishes specifically designed for copper can be used to achieve a brighter finish. Follow the polish manufacturer's instructions.

6. IMPORTANT WARNINGS

During use, the copper bracelet may leave a greenish or grayish stain on your skin. This is a normal reaction of copper with skin and moisture. This discoloration is harmless and can be easily washed off with soap and water.

7. WARRANTY AND SUPPORT

For information regarding warranty coverage or product support, please refer to the seller's policies or contact the point of purchase. Specific warranty details are not provided in this manual.
