COSTWAY 164cm Multi-Level Cat Tree with Perch and Woven Basket Bed

Model: BH32303NQDE-GM

Introduction

Thank you for choosing the COSTWAY 164cm Multi-Level Cat Tree. This product is designed to provide a comfortable and engaging environment for your feline companions. Featuring multiple platforms, durable scratching posts, a cozy perch, and a hand-woven basket bed, this cat tree offers various spaces for climbing, scratching, playing, and resting. Please read this manual carefully before assembly and use to ensure proper installation and long-lasting enjoyment for your cats.

Key Features:

- **Multi-Level Design:** Six distinct levels for climbing and exploration.
- **Natural Jute Scratching Posts:** Five posts wrapped with natural jute rope to satisfy scratching instincts and protect furniture.
- **Hand-Woven Cattail Elements:** Breathable and comfortable perch and basket bed made from natural cattail material.
- **Soft Padded Cushions:** Removable and washable cushions for enhanced comfort and hygiene.
- **Interactive Toy:** A plush hanging ball with a bell to encourage playful interaction.

Setup Instructions

Before beginning assembly, ensure all components are present and undamaged. Refer to the included parts list in your packaging. Assembly typically requires no additional tools beyond what is provided.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify against the parts list.
2. **Base Assembly:** Attach the lowest scratching posts to the base platform. Ensure they are securely tightened.
3. **Platform Installation:** Systematically attach the various platforms and additional scratching posts, following the numerical order or diagram provided in the physical manual. Ensure each connection is firm and stable.
4. **Basket Bed and Perch:** Install the hand-woven basket bed and the top perch onto their designated posts.
5. **Cushion Placement:** Place the soft padded cushions into the basket bed and on the perch.

6. **Attach Interactive Toy:** Secure the interactive plush ball with a bell to its designated hanging point.
7. **Final Check:** Once assembled, gently shake the cat tree to ensure all connections are secure and the structure is stable. Place it on a flat, stable floor surface.

Operating Instructions

The COSTWAY Cat Tree is designed for your cat's natural behaviors and comfort. No complex operation is required; simply place it in a suitable indoor location and allow your cat to explore.

- **Placement:** Position the cat tree in a stable area of your home, away from high-traffic zones or areas where it could be easily knocked over. Ensure it is on a level surface.
- **Encouraging Use:** Introduce your cat to the tree by placing treats or familiar toys on different levels. Gently encourage them to explore the scratching posts and resting areas.

- **Scratching Posts:** The jute-wrapped posts are intended for scratching. This helps maintain your cat's claws and diverts scratching behavior from household furniture.
- **Resting Areas:** The top perch and woven basket bed with soft cushions provide elevated and enclosed spaces for your cat to rest, observe their surroundings, or nap comfortably.
- **Interactive Play:** The hanging plush ball with a bell is designed to stimulate your cat's playful instincts.

Maintenance

Regular cleaning and maintenance will extend the life of your cat tree and ensure a hygienic environment for your pet.

- **Cushion Cleaning:** The padded cushions are easily removable. They can be machine washed at 30°C (86°F). Allow them to air dry completely before placing them back on the cat tree.
- **Surface Cleaning:** For the rest of the cat tree (wood, cattail, jute, plush surfaces), wipe with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the materials or be harmful to your pet.
- **Vacuuming:** Regularly vacuum the plush surfaces to remove loose fur and dust.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Storage:** Always store the cat tree indoors to protect it from weather elements, which can degrade materials over

time.

Troubleshooting

If you encounter any issues with your COSTWAY Cat Tree, please refer to the following common solutions:

- **Instability:** If the cat tree feels wobbly, check all assembly screws and connections. Ensure they are fully tightened. Make sure the tree is placed on a flat, even surface.
- **Cat Not Using Tree:** Cats can be particular. Try placing catnip, treats, or favorite toys on the tree to encourage exploration. Spend time playing with your cat around the tree.
- **Damaged Components:** If any part of the cat tree becomes damaged, discontinue use immediately to prevent injury to your pet. Contact customer support for replacement parts or further assistance.
- **Fraying Jute:** Over time, the jute scratching posts may show wear. This is normal. If the fraying becomes

excessive or the post is no longer effective, consider replacing the post if available, or monitor for sharp edges.
