Yaheetech Stackable Stools with Padded Seats (Set of 5) - Instruction Manual

Model: YT-0014417501

INTRODUCTION

Thank you for choosing the Yaheetech Stackable Stools with Padded Seats. This manual provides essential information for the safe and effective use, maintenance, and care of your new stools. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

WARNING: This product can expose you to chemical Lead which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/furniture.

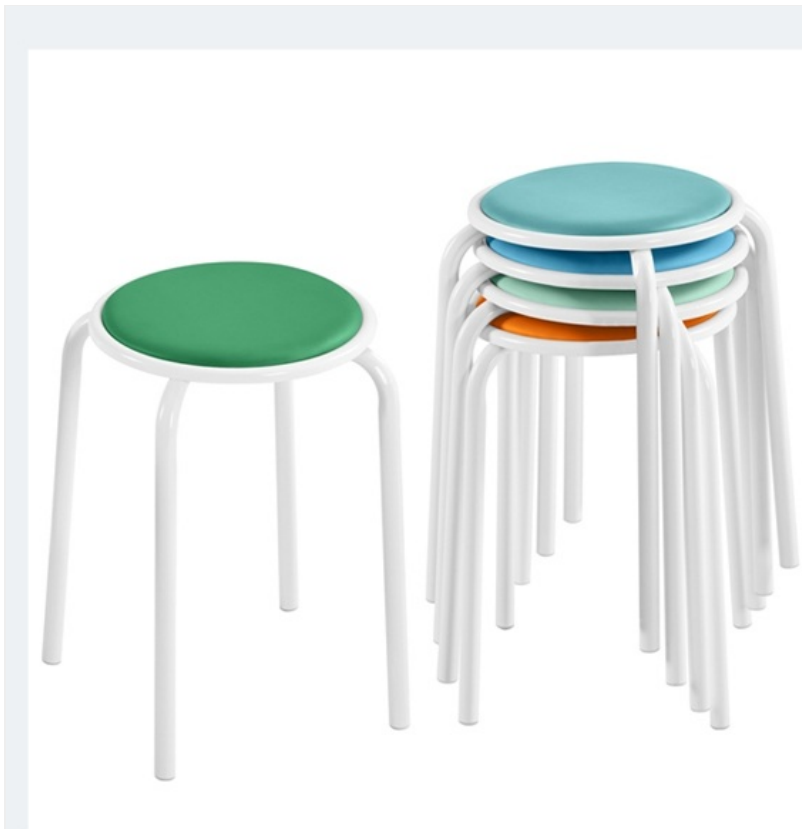

- Ensure the stool is placed on a stable, level surface before use.
- Do not exceed the maximum weight capacity of 276 pounds (125 kg).
- Avoid standing on the stools.
- Keep children from playing unsupervised with the stools, especially when stacking or unstacking.

SETUP

The Yaheetech Stackable Stools are designed for immediate use and require no assembly.

1. Carefully remove the stools from their packaging.
2. Place the stools on your desired flat and stable surface.
3. To stack, align the legs of the upper stool with the seat of the lower stool and gently lower it into place.

4. To unstack, lift the top stool vertically from the stack.

Stackable & Space-Saving

When not in use, these lightweight metal stools neatly stack together.

OPERATING INSTRUCTIONS

These stools are versatile and suitable for various indoor and outdoor settings.

- **Seating:** Use the stools for seating at standard-height desks, dining tables, or as extra seating for guests. The padded seats provide comfort for extended periods.
- **Portability:** The lightweight design allows for easy movement between rooms or for outdoor use.
- **Space-Saving Storage:** When not in use, stack the stools to minimize their footprint, ideal for compact spaces.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your Yaheetech stools.

- **Cleaning:** Wipe the stools with a damp cloth to clean. The faux leather seats are water-resistant and easy to maintain. Avoid harsh chemical cleaners that may damage the finish or upholstery.
- **Protection:** The protective foot caps prevent scratches on floors and reduce noise when moving the stools. These caps also help prevent internal frame oxidation.
- **Storage:** Store stools in a dry environment when not in use, especially if used outdoors, to prevent potential wear from prolonged exposure to elements.

Easy Maintenance

The faux leather seats are water-resistant and easy to clean with a damp cloth.

TROUBLESHOOTING

If you encounter any issues with your stools, refer to the following common concerns:

Problem	Possible Cause	Solution
Stool feels wobbly or unstable.	Uneven floor surface; damaged leg cap.	Ensure the stool is on a flat surface. Check leg caps for damage and replace if necessary.
Paint chipping on legs.	Impact or abrasion during use or storage.	Handle stools with care. For minor chips, touch-up paint can be applied.
Difficulty stacking/unstacking.	Improper alignment.	Ensure stools are aligned vertically before stacking or unstacking. Do not force.

X structure + reinforced screw

Reinforced Sturdiness

Reinforced with an X-shaped support and sturdy metal legs, each stacking stool holds up to 276 lb.
