PZL Universal Replacement Remote Control Instruction Manual

Model: 3cf7813c-4269-4e0c-8e0f-1b47854e3f2d

INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your PZL Universal Replacement Remote Control. This remote is designed to operate various vibration plate exercise machines.

The remote control is compatible with a wide range of vibration plate exercise machines, including models from EILISON, Dailylife, PHAGATT, HOTWAVE, SoftGym, AXV, PBYRD, Taevno, Homesy, SAVEYOUR, UCIN, TISSCARE, SEDOZIK, and Mawuye.

SETUP

Battery Installation

The remote control requires two 1.5V AAA batteries, which are not included with the product.

1. Locate the battery compartment on the back of the remote control.
2. Slide the battery cover downwards to open the compartment.
3. Insert two AAA batteries, ensuring that the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery cover back into place until it securely clicks shut.

Requires Two 1.5V AAA Batteries

(Batteries are not included)

NEW ABS

OPERATING INSTRUCTIONS

First Use

This remote control is designed for immediate use without the need for programming or pairing. Once the batteries are correctly installed, it is ready to operate your compatible vibration plate exercise machine.

Remote Control Functions

The remote utilizes infrared 3.0 technology, providing a strong signal and fast response. It offers an effective control distance of over 26 feet (approximately 8 meters) and an operational angle of more than 120 degrees, ensuring an enhanced remote control experience.

Figure 2: Overview of the remote control buttons.

Key buttons and their general functions include:

- **Power Button (Red, top left):** Used to turn the vibration plate exercise machine on or off.
- **Play/Pause Button (Black triangle, top right):** Initiates or temporarily stops the exercise program.
- **Program/Mode Selection Buttons (P, M, Time, Speed):** These buttons are typically used for selecting different exercise programs, adjusting operational modes, setting exercise duration, and controlling vibration speed levels.
- **Start/Stop Buttons (Orange figures):** Activates or deactivates specific exercise routines or intensity levels.

MAINTENANCE

Proper care and maintenance will help extend the lifespan of your remote control:

- **Cleaning:** Gently wipe the remote control with a soft, dry cloth to remove dust and smudges. Avoid using liquid cleaners or abrasive materials.
- **Environmental Conditions:** Do not expose the remote control to extreme temperatures, high humidity, or direct sunlight, as these conditions can damage the internal components.
- **Battery Storage:** If the remote control will not be used for an extended period, remove the batteries

to prevent potential leakage and damage.

TROUBLESHOOTING

Remote Control Not Responding

If your remote control is not functioning as expected, consider the following troubleshooting steps:

- Check Battery Polarity:** Ensure that the AAA batteries are inserted correctly, matching the positive (+) and negative (-) markings inside the battery compartment.
- Replace Batteries:** If the remote remains unresponsive, the batteries may be depleted. Replace both AAA batteries with new ones.
- Clear Obstructions:** Verify that there are no physical objects blocking the line of sight between the remote control's infrared emitter and the vibration plate's infrared receiver.
- Proximity and Angle:** Ensure you are within the effective operating range (approximately 26 feet) and angle (within 120 degrees) of the vibration plate.

SPECIFICATIONS

Model Number: 3cf7813c-4269-4e0c-8e0f-1b47854e3f2d

Brand: PZL

Color: White

Compatible Devices: Vibration Plate Exercise Machines

Max Number of Supported Devices: 1

Special Feature: Ergonomic design for comfortable handling

Power Source: 2 x 1.5V AAA Batteries (not included)

Item Weight: Approximately 1.13 ounces (32 grams)

Package Dimensions: Approximately 5.91 x 1.46 x 0.63 inches (15 x 3.7 x 1.6 cm)

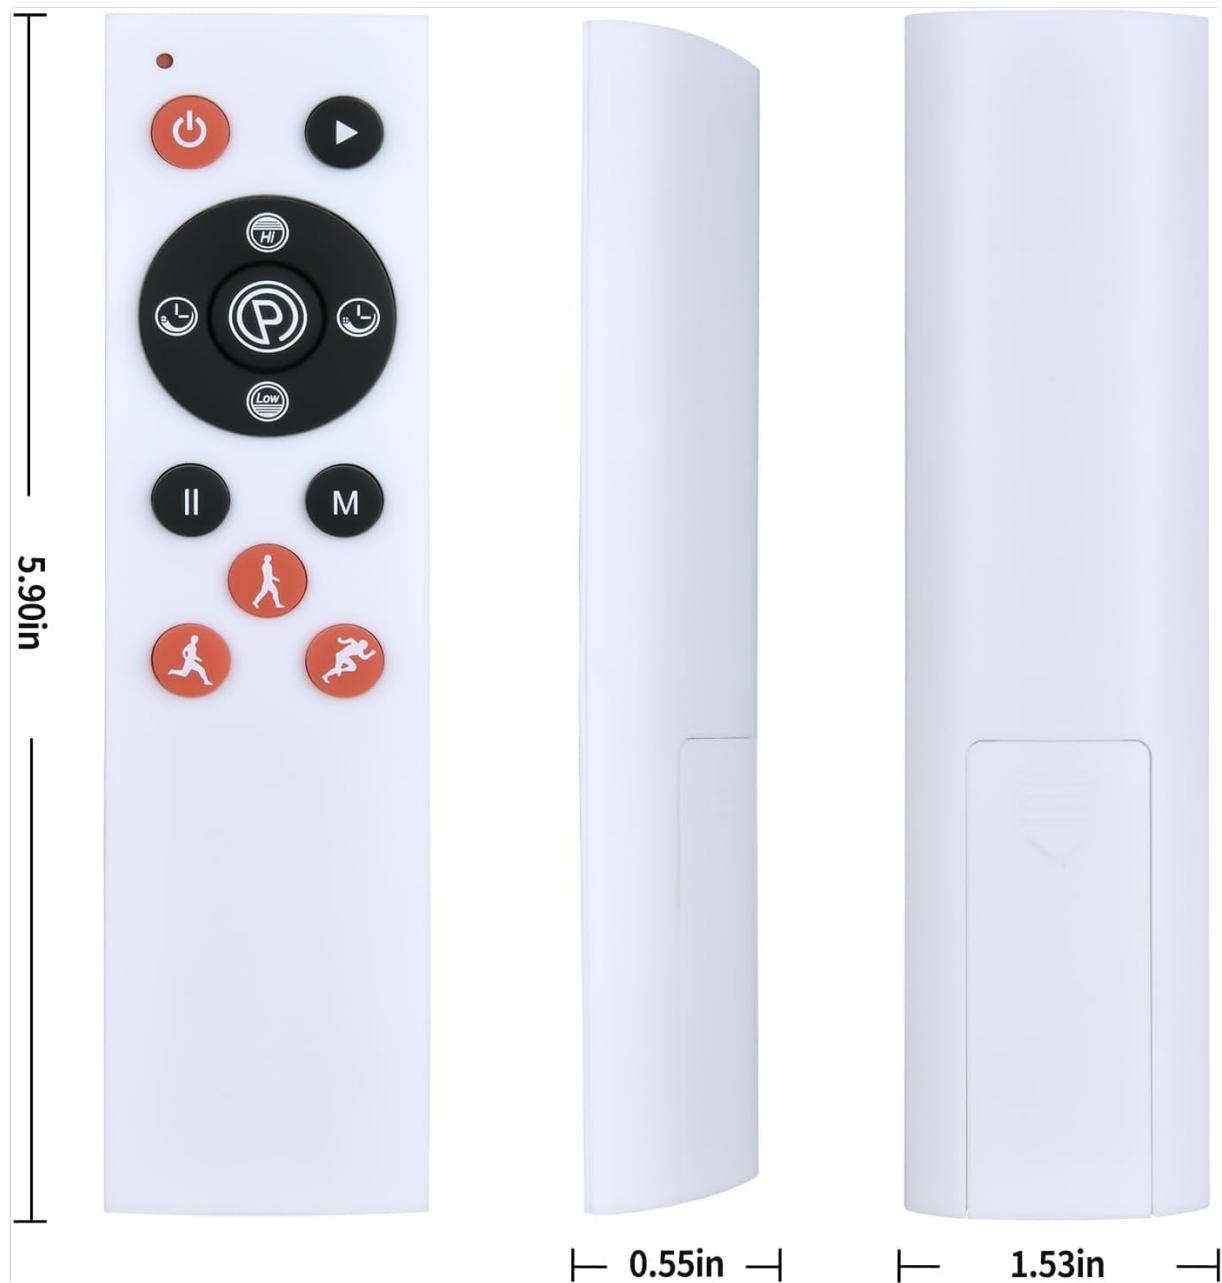

Figure 3: Remote control dimensions.

CUSTOMER SUPPORT INFORMATION

PZL is dedicated to providing quality products and reliable customer service. If you have any questions regarding your order, product compatibility, or require assistance with your remote control, please contact our customer support team directly.

Customer support inquiries typically receive a response within 12 hours on weekdays.
