2. SAFETY INFORMATION

To ensure safe use of this product, please adhere to the following guidelines:

- **Anti-Toppling Design:** This dresser is equipped with an anti-toppling device. It is crucial to secure the cabinet to a wall using the provided hardware to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the specified weight capacity for drawers (22 lbs per drawer) and the cabinet top (88 lbs). Overloading can compromise stability and cause damage.
- **Stable Placement:** Place the dresser on a flat, level surface to ensure stability. Uneven surfaces can lead to instability.
- **Rounded Corners:** The dresser features rounded corners for user safety, reducing the risk of accidental bumps and scratches.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should include:

- 1 x 3-Drawer Cabinet unit
- 1 x User Guide (this document)
- All necessary assembly hardware (screws, connectors, anti-toppling kit)

If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

This dresser requires assembly. Please follow the detailed instructions provided in the included user guide (separate booklet) for step-by-step assembly. Ensure all parts are correctly oriented and securely fastened. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Key assembly features include:

- L-shaped metal legs for structural support.

- Smooth drawer slides for easy operation.
- Exquisite knobs for drawers and the cabinet door.

5. SETUP AND PLACEMENT

Once assembled, position the dresser in your desired location. This versatile storage cabinet is suitable for various rooms:

- **Bedroom:** Ideal for storing clothing, accessories, and personal items.
- **Living Room:** Can serve as an accent piece with storage for books, media, or decorative items.
- **Entryway/Hallway:** Perfect for organizing keys, mail, hats, scarves, and other entryway essentials.

Ensure the dresser is placed against a wall where the anti-toppling device can be securely installed.

6. OPERATING INSTRUCTIONS

The dresser is designed for straightforward operation:

- **Drawers:** Gently pull the golden knobs to open the three storage drawers. The smooth slides ensure effortless opening and closing. Push firmly to close.
- **Flip-Up Fluted Glass Door:** To access the cabinet compartment, lift the door upwards. The door is designed to flip up and slide into the cabinet, saving space and providing full access to the contents. To close, pull the door down and ensure it latches securely.

7. MAINTENANCE

To maintain the appearance and longevity of your dresser:

- **Cleaning:** Wipe the smooth surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- **Glass Care:** Clean the fluted glass door with a glass cleaner and a soft cloth.

8. TROUBLESHOOTING

If you encounter any issues with your dresser, consider the following:

- **Drawers not sliding smoothly:** Check for obstructions in the drawer slides. Ensure the slides are properly aligned and free of debris.

- **Dresser feels unstable:** Verify that the dresser is on a level surface. Re-check all assembly fasteners for tightness. Ensure the anti-toppling device is securely installed.
- **Door not closing properly:** Check for any obstructions preventing the door from latching. Ensure the hinges are properly aligned.

For persistent issues, please contact customer support.
