NBBX N201

NBBX Fingerprint Door Lock - Model N201 Instruction Manual

Brand: NBBX | Model: N201

INTRODUCTION

The NBBX N201 Fingerprint Door Lock provides advanced security and convenience for your home or office. This smart lock integrates multiple access methods and smart features to simplify your daily routine while ensuring robust protection.

- **Your Finger is The Key:** NBBX fingerprint door locks use self-learning AI for faster, more accurate recognition with every touch—unlock in just 0.3 seconds with a 99% success rate.
- **Multiple Ways to Unlock:** Choose from fingerprint, code, app control, or key access. Store up to 50 fingerprints and 50 codes, ensuring easy entry for the whole family.
- **Built For Security & Durability:** Crafted with solid components, tested for 250,000 cycles, and rated IP65 waterproof, this smart lock withstands any weather, operating flawlessly from -4°F to 122°F.
- **Smart Access Control:** Grant unique codes to family, guests, or neighbors, and revoke access anytime via the app—perfect for short-term rentals, and temporary or scheduled visitors.
- **App-Controlled Convenience:** Get real-time notifications of door activity, review access history, and set auto-lock from 1 sec. To 30 min. for peace of mind on the free app.
- **Easy Install & Trusted Support:** Install the N201 electronic keypad deadbolt in 15 minutes with a screwdriver—no locksmith needed.

Battery Installation

The NBBX N201 requires 4 AA batteries for operation (batteries are not included). Ensure correct polarity when inserting the batteries. The lock features a low battery reminder to alert you when replacement is needed.

Activity Logs

Monitor every interaction with your lock and user access, as well as detailed and real-time activity. Stay updated with complete records, enhancing both security and control!

OPERATING THE LOCK

Unlocking Methods

The NBBX N201 offers multiple convenient ways to unlock your door:

- **Fingerprint:** Place your registered finger on the sensor for quick, 0.3-second access.
- **Keypad/Code:** Enter your personalized code on the illuminated keypad.
- **App Control:** Use the dedicated mobile application to remotely unlock or lock your door via Bluetooth.
- **Physical Key:** For traditional access or in case of emergency, use the provided physical keys.

MAINTENANCE

The NBBX N201 is designed for low maintenance. It provides over 9 months of reliable performance on 4

AA batteries. The app will notify you when the battery is low. For emergency power, a USB-C charging port is available on the exterior unit.

TROUBLESHOOTING

If you encounter any issues with your NBBX N201 lock, please consider the following:

- **Check Batteries:** Ensure batteries are correctly installed and have sufficient charge.
- **Re-pair with App:** If app connectivity issues arise, try re-pairing the lock with your mobile device.
- **Consult Manual:** The included user manual provides detailed troubleshooting steps for common problems.

For further assistance, NBBX offers lifetime customer support.
