## 1. PRODUCT OVERVIEW

---

The Green Soul Jupiter Pro (2026 Edition) is an ergonomic office chair designed for comfort and productivity. It features advanced adjustability and durable materials to support extended use in office or home environments.

### Key Features:

- **Cushioned Comfort:** Plush headrest, lumbar support, and molded foam seat cushion for pressure relief.
- **Premium Seating:** Thick molded foam cushioning and adjustable seat slider for customized seat depth.
- **Intelli-Adapt Recline:** Auto weight sensing mechanism for smooth reclining without manual adjustments.
- **Durable Korean Mesh:** Wired Korean mesh backrest for breathability and shape retention.
- **Advanced Ergonomics:** 4D adjustable armrests, 2D lumbar support, 2D headrest, and height adjustability for optimal posture.

## 2. SETUP

---

Professional installation is provided for this product. If you choose to assemble the chair yourself, please follow the instructions carefully. All necessary tools are included in the packaging.

### Unpacking and Initial Inspection:

1. Carefully remove all components from the packaging.
2. Verify that all parts listed in the assembly guide are present and undamaged.
3. Place all components on a clean, flat, and soft surface to prevent scratches during assembly.

For detailed assembly steps, refer to the separate assembly guide included with your chair. If professional installation is opted for, the service provider will handle the complete setup.

## 3. OPERATION & ADJUSTMENTS

---

The Green Soul Jupiter Pro offers multiple adjustment features to customize your seating experience for optimal comfort and ergonomic support.

### Chair Dimensions:

This diagram illustrates the key dimensions of the Green Soul Jupiter Pro chair, including headrest width (A-35cm), backrest width (B-52cm), lumbar support width (C-49cm), seat width (D-52cm), seat height range (E-44cm-55cm), base width (F-66cm), headrest height adjustment (G-14cm), backrest height (H-85cm-92cm), seat depth (I-50cm), and total height range (J-117cm-135cm).

### Recline Mechanism (Intelli-Adapt):

The Intelli-Adapt recline mechanism automatically senses your weight and adjusts the backrest tension. Simply lean back to recline smoothly. The chair features a multi-lock function for flexible locking at your preferred angle (up to 135 degrees).

## Dial in Your Headspace

Adjusts up-down, swivels and tilts to cradle your neck in every posture

This image demonstrates the Intelli-Adapt recline feature, allowing the user to lean back and recline the chair from an upright 90-degree position to a relaxed 135-degree angle, with the mechanism intuitively adjusting to body weight.

### Armrest Adjustments (4D):

The 4D adjustable armrests provide comprehensive support. You can adjust them in four directions:

- **Height:** Move up or down.
- **Depth:** Slide forward or backward.
- **Swivel:** Rotate inward or outward.
- **Angle:** Pivot left or right.

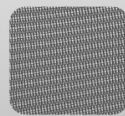

## Soft Comfort or Structured Support

Go for flexible fabric in Superb or reinforced wired mesh in Pro—your back knows best.

Flexible Fabric  
Jupiter Superb  
2025

Wired Mesh  
Jupiter Pro  
2025

This image highlights the 4D adjustable armrests, showing the various directions of movement for height, depth, and angle adjustments to provide personalized support.

### Lumbar Support Adjustments (2D):

The 2D lumbar support can be adjusted for both height and depth to provide targeted support to your lower back.

## A Seat That Grows With You

Adjustable seat depth slider that adjusts seat depth to fully support your thighs.

up to 5cm

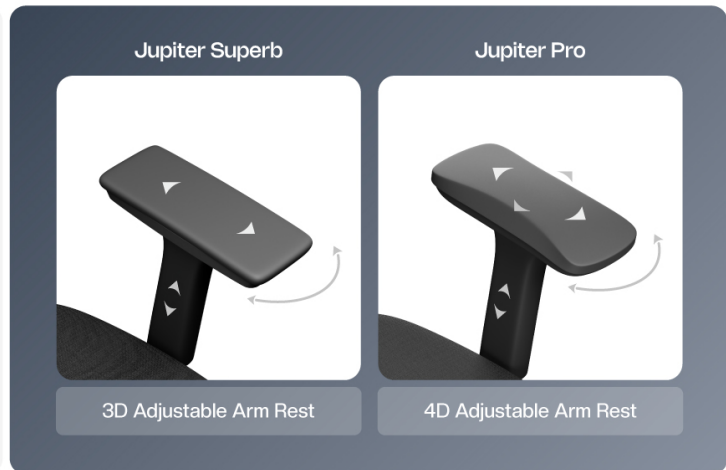

This image details the 2D adjustable lumbar support, illustrating how it can be moved vertically for height adjustment and horizontally for depth adjustment to fit the user's lower back curve.

### Headrest Adjustments (2D):

The 2D headrest allows for height and tilt adjustments to support your neck and head comfortably.

## Where Budget Meets Precision

Get more or just what you need.

This image demonstrates the 2D adjustable headrest, showing its ability to move up and down for height and pivot for tilt, allowing users to cradle their neck in various postures.

### Seat Slider (1D):

The 1D adjustable seat slider allows you to customize the seat depth by up to 5cm, ensuring proper thigh support and hip alignment.

# Intelli-Adapt Recline

**No manual adjustment**  
Senses your weight and adjusts the backrest recline tension

**Multi-lock**  
Flexible locking for personalized comfort

This image illustrates the adjustable seat depth feature, showing how the seat can slide forward or backward by up to 5cm to accommodate different leg lengths and provide optimal thigh support.

## Chair Height Adjustment:

Use the lever located under the seat to adjust the chair's height. Pull the lever up to raise the seat, or pull it up while seated to lower the seat. Release the lever to lock the height.

## 4. MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your Green Soul Jupiter Pro office chair.

### Cleaning Instructions:

- **Mesh Backrest:** Use a vacuum cleaner to remove dust and debris, or gently dust with a dry, soft cloth.
- **Cushioned Surfaces:** Use a damp cloth with mild soap and water to clean the cushioned seat and armrests. Avoid harsh chemicals.
- **Frame and Base:** Wipe with a damp cloth. Ensure all parts are dry after cleaning.

### General Care:

- Regularly check all screws and bolts to ensure they are tight. Retighten if necessary.
- Avoid exposing the chair to direct sunlight for prolonged periods to prevent material degradation.
- Do not stand on the chair or use it for purposes other than intended seating.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your Green Soul Jupiter Pro chair, refer to the following common solutions. If the problem persists, contact customer support.

### Common Issues and Solutions:

- **Chair Squeaks:**  
Check and tighten all assembly bolts. Apply a small amount of silicone lubricant to moving parts if necessary.

- **Chair Feels Unstable/Wobbly:**

Ensure all connections, especially to the base and gas lift, are securely fastened. Verify the chair is on a flat surface.

- **Adjustments Not Working Smoothly:**

Check for any obstructions in the mechanism. Ensure levers are fully engaged or disengaged. For recline, ensure the Intelli-Adapt mechanism is not locked in a fixed position if you desire free movement.

- **Seat or Armrest Alignment Issues:**

While some minor variations can occur, significant misalignment may indicate an assembly error or a component issue. Re-check assembly steps for the affected part. If issues persist, contact customer support.

- **Gas Lift Not Holding Height:**

This may indicate a faulty gas lift cylinder. Contact customer support for a replacement under warranty.

## 6. SPECIFICATIONS

---

Feature	Detail
Brand	Green Soul
Model Name	Jupiter Pro
Model Number	Jupiter Pro 2025
Colour	Black
Material	Mesh (Upholstery Fabric Type: Korean Mesh)
