## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case features an LED digital display that shows the remaining battery percentage.

1. Place the earbuds into the charging case. Ensure they are correctly seated to make contact with the charging pins.
2. Connect the charging case to a USB power source using a compatible charging cable (not included).
3. The LED display on the case will show the charging progress. A full charge for the case takes approximately 1 hour, and for the earbuds, it also takes about 1 hour.
4. Once fully charged, the display will show "100" or indicate a full charge, and the charging indicator may turn off.

### 2. Pairing with Your Device

The earbuds use Bluetooth 5.4 for seamless wireless connectivity.

1. Ensure the earbuds are charged and inside the charging case.

2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing light on the earbuds (if applicable, refer to visual cues on earbuds).
3. On your smartphone, tablet, or laptop, go to the Bluetooth settings.
4. Turn on Bluetooth and search for available devices.
5. Select "M97" or the corresponding device name from the list.
6. Once connected, you will hear a confirmation tone, and the earbud indicator lights will stop flashing.
7. The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

## OPERATING INSTRUCTIONS

---

### Wearing the Earbuds

The M97 earbuds feature an ergonomic clip-on design for a secure and comfortable fit. Gently place the earbud over your ear, ensuring the clip-on part rests comfortably and securely. Adjust for optimal sound and comfort.

### Power On/Off

- **Power On:** The earbuds automatically power on when removed from the charging case.
- **Power Off:** Place the earbuds back into the charging case to automatically power them off and begin charging.

### AI Translation Feature

These earbuds support AI real-time translation for 134 languages. To utilize this feature, you will need a long-term subscription to the associated AI Translator service. Please refer to the specific instructions provided with your subscription or the dedicated translation application for detailed usage of the AI translation function.

## TOUCH CONTROLS

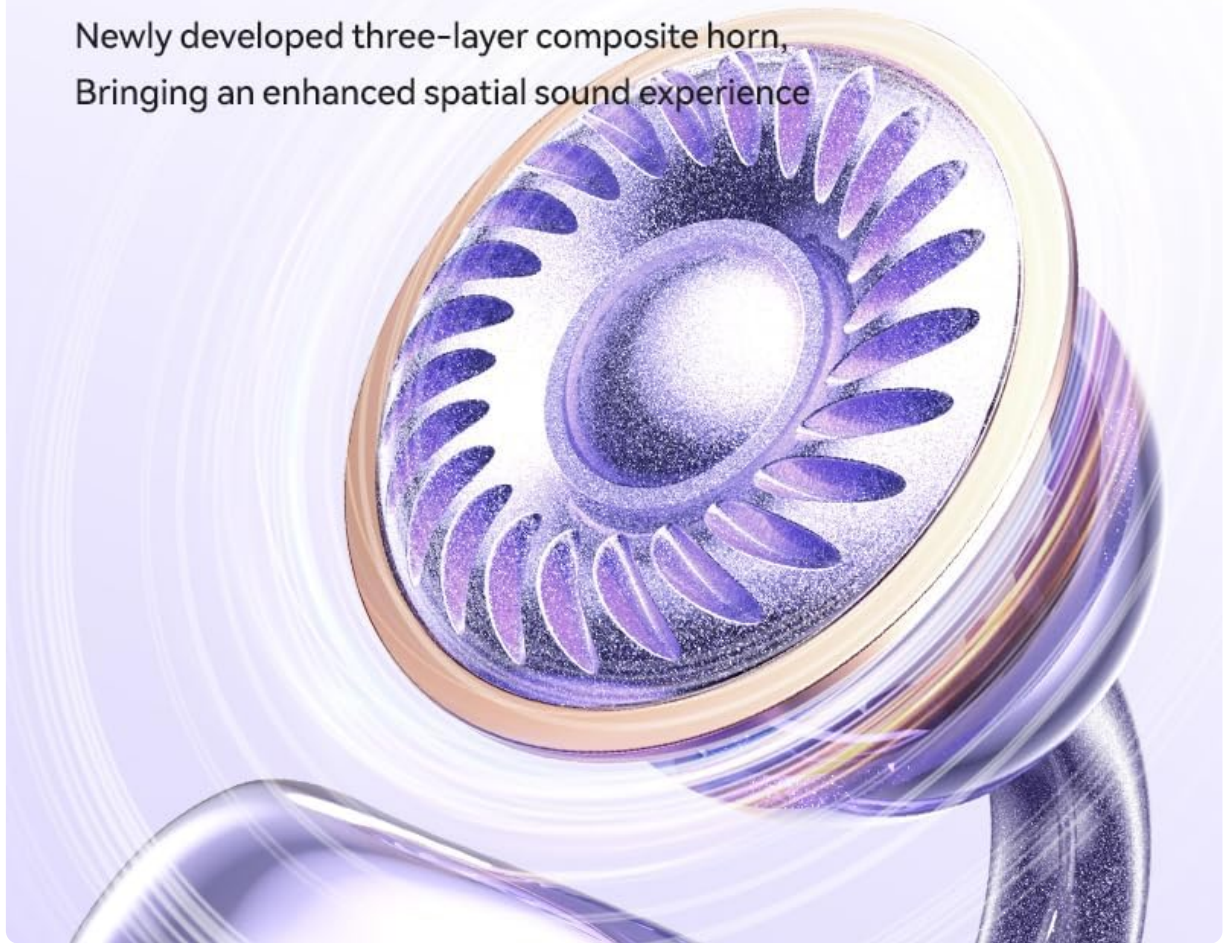

---

The M97 earbuds feature precise touch controls for easy operation. The touch sensitive area is located on the outer surface of each earbud.

### MAINTENANCE

Proper maintenance will extend the lifespan of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents. Gently clean the charging contacts on both the earbuds and the case to ensure proper

charging.

- **Water Resistance:** The earbuds are rated as Water Resistant. This means they can withstand splashes of water, sweat, and light rain. They are not designed for submersion in water or for use during swimming or showering. Avoid exposing them to high-pressure water or extreme humidity.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them from dust, dirt, and physical damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully draining the battery frequently. Charge the earbuds and case regularly, even if not in constant use.

## TROUBLESHOOTING

---

If you encounter any issues with your earbuds, try the following solutions:

### No Sound or Intermittent Connection

- Ensure the earbuds are fully charged.
- Check that Bluetooth is enabled on your device and the earbuds are connected.
- Move the earbuds closer to your device to ensure they are within the 10-meter Bluetooth range.
- Try disconnecting and re-pairing the earbuds with your device.
- Restart your audio source device (smartphone, tablet, etc.).

### Earbuds Not Charging

- Ensure the charging cable is securely connected to both the case and the power source.
- Verify that the power source is active.
- Clean the charging contacts on both the earbuds and inside the charging case with a dry cotton swab.
- Ensure the earbuds are correctly seated in the charging case.

### Touch Controls Not Responding

- Ensure your fingers are clean and dry when using the touch controls.
- Try restarting the earbuds by placing them back in the case and then taking them out again.

### AI Translation Not Working

- Confirm you have an active subscription to the AI Translator service.
- Ensure your device has an active internet connection.
- Check the settings within the dedicated translation application.
