- **Detachable Covers:** The chenille covers are designed for easy removal and machine washing.
  - Remove covers carefully from each cushion and module.
  - Machine wash in cold water on a gentle cycle with mild detergent.
  - Do not bleach.
  - Tumble dry on low heat or air dry to prevent shrinking and maintain fabric integrity.
  - Re-attach covers once completely dry.
- **Spot Cleaning:** For minor spills, blot immediately with a clean, dry cloth. For tougher stains, use a mild fabric cleaner, testing on an inconspicuous area first.
- **Regular Vacuuming:** Vacuum the sofa regularly using an upholstery attachment to remove dust and debris, preventing dirt buildup.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use curtains/blinds.
- **Fluff Cushions:** Regularly fluff and rotate seat and back cushions to maintain their shape and even out wear.
