Assembly Instructions

Assembly typically takes 1-2 people approximately 30 minutes. An electric screwdriver (not included) can expedite the process. Ensure you have adequate workspace and wear gloves to prevent injury.

1. **Unpack and Identify Parts:** Carefully remove all components from the boxes. Refer to the parts list to ensure everything is present.
2. **Attach Legs:** Secure the metal legs to the base of the sofa frame using the provided hardware. Ensure they are tightened firmly.
3. **Connect Sofa Sections:** If applicable, connect the main sofa frame and the pull-out section using the reinforced connecting steel bar and corresponding hardware. This bar enhances stability.

4. **Attach Armrests:** Fasten the armrests to the main sofa frame. Pay attention to the orientation for the storage armrest.
5. **Place Cushions and Pillows:** Position the seat and backrest cushions. Place the two lumbar pillows as desired.
6. **Final Check:** Verify that all screws and connections are tight and the sofa bed is stable before use.

Operating Instructions

Converting from Sofa to Bed:

To transform the loveseat into a queen-size sleeper bed, locate the pull-handle mechanism at the front of the seat. Gently pull the handle outwards and upward to extend the bed section. The integrated wheels will assist in smooth movement. Ensure the bed section is fully extended and stable before use.

Maintenance and Care

- **Cleaning:** Regularly clean the linen fabric with a vacuum cleaner using a soft brush attachment. For spills, wipe clean with a dry cloth immediately. Avoid harsh chemicals or abrasive cleaners.
- **General Use:** Use the sofa bed gently and avoid exceeding the weight limit of 600 lbs.
- **Inspection:** Periodically inspect all fasteners and connections to ensure they remain tight. Tighten as necessary.

Troubleshooting

If you encounter any issues with your Gizoon Convertible Sofa Bed, please refer to the following common solutions:

- **Difficulty Converting:** Ensure no obstructions are present around or under the pull-out mechanism. Check that the backrest is in an appropriate position for conversion.
- **Wobbly or Unstable:** Verify that all assembly screws and bolts are securely tightened. Ensure the sofa bed is placed on a flat, even surface.
- **Squeaking Noises:** Inspect the metal frame and moving parts for any loose connections. Apply a small amount of silicone lubricant to hinges or joints if necessary.
- **Cushion Firmness:** The cushions are designed with high-density foam for support. Over time, they will adapt to use. If additional softness is desired, a mattress topper can be used when in bed mode.
