GarveeHome GVCB0113V0C

GarveeHome Arched Corner Bookshelf

MODEL: GVCB0113V0C

Instruction Manual

1. Important Safety Information

Always assemble the bookshelf according to the included instructions. Do not exceed the weight limit of 50 LB per shelf to prevent tipping or damage. Keep the bookshelf away from heat sources and do not place heavy objects on the top shelf.

WARNING: To prevent injury, this product must be securely attached to the wall with the anti-tipping device provided.

2. Product Overview

The GarveeHome Arched Corner Bookshelf is designed to maximize storage in any corner of your living space. Featuring a robust metal frame and durable MDF boards, this L-shaped unit offers five tiers of storage with an elegant arched top design.

Figure 2.3: High-Quality MDF Board and Anti-Tipping Kit

3. Package Contents

Please check the package carefully to ensure all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components (Vertical supports, horizontal bars, arched top pieces)
- MDF Shelf Boards (5 tiers)
- Assembly Hardware (Screws, bolts, Allen wrench)
- Anti-Tipping Kit (Strap, wall anchors, screws)
- Adjustable Feet
- Instruction Manual

4. Assembly Instructions

Assembly is required. Please follow these steps carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare them with the parts list in your included manual to ensure everything is present.
2. **Assemble the Metal Frame:** Begin by connecting the main vertical support bars. Attach the horizontal crossbars as indicated in your specific diagram. Do not fully tighten screws until all frame pieces are loosely assembled.
3. **Attach Shelf Boards:** Once the frame is stable, carefully place and secure the MDF shelf boards onto the designated frame sections. Ensure they are flush and level before tightening their respective screws.
4. **Install Arched Top:** Attach the decorative arched top pieces to the upper frame sections.
5. **Tighten All Screws:** Once the entire unit is assembled, go back and securely tighten all screws. Do not overtighten.
6. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. These can be adjusted later to level the bookshelf on uneven floors.

7. **Install Anti-Tipping Kit:** Position the bookshelf in its desired corner. Securely attach the anti-tipping strap to the top rear of the bookshelf and then to a wall stud using the provided hardware. This step is crucial for safety.

5. Operation and Usage

This corner bookshelf is designed for displaying books, decorative items, plants, and other personal belongings. Each tier is designed to hold up to 50 lbs (22.7 kg).

- **Placement:** Position the bookshelf in a 90-degree corner for optimal stability and aesthetic appeal.
- **Weight Distribution:** Distribute weight evenly across the shelves. Place heavier items on lower shelves to enhance stability. Do not exceed the maximum weight capacity per shelf or the overall unit capacity.
- **Leveling:** Use the adjustable feet to ensure the bookshelf is level and stable on your floor.

6. Care and Maintenance

To maintain the appearance and longevity of your bookshelf, follow these simple care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the MDF boards.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.

7. Troubleshooting

Problem	Possible Cause	Solution
Bookshelf is wobbly/unstable	Uneven floor; loose screws; anti-tipping kit not installed	Adjust feet to level; tighten all screws; ensure anti-tipping kit is securely installed to wall stud.
Parts are missing or damaged	Manufacturing error; shipping damage	Do not proceed with assembly. Contact customer support immediately for replacement parts.
Shelves are not level	Incorrect assembly; loose connections	Disassemble and reassemble carefully, ensuring all connections are flush before tightening. Check for bent frame components.
