## 2. PRODUCT FEATURES

- **Dimmable & 5CCT Versatile Ambiance Control:** Customize lighting from warm (2700K) to bright daylight (6000K). Supports 5%-100% stepless dimming (dimmer switch not included).
- **Ultra-Thin Design:** Features a super slim 0.67-inch profile, making it ideal for low-ceiling rooms and modern aesthetics.
- **Energy-Efficient LED:** Equipped with 24W LEDs providing 2400 lumens of brightness, offering

significant energy savings and a long lifespan of approximately 50,000 hours.

- **Trusted Security & Eye Protection:** Constructed with flame-retardant plastic lampshade and non-toxic, flicker-free LEDs, ensuring safe indoor lighting and reducing eye strain.
- **Dustproof Design:** Engineered to prevent bugs and dust from entering the fixture, maintaining cleanliness and light quality.
- **Wide Application:** Suitable for various indoor environments including bedrooms, kitchens, hallways, foyers, and bathrooms.

## 3. WHAT'S IN THE BOX

Upon opening the product packaging, please ensure all components are present and undamaged:

- LED Flush Mount Ceiling Light Fixtures (6 units)
- Mounting Hardware
- Instruction Manual (this document)

## 4. SPECIFICATIONS

Feature	Specification
Brand	DINGLILIGHTING
Model Number	087bd31d-3c01-491f-845a-c3fe268670d7
Color	6 Pack-White
Material	Plastic

Feature	Specification
Style	Modern
Light Fixture Form	Close to Ceiling
Product Dimensions	12.2"L x 5.03"W x 12.2"H
Item Weight	8.73 pounds (for 6-pack)
Indoor/Outdoor Usage	Indoor
Power Source	Corded Electric
Installation Type	Flush Mount
Light Source Type	LED
Voltage	120 Volts
Wattage	24 watts per light
Brightness	2400 Lumens per light
Efficiency	100 lumens per watt
Color Temperature	Adjustable 2700K-6000K
Water Resistance Level	Waterproof
Assembly Required	No

## 5. SETUP AND INSTALLATION

---

The DINGLILIGHTING LED Flush Mount Ceiling Light is designed for quick and easy installation, typically completable by one person in approximately 2 minutes per fixture. Ensure power is turned off at the circuit breaker before beginning installation.

### Installation Steps:

- 1. Rotate and Remove the Base:** Gently twist the light fixture to detach the base plate from the main body.
- 2. Screw Base Plate to the Ceiling:** Using the provided mounting hardware, securely attach the base plate to the ceiling junction box.
- 3. Connect AC Cables with Wire Nuts:** Connect the household electrical wires to the fixture's wires using the included wire nuts. Ensure proper polarity (live to live, neutral to neutral, ground to ground).
- 4. Rotate and Install onto the Base Plate:** Align the main light fixture body with the installed base plate and twist to lock it securely in place.

## 6. OPERATING INSTRUCTIONS

---

Your DINGLILIGHTING LED Flush Mount Ceiling Light offers adjustable color temperature and dimming capabilities to suit your preferences.

### **Color Temperature Adjustment (5CCT):**

The fixture allows you to select from five color temperature settings: 2700K (Warm White), 3000K (Soft White), 4000K (Cool White), 5000K (Bright White), and 6000K (Daylight). This adjustment is typically made via a switch on the fixture itself before final installation, or through a compatible wall switch if the fixture supports it (refer to specific product labeling).

# 5 CCT in One

Choose the ambience you like

## Dimming Function:

The light supports stepless dimming from 5% to 100% brightness. To utilize this feature, a compatible dimmer switch (not included) must be installed in your electrical system. The light fixture itself does not have an integrated dimmer control.

Image: Illustration of the light's dimming range from 5% to 100% brightness.

## 7. MAINTENANCE

To ensure the longevity and optimal performance of your DINGLILIGHTING LED Flush Mount Ceiling Light, follow these simple maintenance guidelines:

- **Cleaning:** Disconnect power before cleaning. Wipe the fixture with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by a dry cloth. Avoid abrasive cleaners, solvents, or harsh chemicals as they may damage the finish or electrical components.
- **Dust Prevention:** The light features a dustproof design to prevent insects and dust accumulation inside the fixture. Regular external cleaning will maintain its aesthetic appeal and light output.
- **No Bulb Replacement:** As an integrated LED fixture, there are no bulbs to replace. The LEDs are designed for the entire lifespan of the product.

## 8. TROUBLESHOOTING

---

If you encounter issues with your DINGLILIGHTING LED Flush Mount Ceiling Light, please refer to the following common troubleshooting steps:

- **Light Does Not Turn On:**

- Check if the power switch is in the 'ON' position.
- Verify that the circuit breaker for the light fixture is not tripped.
- Ensure all electrical connections are secure and correctly wired (refer to Section 5: Setup and Installation).
- Confirm that the household voltage matches the fixture's requirements (120 Volts).

- **Light Flickers or Dims Unexpectedly:**

- Ensure the dimmer switch (if installed) is compatible with LED lighting. Incompatible dimmers can cause flickering.
- Check for loose wiring connections at the fixture or switch.
- Verify that the fixture is not connected to a circuit with other high-power appliances causing voltage fluctuations.

- **Incorrect Color Temperature:**

- If the light has a CCT selection switch, ensure it is set to your desired color temperature. This switch is usually located on the fixture itself and needs to be set during installation.

- **Light is Not Bright Enough:**

- If a dimmer switch is installed, ensure it is set to 100% brightness.
- Verify the room size is appropriate for the light's lumen output (2400 lumens per light).

If these steps do not resolve the issue, please contact DINGLILIGHTING customer support for further assistance.

## 9. WARRANTY AND SUPPORT

---

DINGLILIGHTING stands behind the quality of its products. This LED Flush Mount Ceiling Light comes with a **Lifetime Warranty**.

For any replacements, installation guides, or other inquiries, please do not hesitate to contact our dedicated US-based support team. We are committed to providing hassle-free service and ensuring your satisfaction.
