## MAINTENANCE

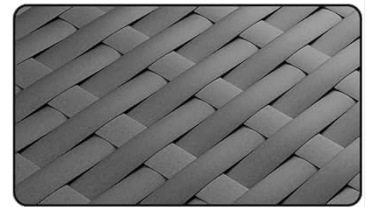

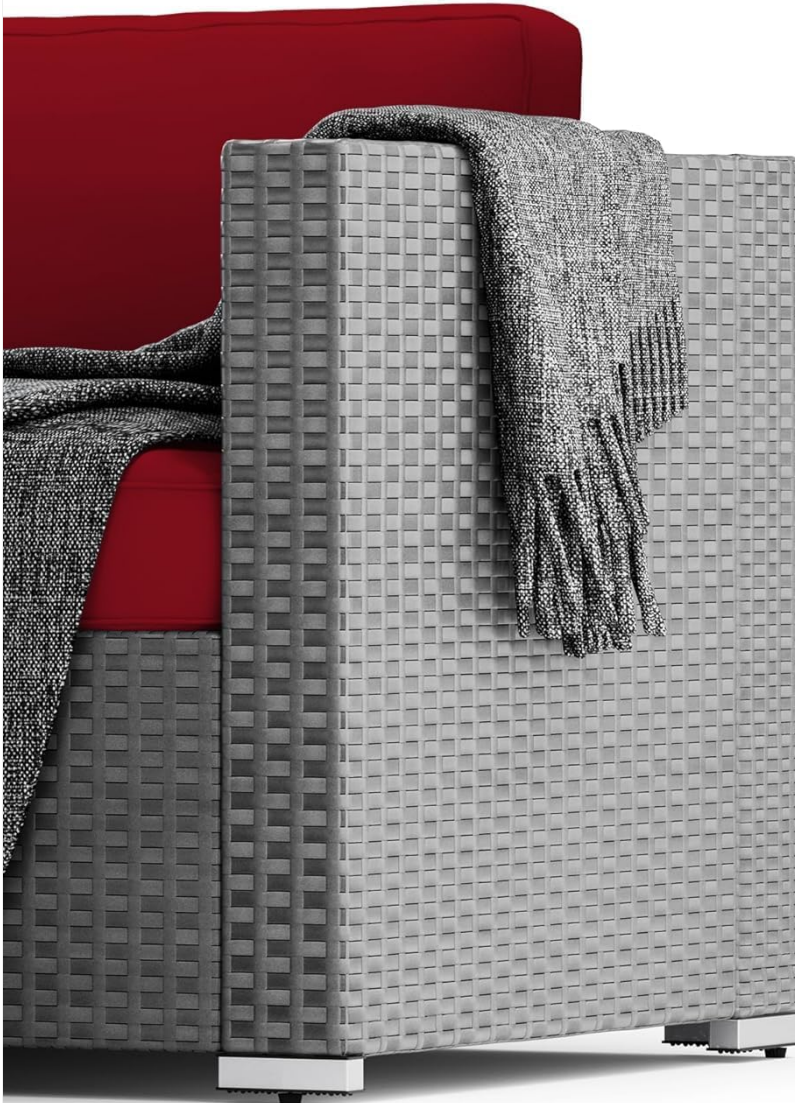

---

Proper care will extend the life and appearance of your patio furniture set.

- **Cushions:** The cushion covers are zippered and machine washable. Wash in cold water on a gentle cycle and air dry. Do not bleach. While water-resistant, store cushions indoors during heavy rain or prolonged periods of non-use to prevent water saturation and mildew.
- **Wicker and Frame:** The grey resin wicker and powder-coated steel frame are durable and easy to maintain. Clean with a soft cloth, mild soap, and water. Rinse thoroughly and dry completely to prevent water spots. Avoid harsh chemicals or abrasive cleaners.
- **Tempered Glass:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth.
- **General Care:** Periodically check all bolts and connections to ensure they remain tight. Tighten if necessary.
