Homary HW243WH357 7-Piece Extendable Outdoor Patio Dining Set Instruction Manual

Model: HW243WH357

1. PRODUCT OVERVIEW

This manual provides instructions for the Homary 7-Piece Outdoor Patio Dining Table Set, model HW243WH357. This set includes an extendable dining table and six woven armchairs, designed for outdoor use.

Image 1.1: The Homary 7-Piece Outdoor Patio Dining Set, featuring an extendable table and six chairs, positioned next to a swimming pool.

The dining table features an extendable top, allowing adjustment of its length to accommodate varying numbers of guests. The chairs are constructed with weather-resistant woven rope and include removable cushions for comfort. The entire set is built with durable, weather-resistant materials suitable for various outdoor environments.

2. SAFETY INFORMATION

- Avoid exposing the furniture to extreme weather conditions such as prolonged heavy rain, snow, or intense heat to preserve its longevity.
- Do not leave the extendable table fully extended when not in use, especially in windy conditions, to prevent potential tip-over risks.
- Keep soft cushions out of reach of young children to prevent choking hazards.
- Ensure all assembly hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the table or chairs.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this dining set. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches. Two people are recommended for assembly.

4.1 Table Assembly

1. Unpack all table components and lay them out.
2. Attach the table legs to the tabletop frame using the provided hardware. Ensure all bolts are finger-tightened initially.
3. Once all legs are attached, carefully flip the table upright.
4. Evenly tighten all bolts with the included tool. Do not overtighten.

4.2 Chair Assembly

1. Unpack all chair components.
2. Attach the chair legs to the seat frame using the provided hardware.
3. Ensure all connections are secure.
4. Place the seat and back cushions onto the chairs.

4.3 Material Information

5. OPERATING INSTRUCTIONS

5.1 Extending the Dining Table

The dining table features an integrated extension mechanism to adjust its length. This allows the table to transition from a compact size to a larger dining surface.

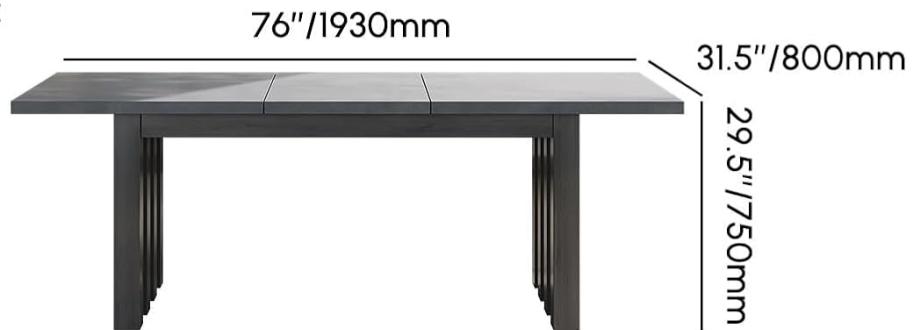

1. Gently pull the two main tabletop sections apart. This will reveal the central extension leaf mechanism.
2. Lift the hidden extension leaf from its storage position beneath the table.
3. Position the extension leaf into the gap created by separating the main tabletop sections.
4. Push the two main tabletop sections back together until they are flush with the extension leaf, securing it in place.

5.2 Retracting the Dining Table

1. Gently pull the two main tabletop sections apart to create a gap.

2. Carefully lift the extension leaf out of the gap.
3. Lower the extension leaf back into its storage compartment beneath the table.
4. Push the two main tabletop sections back together until they meet, forming the compact table size.

6. MAINTENANCE

6.1 General Care

- Regularly wipe down the table and chair frames with a soft, damp cloth to remove dust and dirt.
- For stubborn stains, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners.
- Ensure the furniture is completely dry after cleaning to prevent water spots or mildew.

6.2 Cushion Care

- The cushions are removable and made from high-performance canvas. Spot clean with a mild soap and water solution.
- Allow cushions to air dry completely before storing or replacing them on chairs.
- Store cushions indoors during periods of heavy rain or when not in use for extended periods to prolong their lifespan.

6.3 Seasonal Storage

During off-seasons or prolonged periods of non-use, it is recommended to cover the furniture with a protective outdoor cover or store it in a dry, sheltered area to protect it from harsh weather conditions.

7. TROUBLESHOOTING

- **Table Extension Mechanism Sticking:** Ensure the tracks are clean and free of debris. Apply a silicone-based lubricant if necessary.
- **Wobbly Table/Chairs:** Check all assembly bolts and tighten them evenly. Ensure the furniture is placed on a level surface.
- **Fading or Discoloration:** While designed for outdoor use, prolonged exposure to direct sunlight can cause gradual fading. Consider using a furniture cover when not in use.
