WHAT'S IN THE BOX

Each Zuru Max Flowers capsule contains the following:

- 1 x Capsule (selection of specific flowers is not possible)
- Building blocks to construct 2 different flowers
- Instruction Manual (this document)

SETUP: ASSEMBLY INSTRUCTIONS

Assembling your Zuru Max Flowers is a creative and engaging process. Follow these general steps to build your beautiful botanical creations:

1. **Unpack the Capsule:** Carefully open the Zuru Max Flowers capsule and empty all the building block pieces onto a clean, flat surface.
2. **Identify Components:** Sort the pieces by color and shape. Refer to the included visual instructions (if provided within the capsule) to identify the parts for each of the two flowers.
3. **Follow Step-by-Step Guide:** Begin assembling the flowers according to the detailed instructions provided with your specific flower set. Typically, you will start with the base or stem, then build up the petals, leaves, and other intricate details.
4. **Secure Connections:** Ensure each building block piece is firmly pressed into place. A secure connection is crucial for the stability of the assembled flower. You should hear or feel a slight click when pieces are properly connected.
5. **Complete Assembly:** Continue following the instructions until both flowers are fully assembled.

OPERATING: DISPLAYING YOUR FLOWERS

Once assembled, your Zuru Max Flowers are ready for display. These decorative pieces are designed to add a touch of beauty to any space. Consider the following:

- **Placement:** Display your flowers on shelves, desks, windowsills, or any flat surface where they can be admired.
- **Arrangement:** If you have multiple flowers, experiment with different arrangements to create a unique bouquet or display.
- **Stability:** Ensure the surface is stable to prevent accidental falls, especially if placed in high-traffic areas.

MAINTENANCE

Zuru Max Flowers are designed for durability and require minimal maintenance. To keep your flowers looking their best:

- **Cleaning:** Dust regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, gently wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces together in a container to prevent loss.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause colors to fade over time.

TROUBLESHOOTING

While Zuru Max Flowers are designed for easy assembly, you might encounter minor issues. Here are some common troubleshooting tips:

- **Pieces Not Staying Together:**
 - Ensure that each piece is fully pushed into its corresponding connector. Sometimes, a piece may appear connected but is not fully seated. Apply firm, even pressure.
 - Check if you are using the correct pieces as per the instructions. Misplaced pieces can prevent proper connection.
 - If a specific connection point feels loose, try rotating the pieces slightly to find a better fit.

- For display, place the assembled flowers in a location where they will not be frequently bumped or disturbed.

• **Missing Pieces:**

- Thoroughly check the capsule and packaging for any small pieces that might have been overlooked.
- If pieces are genuinely missing, please contact ZURU customer support (see "Warranty and Support" section).
