SETUP AND FIRST USE

Follow these steps to set up your Scentiment Diffuser Air 2 for the first time:

1. **Unpack:** Carefully remove all components from the packaging.
2. **Access Fragrance Vessel:** Gently lift the top cap off your Scent Diffuser to reveal the internal fragrance vessel compartment.
3. **Insert Fragrance Oil:** Remove the empty bottle (if present) and fill it with your preferred Scentiment fragrance oil, or attach a 20ml fragrance oil bottle directly. Ensure the bottle is securely attached.
4. **Secure Bottle:** Insert the bottle back into the diffuser and ensure the lid is attached securely.
5. **Power On:** Connect the diffuser to a power source or ensure the internal battery is charged. Power on your device.
6. **App Connection:** For advanced control and customization, download the Scentiment App (coming soon) and connect your device via Wi-Fi or Bluetooth.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your Diffuser Air 2.

Fragrance Oil Replacement:

When the fragrance oil runs low, follow the steps in the "Setup and First Use" section to replace the bottle. Ensure the device is powered off before replacing the oil.

Cleaning:

- **Exterior:** Wipe the exterior of the diffuser with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Internal Components:** The cold-air diffusion technology minimizes residue. If cleaning of the internal fragrance vessel or motor is required, refer to the Scentiment App or contact customer support for specific instructions.
- **Interchangeable Motor:** The patent-pending Interchangeable Motor Technology allows for seamless self-serve motor replacement if needed. Replacement motors can be purchased separately.

TROUBLESHOOTING

If you encounter issues with your Scentiment Diffuser Air 2, please refer to the following common solutions:

- **No Scent Output:**
 - Ensure the fragrance oil bottle is correctly inserted and contains oil.
 - Check if the device is powered on.

- Verify that the diffuser is not set to an "off" schedule via the app.
- **Device Not Powering On:**
 - Ensure the power cable is securely connected to both the diffuser and a working power outlet.
 - If using battery power, ensure the battery is charged.
- **App Connectivity Issues:**
 - Ensure Bluetooth and Wi-Fi are enabled on your mobile device.
 - Restart the Scentiment App.
 - Restart the diffuser.
 - Check your Wi-Fi network connection.
- **Unusual Noise:**
 - Ensure the diffuser is placed on a flat, stable surface.
 - Check if the fragrance oil bottle is securely seated.
 - If the noise persists, contact Scentiment customer support.
