

ORRD 5-Tier Boho Wooden Shoe Storage Cabinet

ORRD 5-Tier Shoe Cabinet Instruction Manual

MODEL: 5-TIER BOHO WOODEN SHOE STORAGE CABINET

Introduction

Thank you for choosing the ORRD 5-Tier Shoe Cabinet. This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your new shoe storage cabinet. Please read this manual thoroughly before beginning assembly and retain it for future reference.

This cabinet features a durable engineered wood construction with iron rattan curved doors, offering both functionality and aesthetic appeal. It includes four adjustable shelves to accommodate various footwear sizes and types.

Safety Information

- **Always secure the cabinet to the wall using the provided anti-tip device to prevent tipping and potential injury.**
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as necessary.
- Do not overload the shelves. The cabinet has a weight capacity of up to 200 pounds.
- Assemble the cabinet on a soft, clean surface to prevent scratches.

Package Contents

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Cabinet Panels (Top, Bottom, Sides, Back)

- Iron Rattan Curved Doors (2)
- Adjustable Shelves (4)
- Legs (4)
- Hardware Pack (Screws, Dowels, Hinges, Handles, Magnetic Catches, Anti-tip Device)
- Assembly Instructions

Assembly Instructions

Follow these steps carefully to assemble your ORRD Shoe Cabinet. It is recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface. Refer to the included parts list to identify each piece.
2. **Assemble the Main Frame:** Attach the side panels to the bottom panel using the designated screws and dowels. Ensure they are aligned correctly.
3. **Install Back Panel:** Slide or fasten the back panel into the grooves or using small nails/screws provided.
4. **Attach Top Panel:** Secure the top panel to the assembled frame.
5. **Install Legs:** Screw the four legs into the pre-drilled holes on the bottom of the cabinet.
6. **Insert Adjustable Shelves:** Place the shelf pins into the desired holes on the side panels. Then, rest the adjustable shelves on these pins. You can customize the height of each shelf to fit different shoe types.
7. **Attach Doors:** Mount the hinges to the doors and then attach the doors to the cabinet frame. Ensure the doors open and close smoothly.
8. **Install Handles:** Attach the metal handles to the doors.
9. **Install Magnetic Catches:** Secure the magnetic catches to the inside of the cabinet frame and the corresponding plates to the doors to ensure they stay closed.
10. **Secure Anti-Tip Device:** Attach the anti-tip device to the top rear of the cabinet and secure it to a wall stud using appropriate hardware. This is a critical safety step.

Operation

The ORRD Shoe Cabinet is designed for versatile storage in various rooms.

- **Shoe Storage:** Open the two iron rattan doors to access the interior. Arrange your shoes on the four adjustable shelves. The adjustable nature of the shelves allows you to store slippers, formal shoes, heels, casual shoes, and even boots by repositioning the shelves.
- **Adjusting Shelves:** To adjust a shelf, remove all items from it. Lift the shelf slightly and pull it out. Reinsert the shelf pins into the desired holes on the side panels, ensuring they are level, then place the shelf back onto the pins.
- **Multifunctional Use:** The wide countertop can be used for keys, bags, decorative items, or small plants. The cabinet's design also allows it to function as a general storage solution for items like kitchen supplies, books, or other household goods.

Large storage and Multifunctional

Maintenance

Proper care will ensure the longevity of your ORRD Shoe Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the engineered wood and iron finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent buildup.
- **Airflow:** The hollow iron curved doors and ventilation holes promote good breathability, helping to keep shoes fresh. Ensure these ventilation points are not obstructed.
- **Avoid Moisture:** Keep the cabinet away from excessive moisture and direct sunlight to prevent warping or fading of the wood.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.

Troubleshooting

Here are solutions to common issues you might encounter:

- **Doors Not Closing Properly or Uneven:** This can often be resolved by adjusting the hinges. Loosen the hinge screws slightly, adjust the door position until it aligns correctly, and then re-tighten the screws. Ensure the magnetic catches are properly aligned and installed.

- **Cabinet Wobbles:** Ensure the cabinet is placed on a flat, level surface. Check that all legs are securely tightened. If necessary, use furniture levelers under the legs to stabilize the cabinet.
- **Missing Parts:** If any parts are missing upon arrival, please contact ORRD customer support with your purchase details for assistance.
