Dripex D002

Dripex Makeup Vanity Desk User Manual

Model: D002

IMPORTANT SAFETY INFORMATION

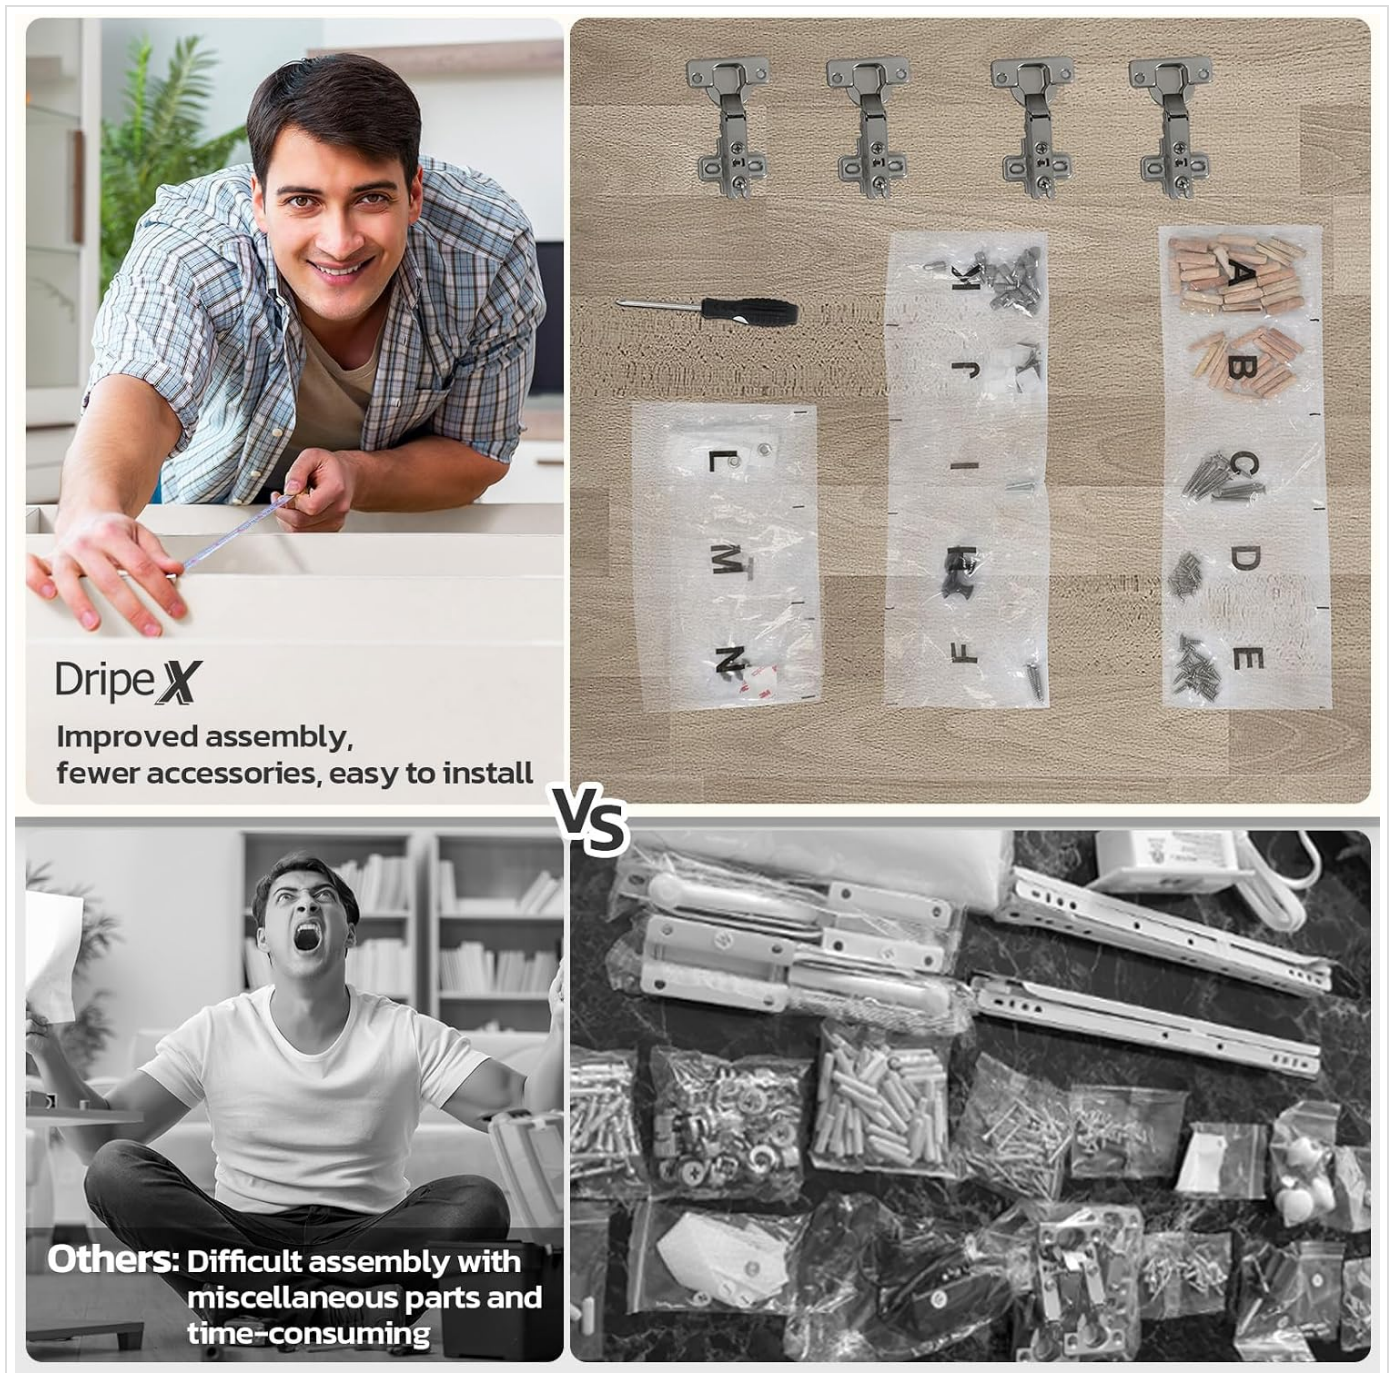

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Caution:** This product has sharp edges and open shelving. Keep away from children and pets.
- Do not touch electrical components with wet hands. Unplug the product when not in use.
- Do not exceed the weight limit of the shelves.
- Always follow the assembly instructions carefully to avoid injury.
- It is strictly prohibited to sit or stand on the product.
- Please put this item on a flat ground.
- Don't use an electric drill to assemble this item.
- It is not intended for use by children under 3 years of age.
- Children must be under adult supervision to use the product.
- It is forbidden children to climb or play on the product to avoid serious body injury caused by the tipping.

SETUP AND ASSEMBLY

The Dripex Makeup Vanity Desk is designed for straightforward assembly. Follow the steps below for a smooth setup process.

Assembly Overview

The vanity desk comes with clearly labeled parts and minimal accessories to simplify assembly. Ensure all components are present before beginning.

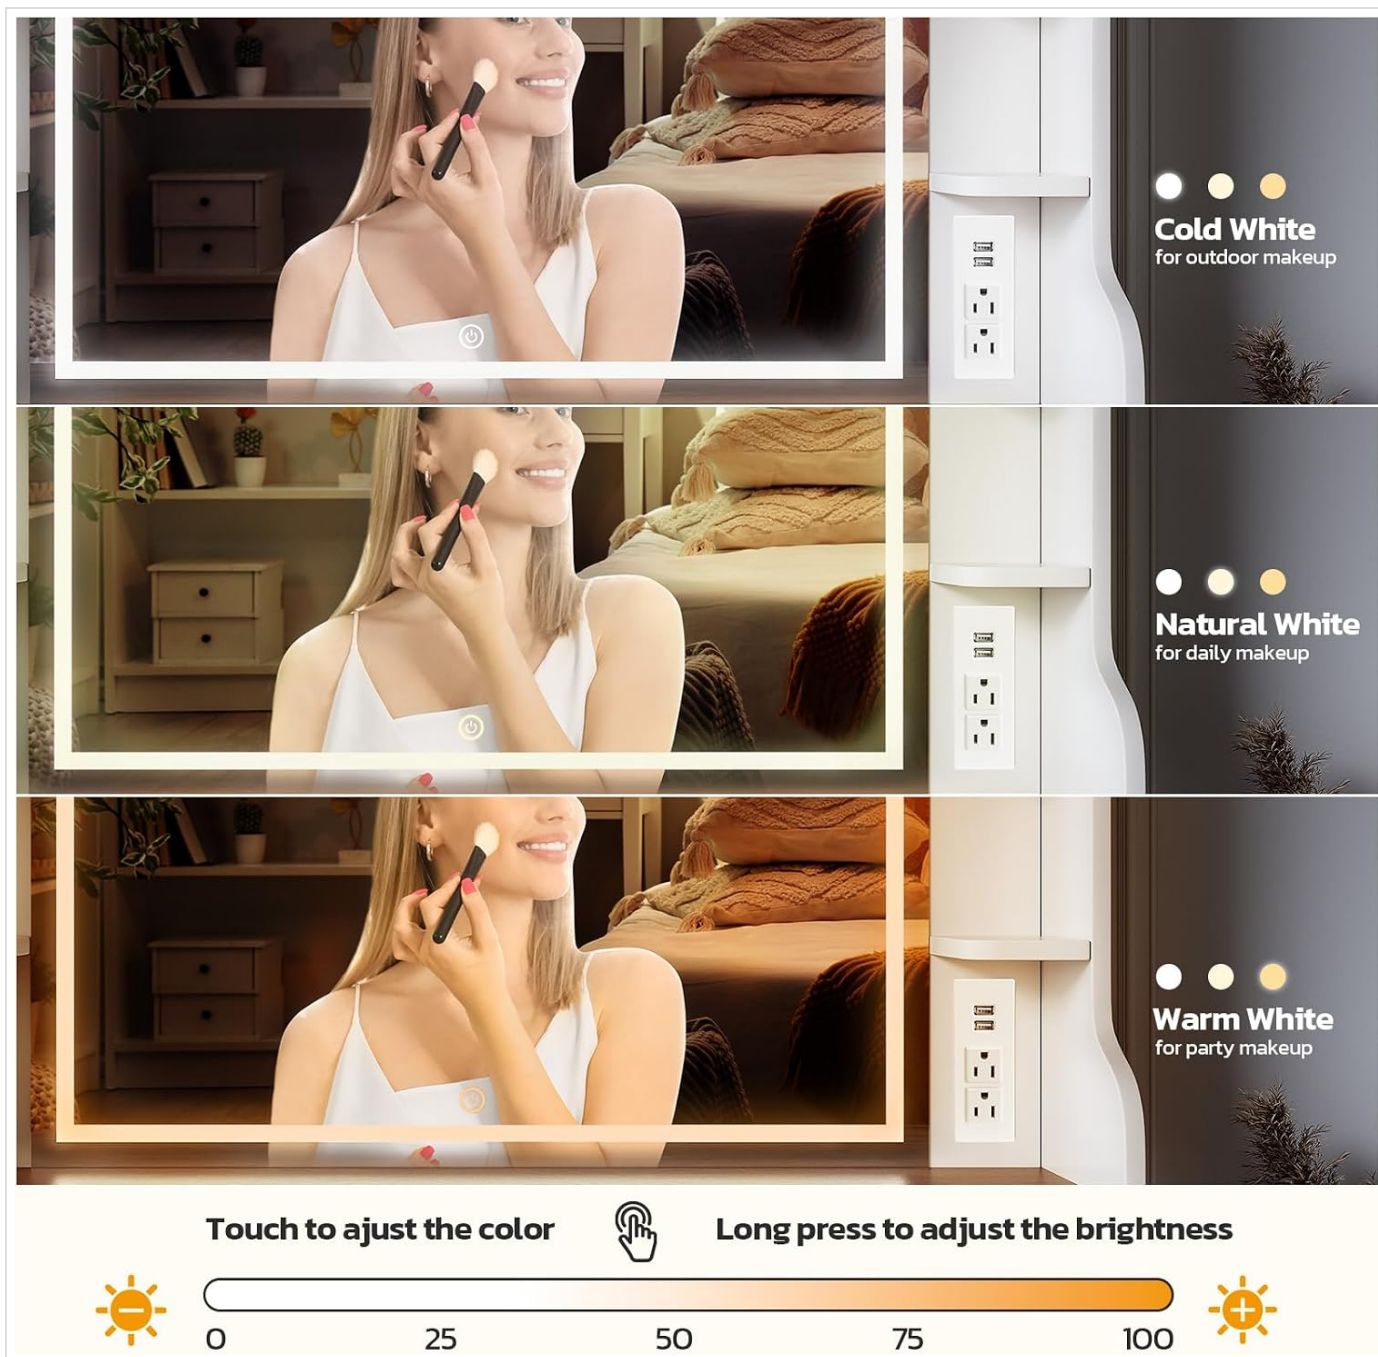

Detailed Installation Guide (Video)

For a step-by-step visual guide, please watch the official installation video. This video demonstrates each stage of assembly, from attaching drawer rails to securing the mirror unit.

Video Description: This comprehensive video provides detailed instructions for assembling the DripeX Makeup Vanity Desk. It covers all major steps, including attaching drawer slides, assembling the side cabinets, securing the tabletop, and mounting the mirror unit. The video highlights the ease of assembly with fewer parts and a simplified process, ensuring a stable and elegant final product.

OPERATING INSTRUCTIONS

LED Mirror with Touch Control

The large LED mirror features touch controls for adjusting lighting. The touch button is conveniently located on the mirror surface.

- **Change Light Mode:** Tap the touch button to cycle through three light modes: Cold White (ideal for outdoor makeup), Natural White (for daily makeup), and Warm White (for party makeup).
- **Adjust Brightness:** Long press the touch button to adjust the brightness level within the selected light mode. Release when desired brightness is achieved.

Convenient Power Outlet

The vanity desk includes a built-in power outlet for easy access to power your beauty devices.

- **AC Outlets:** Two 125V / 12A AC outlets are available for hair dryers, curling irons, and other standard electrical appliances.
- **USB Ports:** Two 5V / 2.1A USB ports are provided for charging mobile phones, tablets, and other USB-powered devices.

STORAGE AND FEATURES

This vanity desk offers ample storage and a functional design to keep your beauty essentials organized.

Ample Storage Space

Ample storage space

- **Wave-Fluted Drawer:** A spacious central drawer provides convenient storage for smaller items.
- **Side Cabinets with Adjustable Shelves:** Each side cabinet features two adjustable shelves, allowing you to customize storage space for items of various heights.
- **Open Shelving:** The mirror unit is flanked by open shelves, perfect for displaying perfumes, lotions, or decorative items.

Elegant and Functional Design

- **Sleek Modern Aesthetic:** The white finish and clean lines provide a contemporary look suitable for any bedroom or dressing room.
- **Rounded & Curved Edges:** Curved edges and open shelving on both sides of the large mirror enhance the elegant appearance while ensuring safety.

MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe down all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth to clean the mirror surface. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Dusting:** Regularly dust the vanity desk with a soft, dry cloth to prevent dust buildup.
- **Electrical Components:** Ensure the power outlet and LED mirror components are kept dry. Do not attempt to clean them with liquids.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common solutions:

- **LED Mirror Not Lighting Up:**
 - Check if the power cord is securely plugged into a working electrical outlet.
 - Ensure the power adapter is correctly connected to the mirror unit.
 - Gently tap the touch control button to ensure it registers the input.
- **Drawer Sticking or Not Sliding Smoothly:**
 - Verify that the drawer rails are correctly installed and aligned on both the drawer and the cabinet. Refer to the assembly video for guidance.
 - Check for any obstructions inside the drawer or along the rails.
- **Vanity Desk Feels Unstable:**
 - Ensure all screws and fasteners used during assembly are tightened securely.
 - Place the desk on a flat, level surface. Use furniture levelers if necessary.
 - Confirm that all structural components are correctly assembled according to the instructions.

If problems persist, please contact customer support for further assistance.
