## 2. SAFETY INFORMATION

- **Adult Supervision Required:** This product must be used under the direct supervision of an adult.
- **Age Recommendation:** Suitable for children aged 12 months to 3 years.
- **Weight Limit:** The rocking horse is designed to support a maximum weight of 50 kg (approximately 110 lbs).
- **Assembly:** Ensure all parts are correctly assembled and tightened before use. Regularly check for loose screws or damaged components.
- **Placement:** Use on a flat, stable surface. Avoid placing near stairs, open flames, or other hazards.
- **Detachable Fence:** The removable fence provides additional safety for younger children who cannot play independently. Ensure it is securely attached when in use.
- **Material Safety:** Made from natural wood and non-toxic stain, adhering to toy safety standards in the USA.

## 3. PACKAGE CONTENTS

Before assembly, verify that all components are present:

- Rocker components (wooden pieces for horse body, base, and fence)
- Screws (x18)
- Dowel pins (x12)
- Screwdriver (x1)
- Large screw (x1)

## 4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your labebe Wooden Rocking Horse. It is recommended to assemble on a soft, clean surface to prevent scratches.

### 4.1 Basic Assembly

1. Identify all wooden pieces and hardware as per the package contents list.
2. Attach the rocking base to the main body of the horse using the provided screws and dowel pins. Ensure a snug fit.
3. Secure the handles to the horse's head.
4. **Important:** When assembling, avoid using excessive force to twist screws to prevent splitting the wood.

### 4.2 Attaching the Detachable Fence

1. Position the fence pieces around the seat.
2. Align the holes and secure the fence using the designated screws. Note that the boards may lean back at a slight angle.
3. Ensure the fence is firmly attached and does not wobble.

## 5. OPERATING INSTRUCTIONS

### 5.1 Using the Rocking Horse

- Place the child on the seat, ensuring they can comfortably reach the handles.
- Encourage the child to hold onto the handles for stability while rocking.
- The design allows children to reach the ground with their feet, providing a sense of control and reducing fear of tipping.

## 6. MAINTENANCE

- **Cleaning:** Wipe the rocking horse with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners. Dry thoroughly after cleaning.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Re-tighten if necessary.
- **Storage:** Store in a dry place away from direct sunlight and extreme temperatures to prevent wood warping or damage.
- **Wood Care:** As a natural wood product, minor variations in grain and color are normal. Avoid prolonged exposure to moisture.

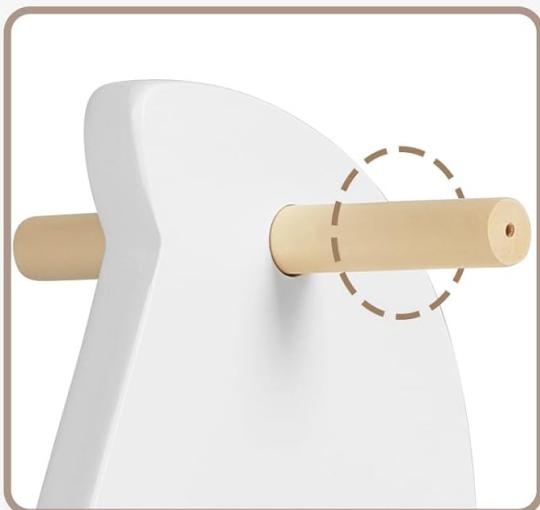

## 7. TROUBLESHOOTING

- **Wobbling:** If the rocking horse wobbles, check all assembly screws and ensure they are securely tightened. Verify that the rocking base is on a flat surface.
- **Squeaking:** A slight squeak may occur over time. This can often be resolved by checking and tightening screws.

- **Damaged Parts:** If any part is damaged or broken, discontinue use immediately and contact customer support for replacement parts. Do not attempt to repair with non-original parts.
