2. SAFETY INFORMATION

Prioritizing safety, this playset is constructed from premium PE and PP materials, certified with CPC and ASTM standards. It is designed to be stable and sturdy, supporting a maximum weight capacity of 176 lbs. Key safety features include:

- **Round Corners and Smooth Edges:** All edges and corners are designed to be skin-friendly, minimizing the risk of injury.
- **Enclosed Staircase:** Provides a secure climbing experience for young children.
- **Stable Structure:** Ensures the playset remains firm during active use.

Always supervise children during play. Ensure the playset is placed on a flat, stable surface, away from hazards.

3. SETUP AND ASSEMBLY

Assembly of the JAXPETY 8-in-1 Toddler Slide and Climber Playset is designed to be straightforward and requires no additional tools. Follow the detailed instructions provided in the included user manual for proper installation.

1. Unpack all components and verify against the parts list in the separate assembly guide.
2. Connect the main structural panels using the provided fasteners.
3. Attach the slide, ensuring it is securely fastened to the main structure.
4. Install the staircase, confirming all steps and handrails are stable.
5. Mount the basketball hoop and telescope in their designated positions.
6. Ensure all connections are tight and secure before allowing children to use the playset.

5. MAINTENANCE

To ensure the longevity and hygiene of your playset, regular maintenance is recommended:

- **Cleaning:** Wipe down all surfaces with a damp cloth and mild soap as needed. The smooth plastic material is easy to clean.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Storage:** While suitable for indoor and outdoor use, storing the playset indoors or covering it during prolonged periods of harsh weather can extend its lifespan.

6. TROUBLESHOOTING

If you encounter any issues with your playset, please refer to the following common solutions:

- **Playset feels unstable:** Ensure all connection points are fully engaged and tightened. Verify the playset is on a flat, level surface.
- **Missing parts during assembly:** Double-check the packaging and consult the parts list in the assembly guide. Contact JAXPETY customer support if parts are genuinely missing.
- **Difficulty with assembly:** Review the step-by-step instructions in the provided manual. Ensure components are oriented correctly.
