OPERATING INSTRUCTIONS

Keyboard Usage

The keyboard features well-spaced, responsive keys for comfortable and accurate typing. It includes a dedicated function row for quick access to common iPad functions.

Please Note

⊗ Not For

iPad Pro 13" (M4) 2024:
A2925, A2926, A3007

iPad Pro 13" (M5) 2025:
A3360, A3361, A3362

Check Compatibility Before You Buy

1. Find the model number on the back of your iPad
2. Or go to **Settings > General > About** to verify

Figure 5: Close-up of hands typing on the keyboard, highlighting the laptop-style keys and their comfortable feel.

Backlit Keys

The keyboard features adjustable 7-color backlighting with 3 brightness levels. Use the dedicated backlight key (often represented by a sun icon) to cycle through colors and adjust brightness.

Figure 6: The keyboard's backlit keys, demonstrating 12 color modes and 3 brightness levels for enhanced visibility in various lighting conditions.

Trackpad Usage

The precision multi-touch trackpad supports full iPadOS gestures, allowing for efficient navigation and interaction with your iPad. Multi-touch gestures require iPadOS 14.5 or higher.

- **Click:** Single tap or press down on the trackpad.
- **Scroll:** Use two fingers to scroll up or down.
- **Zoom:** Pinch with two fingers to zoom in or out.
- **Go Home:** Swipe up with three fingers to return to the home screen.

Floating Cantilever Stand

The floating cantilever design allows your iPad to be positioned at various angles for optimal viewing and typing comfort. Simply open the case and adjust the iPad's position to achieve the perfect angle.

Figure 9: The floating cantilever stand in action, providing an adjustable and stable platform for the iPad.

Magnetic Clasp and Pencil Holder

The case features a secure magnetic clasp that not only keeps the case closed but also provides a dedicated holder for your Apple Pencil or other styluses, ensuring they are safely stored and charged (if compatible).

Strong Magnetic Hold

Powerful magnets with 1,500 g of holding force keep your iPad secure

Figure 10: The secure magnetic clasp with an integrated pencil holder, designed to keep your Apple Pencil or other styluses safely attached.

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to wipe down the exterior of the case and keyboard. Avoid harsh chemicals.
- **Storage:** When not in use, keep the keyboard case closed to protect both the iPad and the keyboard.

- **Charging:** Charge the keyboard using the provided USB-A to C charging cable. The iPad cannot be charged through the keyboard case.

TROUBLESHOOTING

Keyboard Not Responding / Touchscreen Unresponsive

If the keyboard is not responding or the iPad touchscreen becomes unresponsive after double-clicking the trackpad, follow these steps:

1. Go to **Settings > Accessibility > Touch**.
2. Turn off "AssistiveTouch".
3. Ensure the keyboard is sufficiently charged. Low battery can affect performance.

Your browser does not support the video tag.

Video 3: Troubleshooting guide for issues related to incorrect size, fit, or wrong purchase. This video also addresses touchscreen unresponsiveness after trackpad use.

Connectivity Issues

- Ensure the keyboard is fully charged.
- Re-pair the keyboard with your iPad by following the "Powering On and Bluetooth Pairing" steps.
- Restart both your iPad and the keyboard.
