## WHAT'S IN THE BOX?

---

## What's in the Box?

SpaceBuds Neo x1  
Welcome Guide x1  
Type-C Charging Cable x1  
Pairs of Eartips x2

Image: The Oramo SpaceBuds Neo packaging contents, showing the earbuds in their charging case, a USB-C charging cable, and two additional pairs of ear tips, alongside a welcome guide.

- Oramo SpaceBuds Neo x1 (Earbuds and Charging Case)
- Welcome Guide x1
- Type-C Charging Cable x1
- Pairs of Eartips x2 (Total of 3 pairs including pre-installed)

## SETUP GUIDE

### 1. Charging Your Earbuds

Before first use, fully charge your Oramo SpaceBuds Neo. Place the earbuds into the charging case and connect the Type-C charging cable to the case and a power source. The indicator light on the case will show charging status. A full charge provides up to 30 hours of total playtime with the charging case.

### 2. Initial Pairing

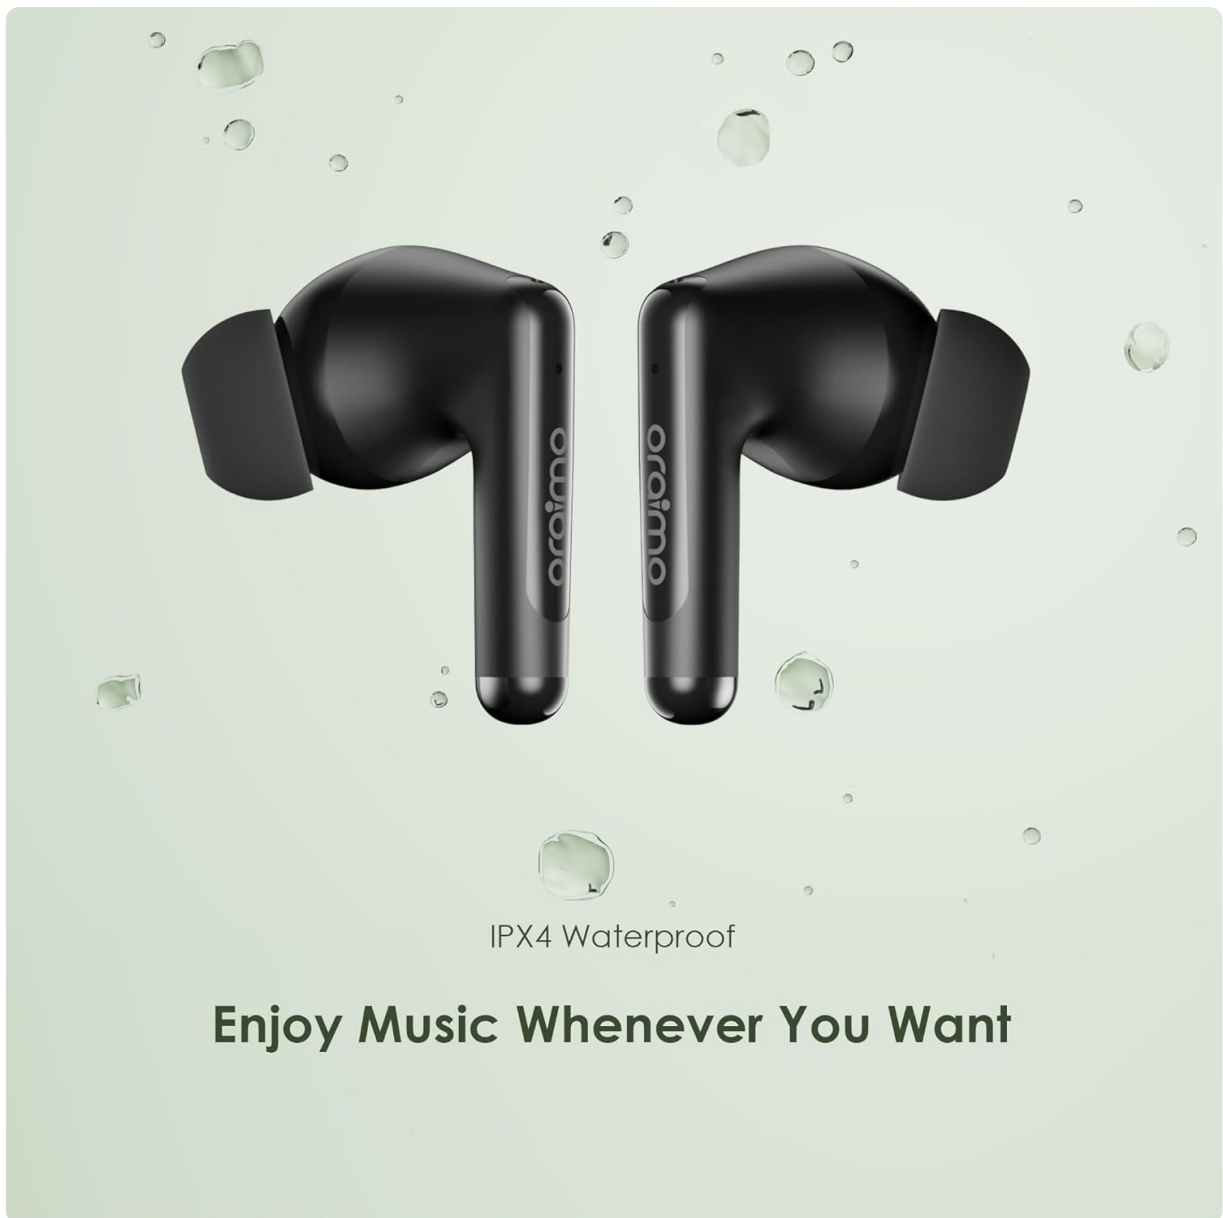

Image: A smartphone displaying its Bluetooth settings, showing "oraimo SpaceBuds Neo" as connected, illustrating the instant connection feature. The earbud case is open beside the phone.

1. Ensure the charging case has power.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for "Oraimo SpaceBuds Neo" in the list of available Bluetooth devices and select it to connect.
5. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

Thanks to the built-in Hall sensor, the earbuds offer instant connection when the case is opened, streamlining your pairing process.

## OPERATING INSTRUCTIONS

---

### Sound360 Spatial Sound

Sound360 Spatial Audio

## Immerse Music Pleasure

Image: A person enjoying music with an Oramo SpaceBuds Neo earbud, with concentric circles around their head symbolizing the immersive Sound360 Spatial Audio experience.

The Sound360 Spatial Sound technology creates an immersive 360-degree audio field, enhancing your listening experience with rich and engaging sound. This feature is automatically active when playing compatible audio content.

### **Extended Playtime**

30-Hour Long Playtime

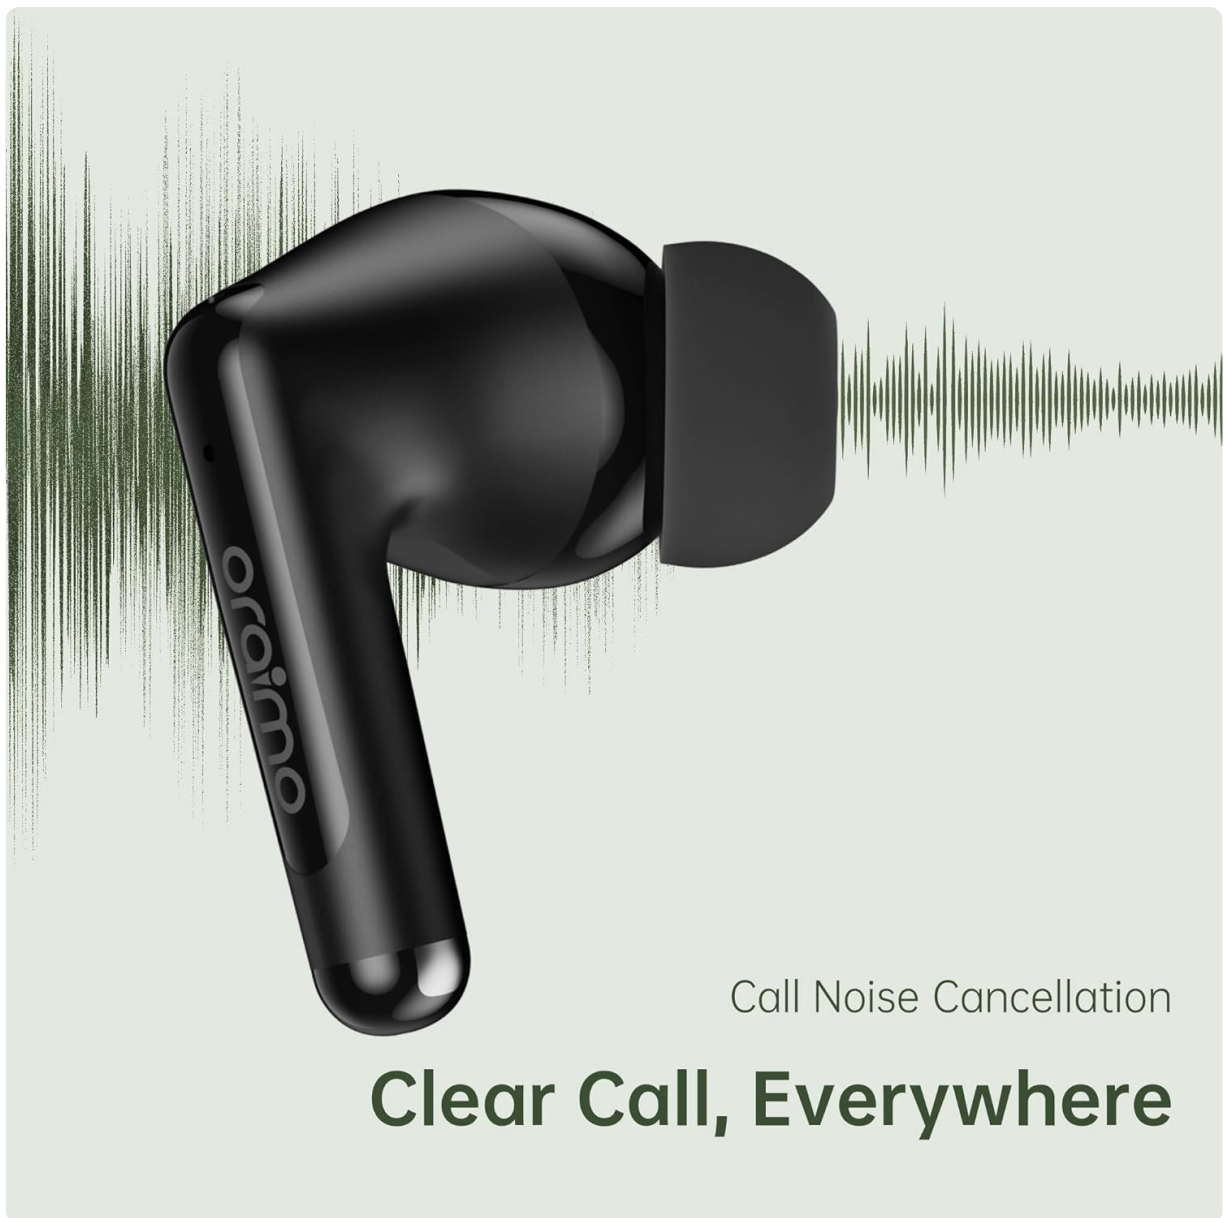

## Joyful Vibe, Days and Nights

Image: The Oraimo SpaceBuds Neo earbuds and their charging case, with a prominent "30h" graphic in the background, highlighting the 30-hour long playtime capability.

Enjoy up to 30 hours of total playtime with your Oraimo SpaceBuds Neo, including charges from the portable charging case. This extended battery life ensures your music accompanies you throughout your day.

**Clear Voice in Calls (2-mic ENC)**

Call Noise Cancellation

## Clear Call, Everywhere

Image: A close-up view of an Oraimo SpaceBuds Neo earbud, with sound wave patterns emanating from it, illustrating the call noise cancellation feature for clear conversations.

The dual-microphone Environmental Noise Cancellation (ENC) technology ensures your voice is transmitted clearly during calls, even in noisy environments. This feature automatically activates during phone calls.

### Effortless Control with App

Customize your listening experience using the dedicated Oraimo app. The app allows you to adjust settings, switch tracks, and manage various features of your SpaceBuds Neo directly from your smartphone. Download the Oraimo app from your device's app store.

### Immersive Game Mode

Activate the Immersive Game Mode via the Oraimo app to enhance in-game sounds. This mode reduces audio latency and provides a competitive advantage by delivering superior audio quality tailored for gaming.

## MAINTENANCE AND CARE

---

### IPX4 Waterproof Rating

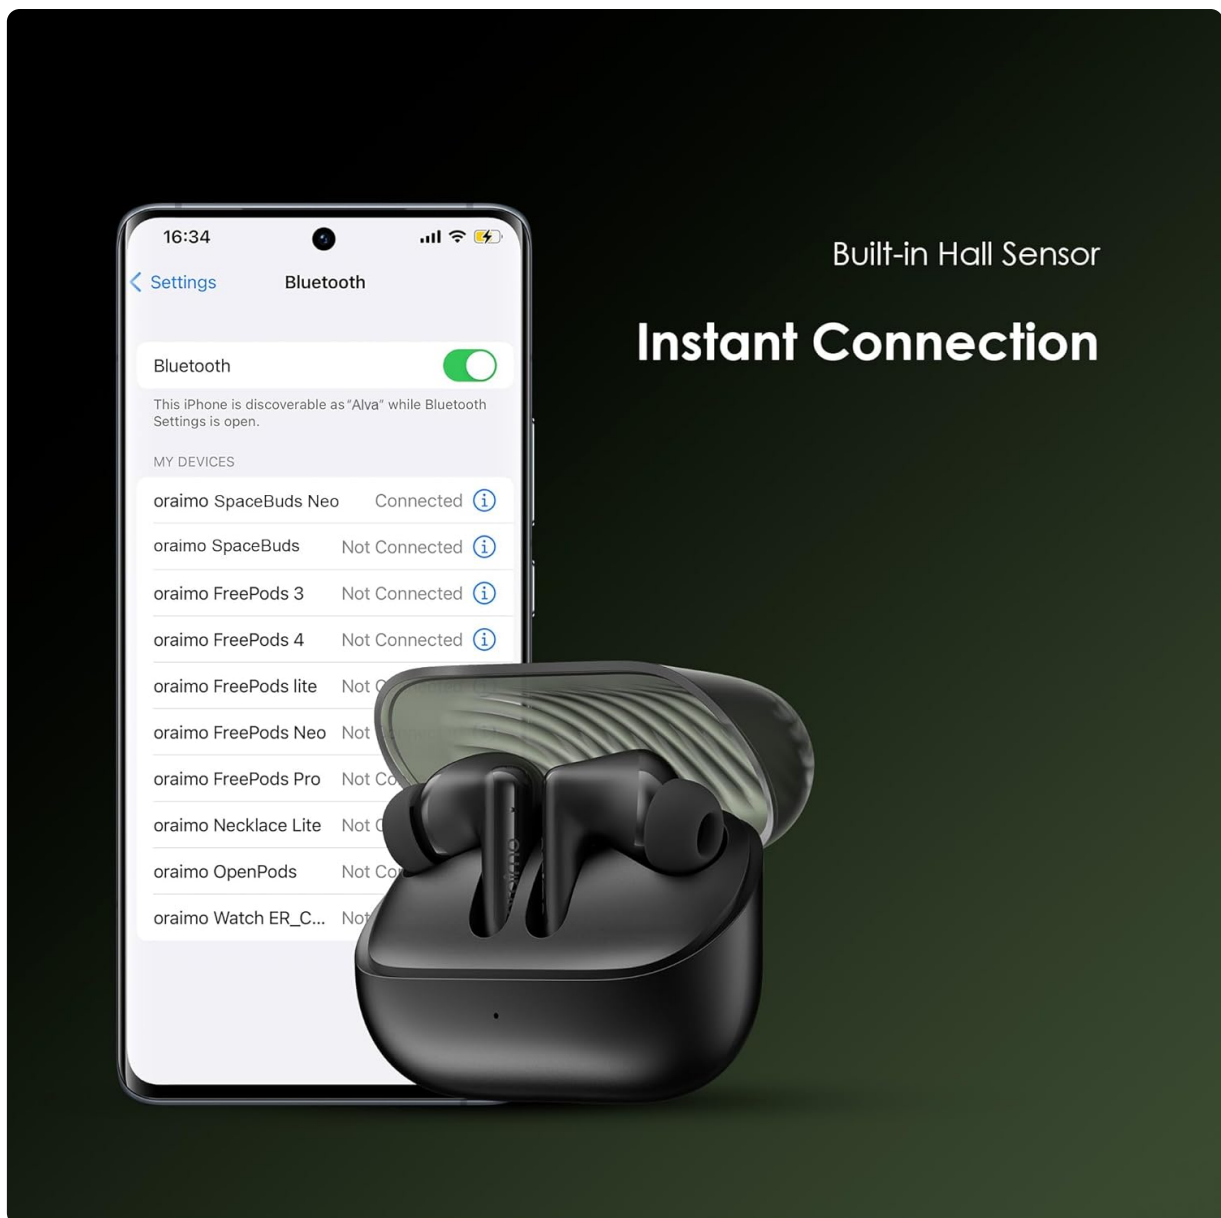

Image: The Oraimo SpaceBuds Neo earbuds surrounded by water droplets, signifying their IPX4 waterproof rating, suitable for resisting sweat and light splashes.

The Oraimo SpaceBuds Neo are IPX4 waterproof, meaning they are resistant to sweat and light splashes of water. This makes them suitable for workouts and outdoor activities. However, they are not designed for submersion in water or exposure to heavy rain.

## Cleaning

To maintain optimal sound quality and hygiene, regularly clean your earbuds and charging case. Use a soft, dry, lint-free cloth to wipe the surfaces. For ear tips, you may gently remove them and clean with a damp cloth, ensuring they are completely dry before reattaching.

Avoid using abrasive materials, alcohol, or chemical cleaners, as these can damage the product.

## TROUBLESHOOTING

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, close the lid, wait a few seconds, then open it again. Check your device's Bluetooth settings and try reconnecting. If issues persist, try resetting the earbuds (refer to the Welcome Guide for specific reset instructions).
- **No sound from one earbud:** Place both earbuds back into the charging case, close the lid, and then take them out again. Ensure they are properly charged.
- **Charging case not charging:** Verify the Type-C cable is securely connected to both the case and the power

source. Try a different cable or power adapter.

- **Poor sound quality:** Ensure the ear tips are properly sealed in your ear canal. Try different sized ear tips for a better fit. Clean any debris from the earbud nozzles.
- **Connection drops frequently:** Ensure your device is within the effective Bluetooth range (typically 10 meters/33 feet) and there are no significant obstructions between the earbuds and your device.
