## Oraimo OEB-311

# Oraimo NeckLite Wireless Neckband Earbuds User Manual

Model: OEB-311

## 1. INTRODUCTION

---

Thank you for choosing the Oraimo NeckLite Wireless Neckband Earbuds. This manual provides detailed instructions for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before use.

## 2. PACKAGE CONTENTS

---

Ensure all items are present in your package:

- Oraimo NeckLite Wireless Neckband Earbuds
- USB Charging Cable

- Eartips (various sizes)
- User Manual

### 3. PRODUCT OVERVIEW

---

The Oraimo NeckLite features a flexible neckband design with integrated controls and magnetic earbuds for secure storage. The control module typically includes power, volume, and multi-function buttons.

### 4. SETUP

---

#### 4.1 Charging the Earbuds

Before first use, fully charge the earbuds. Connect the provided USB charging cable to the charging port on the neckband and a power source. The indicator light will show charging status and turn off or change color when fully charged.

30-hour Long Playtime

# Play All Day

Enjoy 30 hours of music playback on a single charge. You can listen to your favorite music all day long without worrying about running out of battery.

Image 4.1: The Oraimo NeckLite Earbuds offer up to 30 hours of playtime on a single charge.

## 4.2 Bluetooth Pairing

1. Ensure the earbuds are powered off.
2. Press and hold the multi-function button until the indicator light flashes red and blue, indicating pairing mode.
3. Enable Bluetooth on your device (smartphone, tablet, etc.).
4. Search for "Oraimo NeckLite" in the list of available devices and select it to connect.
5. Once connected, the indicator light will typically flash blue slowly or turn solid blue.

## 4.3 Dual Device Connection

The Oraimo NeckLite supports connecting to two devices simultaneously. After pairing with the first device, put the earbuds back into pairing mode and connect to the second device. The earbuds will intelligently switch between devices for calls and audio playback.

# Dual Device Connection

## Freely Switch to Another Device

Necklace Lite can connect 2 devices at the same time.  
Never worry about missing the calls from another phone.

\*Long press the "0" and "+" buttons simultaneously to connect the second device, or activate it via the app.

Image 4.2: The earbuds can be connected to two devices, such as a smartphone and a tablet, simultaneously.

### 4.4 Oraimo Dedicated App

For enhanced control and customization, download the Oraimo dedicated app. The app allows you to adjust sound settings, switch tracks, and activate voice commands. Refer to the app for specific features and compatibility with your model.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 3 seconds.
- **Power Off:** Press and hold the multi-function button for approximately 5 seconds.

### 5.2 Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press and hold the Volume + button.
- **Previous Track:** Press and hold the Volume - button.

## 5.3 Call Management

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.
- **Call Vibration Alert:** The neckband will vibrate to notify you of incoming calls.

Image 5.1: The NeckLite features a high-frequency motor for call vibration alerts.

## 5.4 Volume Control

- **Increase Volume:** Press the Volume + button.
- **Decrease Volume:** Press the Volume - button.

## 5.5 Special Features

- **Sound360 Spatial Sound:** Experience an immersive 360-degree sound field.
- **2-Mic ENC (Environmental Noise Cancellation):** Filters out background noise for clear calls.
- **Immersive Game Mode:** Enhances in-game audio for a competitive edge.

Noise Cancellation in Calls

# Designed for Clear Voice

Necklace Lite is featured with proprietary noise-canceling algorithm and microphone, which helps reducing surrounding noise and providing clear voice in calls.

Image 5.2: The 2-Mic ENC technology ensures clear voice quality during calls by reducing surrounding noise.

## 6. MAINTENANCE

---

### 6.1 Cleaning

Wipe the earbuds and neckband with a soft, dry cloth. Do not use harsh chemicals or abrasive materials. Ensure the charging port is free of dust and debris.

### 6.2 Storage

Store the earbuds in a cool, dry place away from extreme temperatures and direct sunlight. The magnetic earbuds help prevent tangling when not in use.

### 6.3 IPX4 Waterproof Rating

The Oraimo NeckLite is IPX4 waterproof, meaning it is resistant to sweat, splashes, and light rain. It is not designed for submersion in water. Ensure the charging port cover is securely closed before exposure to moisture.

# IPX4 Waterproof

## Not Afraid of Sweat

Featuring an IPX4 waterproof rating and a nano-coating layer, oraimo Necklace Lite is designed to accompany you during gym sessions, workouts, runs, and any other activities that involve sweat.

Image 6.1: The IPX4 waterproof rating protects the earbuds from sweat and splashes.

## 7. TROUBLESHOOTING

---

If you encounter issues with your Oraimo NeckLite earbuds, refer to the following common solutions:

- **No Power:** Ensure the earbuds are fully charged.
- **Cannot Pair:** Make sure the earbuds are in pairing mode (flashing red and blue) and your device's Bluetooth is enabled. Try restarting both devices.
- **No Sound:** Check the volume levels on both the earbuds and your connected device. Ensure the earbuds are properly connected.
- **Poor Sound Quality/Intermittent Connection:** Move closer to your connected device to reduce interference. Ensure there are no obstacles between the earbuds and the device.
- **Call Quality Issues:** Ensure the microphone is not obstructed. The 2-Mic ENC feature helps, but extreme noise environments may still affect clarity.

If problems persist, consult the Oraimo customer support resources.
