YITAHOME MAYIHVPqvq

YITAHOME 32-inch Dog Crate Furniture with Wheels

Instruction Manual | Model: MAYIHVPqvq

1. PRODUCT OVERVIEW

The YITAHOME 32-inch Dog Crate Furniture is designed to serve as both a secure dog kennel and a functional piece of furniture, such as an end table or bedside cabinet. It features a rustic brown finish and is constructed from engineered wood with a sturdy metal frame. This model includes wheels for easy mobility and a unique top design for pet interaction.

Key Features:

- **Multi-Purpose Design:** Functions as a dog crate, end table, or bedside cabinet.
- **Interactive Top:** Features a recessed area on the top panel for easy interaction with your pet.
- **360° Lockable Wheels:** Allows for flexible placement and secure positioning.
- **Enhanced Resistant Design:** Sturdy top panel supports up to 200 lbs; smooth surfaces protect pets and simplify cleaning.
- **Durable Construction:** Made from engineered wood and a robust metal frame.

2. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep these instructions for future reference.

- Ensure all parts are securely fastened before allowing your pet to use the crate.
- Do not exceed the maximum weight capacity of 200 lbs on the top panel.
- Regularly check all screws and connections to ensure they remain tight.
- Keep small parts and packaging materials away from children and pets during assembly to prevent choking hazards.
- Place the crate on a level surface to prevent tipping.
- Always lock the wheels when the crate is in a stationary position to prevent accidental movement.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Wooden Panels (Top, Bottom, Sides, Back)
- Metal Frame Components
- Crate Doors with Latches
- Lockable Wheels (4x)
- Assembly Hardware (Screws, bolts, nuts, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly typically requires two or more people for faster and safer installation. Follow the numbered steps provided in the included diagrammatic instructions.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list to ensure everything is present.
2. **Assemble the Base Frame:** Connect the bottom metal frame pieces using the provided hardware.
3. **Attach Side Panels:** Secure the wooden side panels and metal frame uprights to the base.
4. **Install Doors:** Attach the crate doors to the designated openings using the hinges and ensure latches operate smoothly.
5. **Secure Top Panel:** Place and secure the top wooden panel onto the assembled frame.
6. **Attach Wheels:** Install the four lockable wheels to the bottom of the crate. Ensure they are securely tightened.
7. **Final Check:** Verify all screws and connections are tight and the structure is stable.

EASY AND FLEXIBLE MOBILITY

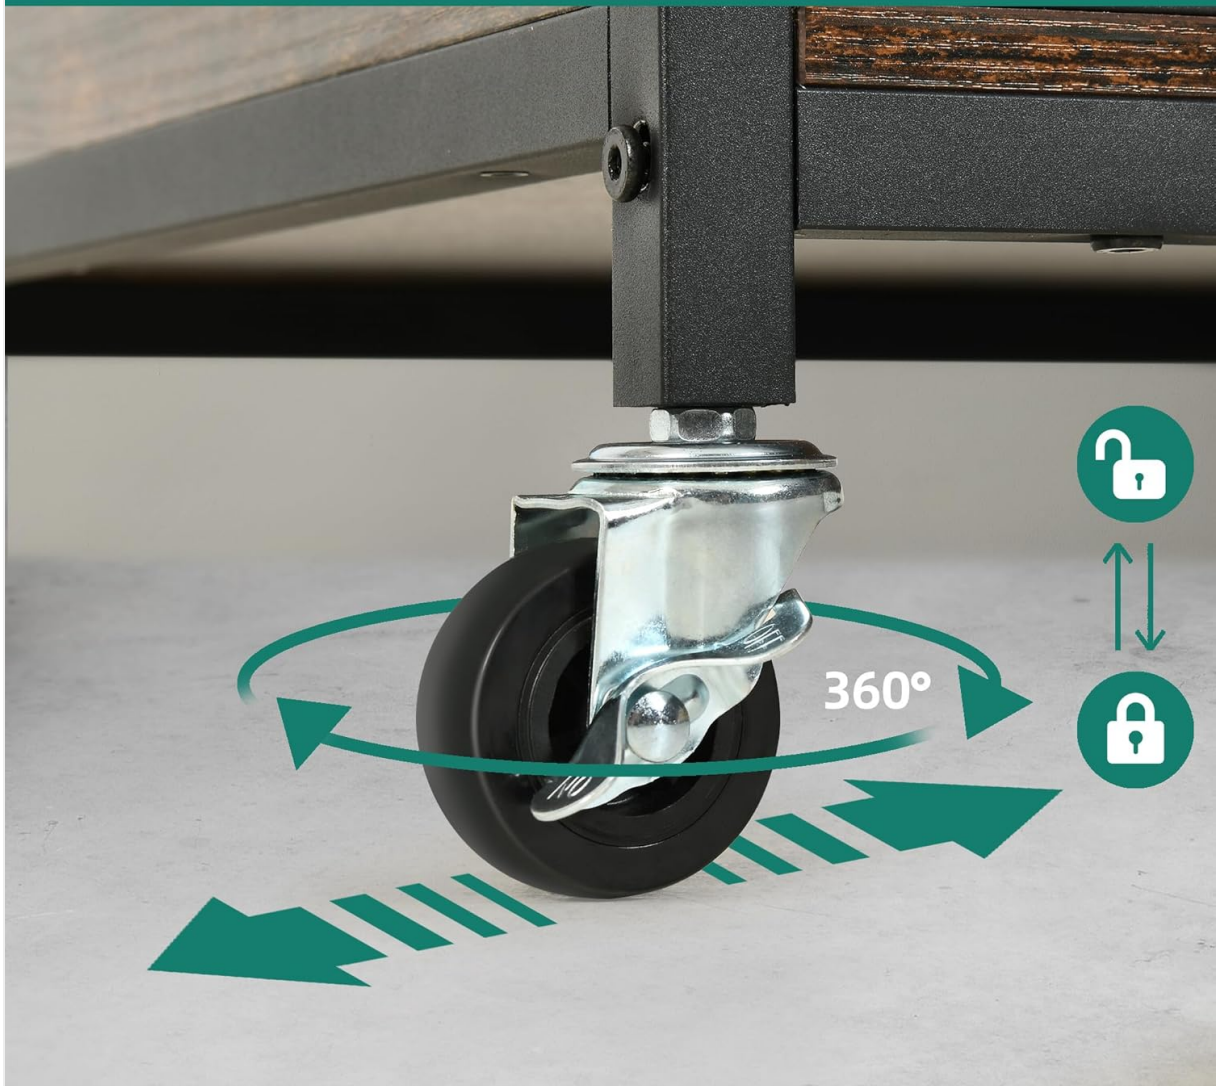

Image 4.2: Detail of the 360-degree rotating, lockable wheels, highlighting their easy and flexible mobility feature.

5. USAGE (OPERATING)

This dog crate furniture is designed for indoor use, providing a comfortable and secure space for your dog while also serving as a functional piece of home furniture.

- **Opening/Closing Doors:** Use the simple lock switches on the doors to open and close them. Ensure both latches are engaged when the doors are closed to secure your pet.
- **Positioning:** Utilize the 360° lockable wheels to easily move the crate to your desired location. Once positioned, press down on the wheel locks to prevent movement.
- **Pet Interaction:** The recessed top design allows for easy access to interact with your pet, offering a convenient way to provide treats or comfort without fully opening the crate.
- **Furniture Use:** The sturdy top surface can be used to place decorative items, books, or other household items, integrating the crate seamlessly into your living space.

DOUBLE DOOR DESIGN

Image 5.1: The double door design, illustrating how both doors can be opened for easy access to the interior of the dog crate.

6. CARE AND MAINTENANCE

Proper care and maintenance will extend the life of your YITAHOME dog crate furniture.

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and latches to ensure they are tight and secure. Tighten any loose hardware as needed.
- **Avoid Moisture:** Do not expose the engineered wood surfaces to excessive moisture or direct sunlight for prolonged periods, as this may cause warping or discoloration.
- **Pet Bedding:** Ensure your pet's bedding inside the crate is regularly cleaned and maintained for hygiene.

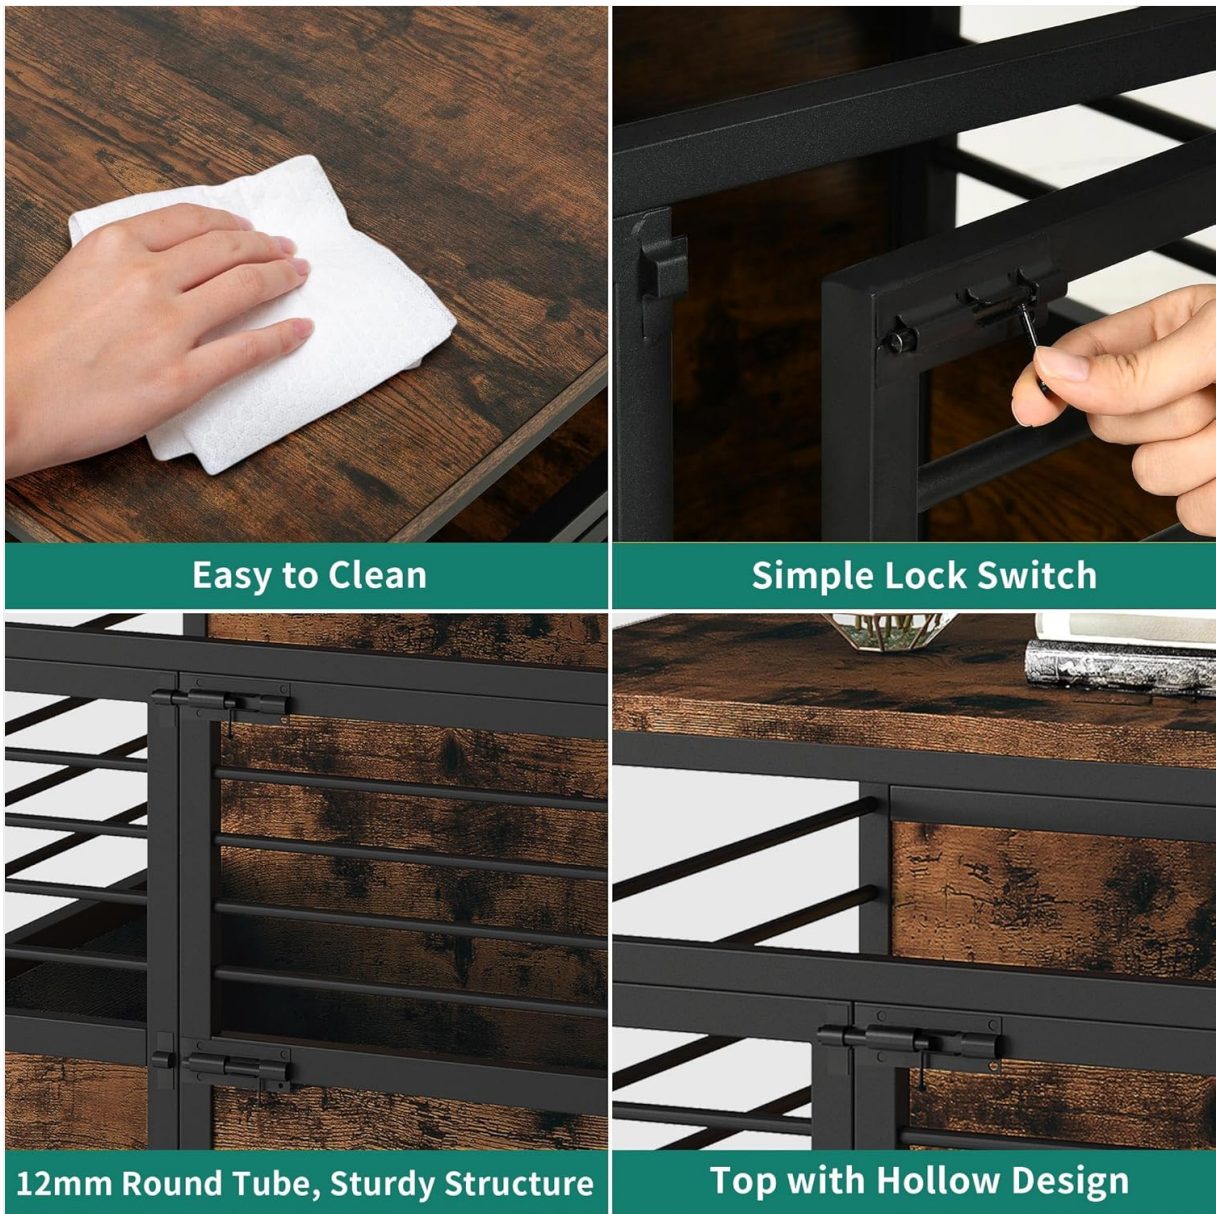

Image 6.1: Demonstrates the easy-to-clean surface, simple lock switch, sturdy 12mm round tube construction, and the top with hollow design for pet interaction.

7. TROUBLESHOOTING

If you encounter any issues with your dog crate furniture, refer to the following common solutions:

- **Crate is Wobbly:** Ensure all screws and bolts are fully tightened. Check that the crate is placed on a flat, even surface.
- **Doors Not Closing Properly:** Verify that the door hinges are correctly installed and not bent. Adjust the latches if necessary to ensure proper alignment.
- **Wheels Not Locking:** Confirm that the locking mechanism on each wheel is fully engaged. If a wheel is damaged, contact customer support for a replacement.
- **Missing Parts:** If any parts were missing upon unboxing, refer to the package contents list and contact customer support with the specific part numbers.
