Eviva EVVN666-84WH

Eviva Epic 84 in. White Double Sink Bath Vanity with Carrara Quartz Top Instruction Manual

Model: EVVN666-84WH

1. Introduction

This manual provides essential information for the safe installation, operation, and maintenance of your Eviva Epic 84-inch White Double Sink Bath Vanity with Carrara Quartz Top. Please read these instructions thoroughly before beginning installation or use, and retain this manual for future reference.

The Eviva Epic vanity is designed to enhance your bathroom with its elegant and functional features, including a durable solid wood construction, a stain-resistant Carrara Quartz countertop, and ample storage with soft-closing drawers and doors.

2. Safety Information

WARNING: Failure to follow these safety instructions could result in injury or property damage.

- Always use proper lifting techniques when handling the fully assembled cabinet. The vanity is heavy (approximately 469 pounds) and requires multiple individuals for safe movement.
- Be aware of potential pinch points and hazards during installation, especially when positioning the vanity or working with drawers and doors.
- Always follow the manufacturer's instructions for safe installation and use of all components, including plumbing fixtures (faucets not included).
- Ensure all plumbing connections are secure and leak-free before regular use.
- Do not stand or climb on the vanity.

3. Package Contents

Carefully unpack all components and verify that all items are present and undamaged. If any items are missing or damaged, contact Eviva customer support immediately.

- Eviva Epic 84-inch Vanity Cabinet (Pre-assembled)
- White Carrara Quartz Countertop (Pre-drilled for 3-hole 8" widespread faucet)
- Undermount White Porcelain Sinks (2 units)
- Drawer Handles (Brushed Nickel and Gold options included)
- Door Knobs (Brushed Nickel and Gold options included)

Note: Faucets and mirrors are not included and must be purchased separately.

Image 3.1: Visual representation of items included and not included with the vanity.

4. Setup and Installation

The Eviva Epic vanity arrives pre-assembled for ease of installation. However, professional installation is recommended due to the weight and plumbing requirements.

4.1. Pre-Installation Checks

- Verify that the installation area is level and structurally sound to support the vanity's weight.
- Ensure rough-in plumbing is correctly positioned for the double sinks and 8-inch widespread faucets.
- Confirm adequate space for the vanity dimensions: 22"D x 84"W x 33.8"H.

Image 4.1: Key dimensions of the Eviva Epic 84-inch vanity: 84 inches wide, 22 inches deep, and 34 inches high.

4.2. Positioning the Vanity

- With assistance, carefully lift and position the vanity cabinet into its desired location.
- The vanity features an open back design to facilitate easy plumbing connections.
- Level the vanity using shims if necessary to ensure stability and proper drainage.

Image 4.2: The pre-assembled vanity with its back panel designed for easy plumbing access.

4.3. Faucet and Drain Installation

- Install your chosen 8-inch widespread faucets into the pre-drilled holes on the Carrara Quartz countertop.
- Connect the drain assemblies to the undermount porcelain sinks.
- Connect the water supply lines and drain pipes according to local plumbing codes. Ensure all connections are watertight.

Image 4.3: The Carrara Quartz Top and brushed nickel handles, with open drawers and doors revealing storage.

5. Operating Instructions

5.1. Using Drawers and Doors

- The vanity features 9 soft-closing solid pine wood dovetail drawers and 4 doors with spacious shelves.
- To open a drawer or door, gently pull on the handle or knob.
- To close, push gently until the soft-closing mechanism engages, allowing the drawer or door to close smoothly and quietly. Avoid forcing them shut.

Image 5.1: Detail of the soft-closing and dovetail construction of the vanity drawers.

5.2. Hardware Customization

The vanity includes both brushed nickel and gold hardware (drawer handles and door knobs). You can easily swap these to match your bathroom decor. Use a screwdriver to remove and replace the hardware.

6. Maintenance

6.1. Carrara Quartz Countertop Care

- The Carrara Quartz countertop is stain-resistant and low-maintenance.
- Clean daily with a soft cloth and mild soap and water.
- Avoid abrasive cleaners, harsh chemicals, or acidic substances (e.g., lemon juice, vinegar) as these can damage the surface over time.
- Wipe up spills immediately to prevent potential staining, although quartz is highly resistant.

Image 6.1: Close-up of the sink with overflow and the vanity's highly water-resistant finish.

6.2. Cabinet and Finish Care

- The vanity features a highly water-resistant painted finish.
- Wipe the cabinet surfaces with a soft, damp cloth. Dry immediately to prevent water spots.
- Avoid using harsh chemicals, ammonia-based cleaners, or abrasive pads on the cabinet finish.
- Periodically check all hardware (handles, knobs, hinges) for tightness and tighten if necessary.

6.3. Sink Care

- Clean the porcelain sinks with mild soap and water.
- Avoid abrasive cleaners or scouring pads that can scratch the porcelain surface.

7. Troubleshooting

Problem	Possible Cause	Solution
Drawers do not close softly or smoothly.	Obstruction in drawer slide; debris in mechanism; drawer overloaded.	Remove drawer and check slides for obstructions. Clean any debris. Reduce load in drawer.
Water leaks from plumbing connections.	Loose connections; improper sealant; damaged O-rings/gaskets.	Tighten all connections. Apply plumber's putty or thread sealant as needed. Replace damaged components. Consult a professional plumber if necessary.
Vanity appears unstable or wobbly.	Uneven floor; improper leveling.	Use shims under the vanity base to level it. Ensure the vanity is securely positioned against the wall if applicable.
Countertop appears stained or discolored.	Exposure to harsh chemicals; prolonged contact with staining agents.	Clean immediately with mild soap and water. For stubborn stains, consult a professional stone cleaner. Avoid harsh chemicals.

8. Specifications

Feature	Detail
Brand	Eviva
Model Name	Epic 84 White Double Sink
Item Model Number	EVVN666-84WH
