

Joie Basil

Joie Basil Highback and Backless Booster Car Seat User Manual

Model: Basil

INTRODUCTION

The Joie Basil Highback and Backless Booster Car Seat is designed to provide enhanced safety and comfort for children aged 4 to 12 years, or weighing between 40 and 120 pounds. This versatile 2-in-1 design allows for seamless transition from a highback booster to a backless booster, adapting to your child's growth and needs. It features adjustable components and user-friendly installation to ensure a secure and comfortable ride.

Image: The Joie Basil Highback and Backless Booster Car Seat in crimson color, showcasing its full highback configuration.

KEY FEATURES

- **Enhanced Security:** Lifts your child to position the vehicle seat belt perfectly across their hips and shoulders. Adjustable lower anchor attachments secure the seat firmly in place, while belt guides make buckling up straightforward and error-free.
- **Comfort & Protection:** A cushioned headrest with additional side impact protection keeps your child cozy and secure. Padded armrests add extra comfort for those long road trips or quick errands.
- **Adjustable Fit:** The one-hand, 7-position headrest adapts to your child's growing needs, ensuring a snug fit as they grow.
- **Easy Maintenance:** The removable cover can be easily taken off for cleaning – just shake out crumbs and toss it in the washing machine for a fresh, clean seat.
- **Convenient Design:** Two easy-clean cup holders keep snacks, drinks, and toys within reach. At just approx. 9 lbs., this lightweight booster is simple to transfer between vehicles.

Image: A diagram highlighting the key features of the Joie Basil booster, including its highback to backless conversion, 7-position headrest, optional LATCH connectors, and two cupholders.

SETUP AND INSTALLATION

Highback Booster Installation

To install the Joie Basil as a highback booster, place the seat firmly against the vehicle's seat back. Utilize the adjustable lower anchor attachments (LATCH) to secure the booster to your vehicle's LATCH system. Ensure the booster is snug and does not move excessively. Route the vehicle's lap and shoulder belt through the designated belt guides on the booster seat, ensuring the lap belt lies low across the child's hips and the shoulder belt crosses the center of their shoulder and chest.

Image: Side view of the Joie Basil highback booster car seat, showing its full configuration and LATCH attachment points.

Converting to Backless Booster

The Joie Basil booster can be converted to a backless booster for older children. To convert, follow the instructions in your detailed product manual for detaching the backrest from the booster base. Once detached, the base can be used independently. Ensure the backless booster is placed securely on the vehicle seat and the child is properly restrained using the vehicle's lap and shoulder belt, with the lap belt positioned low on the hips and the shoulder belt across the center of the shoulder and chest.

Image: Side view of the Joie Basil backless booster car seat, illustrating its compact form when the backrest is removed.

OPERATING INSTRUCTIONS

Child Placement and Securing

Ensure your child is seated comfortably and correctly in the booster seat. Guide the vehicle's lap belt across your child's upper thighs, low on the hips, and the shoulder belt across the center of their shoulder and chest. The belt should fit snugly without any slack or twists. Always check the fit every time your child is buckled in.

Image: A child smiling while seated in the Joie Basil highback booster car seat, with an adult ensuring proper seat belt positioning.

Image: A child smiling while seated in the Joie Basil backless booster car seat, demonstrating proper seat belt usage.

Headrest Adjustment

The headrest features a one-hand, 7-position adjustment mechanism. To adjust, locate the adjustment lever or button, typically at the top or back of the headrest. Squeeze or press the mechanism and slide the headrest up or down to the desired height. Ensure the headrest is positioned so that the shoulder belt guide is slightly above your child's shoulders, allowing the vehicle's shoulder belt to rest correctly across their chest.

Using Cup Holders

The booster seat is equipped with two integrated cup holders. These are designed to hold drinks, snacks, or small toys within your child's reach. They are easy to clean and can be wiped down as needed.

MAINTENANCE

Regular cleaning of your Joie Basil booster seat is recommended to maintain hygiene and appearance. The fabric cover

is removable and machine washable. Refer to the care label on the fabric for specific washing instructions. For spills or crumbs, simply shake out the seat or wipe down surfaces with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners.

TROUBLESHOOTING

Seat Belt Fit Issues

If the vehicle seat belt buckle interferes with the booster seat's strap adjustment button, or if the seat belt loosens during use, ensure the booster seat is installed correctly and securely. Verify that the LATCH attachments are fully engaged. Re-route the vehicle seat belt to ensure it is not obstructed by any part of the booster seat or its mechanisms. If issues persist, consult your vehicle's owner's manual for specific seat belt routing recommendations for booster seats, or contact Joie customer support.

General Fit and Comfort

If your child appears uncomfortable or the seat seems too small, ensure the headrest is adjusted to the correct height. For children at the lower end of the weight/height range, the highback configuration is generally recommended for optimal support and belt positioning. For larger children, the backless booster may provide more space while still ensuring proper belt fit. Always ensure the child meets the minimum weight and height requirements for the booster seat.

PRODUCT SPECIFICATIONS

Specification	Value
Product Dimensions	18.4 x 18.6 x 33.5 inches
Minimum Weight Recommendation	40 Pounds
Maximum Weight Recommendation	120 Pounds
Material Type	Polyester
Material Composition	Breathable Fabrics
Number of Reclining Positions	7 (Headrest Adjustment)
Batteries Required	No
Orientation	Forward Facing
Item Weight	8.98 pounds
Installation Type	Vehicle seat belt, LATCH
Color	Crimson

WARRANTY AND SUPPORT

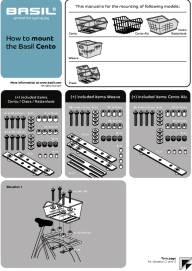

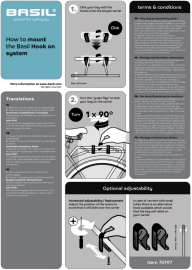

For specific warranty information regarding your Joie Basil Highback and Backless Booster Car Seat, please refer to the documentation included with your product at the time of purchase. Joie products are designed with quality and safety in mind. For any questions, technical assistance, or support, please visit the official Joie website or contact Joie customer

service directly. You can also find more information and products from Joie by visiting the [Joie Store on Amazon](#).
