Reobrix U-Boat Factory Submarine 66038 Building Block Set Instruction Manual

Model: 66038

1. INTRODUCTION

Thank you for choosing the Reobrix U-Boat Factory Submarine 66038 Building Block Set. This manual provides detailed instructions for assembling, operating, and maintaining your model. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

2. PRODUCT OVERVIEW

The Reobrix U-Boat Factory Submarine 66038 is an intricate building block set designed for enthusiasts aged 14 and up. This model features a unique U-Boat Factory theme, functioning as both a detailed submarine display and a creative bookend. It includes a built-in lighting system and a detachable submarine for versatile display options.

3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included printed manual. The building blocks are organized into numbered bags to correspond with the assembly stages. Ensure all pieces are securely connected to maintain the model's structural integrity.

3.1. Unpacking and Preparation

- Carefully open the packaging and remove all contents.
- Verify that all numbered bags of building blocks and the instruction manual are present.
- Prepare a clean, flat, and well-lit workspace to prevent loss of small parts.

3.2. Building the Factory Structure

Begin by assembling the main factory structure according to the manual. Pay close attention to the details of the internal mechanisms and wall panels.

4. OPERATING INSTRUCTIONS

4.1. LED Lighting System

The built-in LED lights are controlled by an independent switch. Locate the switch (refer to the detailed manual for exact placement) and toggle it to turn the lights on or off. The lighting simulates the interior of a submarine cabin, enhancing the display.

4.2. Folio Design Functionality

The model can be displayed in two primary modes:

- **Closed Bookend Mode:** When folded, the model functions as a sturdy bookend, integrating seamlessly into a bookshelf.
- **Open Display Mode:** Unfold the structure to reveal the full U-Boat factory interior and the submarine model, allowing for multi-angle viewing of its intricate details.

5. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the model. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic blocks.
- **Handling:** Handle the model with care, especially when moving or adjusting its display configuration, to prevent accidental detachment of parts.

6. TROUBLESHOOTING

6.1. Missing or Damaged Parts

If you discover any missing or damaged parts during assembly, please contact Reobrix customer support with your purchase details and a description of the issue. Do not attempt to force ill-fitting parts.

6.2. Loose Connections

If parts feel loose, ensure they are pressed firmly together until a secure connection is made. Refer to the instruction manual to double-check the correct placement and orientation of the blocks.

6.3. LED Lights Not Functioning

Check the battery installation (if applicable) and ensure the power switch is in the 'on' position. If issues persist, contact customer support.
