HOMCOM 831-566V00ND

HOMCOM 6-Drawer Chest of Drawers Instruction Manual

Model: 831-566V00ND | Brand: HOMCOM

Introduction

Thank you for choosing the HOMCOM 6-Drawer Chest of Drawers. This manual provides essential information for the safe assembly, proper use, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

Safety Information

Your safety is paramount. Please observe the following safety guidelines during assembly and use:

- **Anti-Tipping Device:** This chest of drawers is equipped with an anti-tipping device. It is crucial to secure the unit to the wall using this device to prevent accidental tipping, especially in households with children.
- **Weight Limits:** Do not exceed the recommended weight limits. The maximum recommended load is 50 kg total, 20 kg for the top surface, and 5 kg per drawer. Overloading can compromise stability and safety.
- **Stable Placement:** Always place the chest on a flat, level, and stable surface.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened securely before use. Periodically check and re-tighten fasteners as needed.

- **Children:** Do not allow children to climb on or play with the chest of drawers. Keep small parts away from children during assembly.

Package Contents

Before starting assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- All engineered wood panels for the frame and drawers.
- 6 drawer slides (left and right pairs).
- Assembly hardware (screws, dowels, cam locks, etc.).

- Anti-tipping hardware (strap, screws, wall anchors).
- Instruction manual.

Setup and Assembly

Assembly of your HOMCOM chest of drawers requires careful attention to detail. We recommend having at least two people for assembly. Please follow these general steps:

1. **Prepare Your Workspace:** Clear a spacious, clean, and well-lit area. Lay out all components and hardware.
2. **Identify Parts:** Match each part to the corresponding labels in the assembly diagram (refer to your physical manual for detailed diagrams).
3. **Assemble the Frame:** Begin by assembling the main frame of the chest, connecting the side panels, top, and bottom.
4. **Install Drawer Slides:** Attach the drawer slides to the inner sides of the frame according to the instructions.
5. **Assemble Drawers:** Construct each of the six drawers, ensuring the bottom panels are securely seated and the drawer slides are attached correctly.
6. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots in the frame.
7. **Attach Anti-Tipping Device:** Securely fasten the anti-tipping device to the back of the chest and then to a wall stud or appropriate wall anchor.
8. **Final Check:** Ensure all screws and fasteners are tight and the chest is stable.

Operating Instructions

Using your HOMCOM 6-Drawer Chest of Drawers is straightforward. Follow these guidelines for optimal use:

- **Opening and Closing Drawers:** Gently pull and push the drawers to open and close them. Avoid forcing drawers, as this can damage the slides.
- **Weight Distribution:** Distribute items evenly within the drawers to maintain balance and prevent strain on the drawer slides. Avoid placing excessively heavy items in a single drawer.
- **Top Surface Use:** The top surface can hold up to 20 kg. It is suitable for decorative items, lamps, or small electronics. Do not sit or stand on the chest.
- **Drawer Organization:** Utilize the six drawers (four full-length, two smaller) to organize clothing, accessories, or

other personal items efficiently.

Care and Maintenance

Proper care will extend the life and appearance of your HOMCOM chest of drawers:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the engineered wood finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood finish.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.

- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary.

Product Specifications

Model Number	831-566V00ND
Brand	HOMCOM
Overall Dimensions (L x W x H)	80 cm x 39 cm x 115 cm
Material	Engineered Wood
Color	Natural Wood
Number of Drawers	6
Total Weight	39 kg
Max. Load Capacity (Total)	50 kg
Max. Load Capacity (Top Surface)	20 kg

Troubleshooting

If you encounter any issues with your chest of drawers, please refer to the following common problems and solutions:

- **Wobbly or Unstable:**
  - Ensure all assembly screws and fasteners are fully tightened.
  - Verify the chest is placed on a level surface. Adjust floor glides if present.

- Confirm the anti-tipping device is securely installed.

- **Drawers Not Closing Smoothly:**
  - Check that drawer slides are correctly aligned and installed on both the drawer and the frame.
  - Ensure no items inside the drawer are obstructing its movement.
  - Verify the drawer is not overloaded.

- **Missing Parts:**
  - Carefully re-check all packaging materials.
  - Contact HOMCOM customer support with your model number and a description of the missing part.

Warranty and Support

For warranty information, please refer to the terms and conditions provided at the time of purchase or contact your retailer. If you require assistance with assembly, missing parts, or have any questions regarding your HOMCOM 6-Drawer Chest of Drawers, please contact HOMCOM customer support directly.
You can often find support contact details on the HOMCOM official website or through your purchase platform.
