HOMCOM CA837-260V81WT0231

HOMCOM Narrow Shoe Cabinet Instruction Manual

Model: CA837-260V81WT0231

INTRODUCTION

Thank you for choosing the HOMCOM Narrow Shoe Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new shoe storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

The HOMCOM Narrow Shoe Cabinet, featuring three slatted doors and a white finish, designed for efficient shoe storage in entryways or hallways.

SAFETY INFORMATION

To ensure safe use of this product, please adhere to the following guidelines:

- **Anti-Tipping Hardware:** Always install the provided anti-tipping hardware to secure the cabinet to a wall. This prevents accidental tipping, which can cause serious injury.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 132 lbs (60 kg) for the entire unit. Distribute weight evenly across shelves.
- **Assembly:** Follow all assembly instructions precisely. Ensure all fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Placement:** Place the cabinet on a flat, stable, and level surface.
- **Children:** Keep children away from the assembly area. Do not allow children to climb on or play with the cabinet.

ANTI-TIPPING HARDWARE

Provides added safety

Illustration of the anti-tipping hardware, which must be securely installed to prevent the cabinet from tipping over.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the parts list included in your assembly guide. If any components are missing or damaged, contact customer support immediately.

SPECIFICATIONS

Brand	HOMCOM

Colour	White
Product Dimensions	114 cm (W) x 33 cm (D) x 100 cm (H) / 44.9" W x 13" D x 39.4" H
Maximum Weight Capacity	132 lbs (60 kg) (total)

Material	Engineered Wood
Item Weight	44 kg
Storage Capacity	Up to 20 pairs of shoes

Detailed dimensions of the shoe cabinet for planning placement.

SETUP AND ASSEMBLY

- Assembly of the HOMCOM Narrow Shoe Cabinet is required. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. It is recommended to have two people for assembly.
- Prepare Workspace:** Clear a spacious, clean area for assembly. Lay out all components and hardware.
 - Follow Instructions:** Refer to the detailed diagrams and instructions in your assembly guide. Do not skip steps.
 - Secure Fasteners:** Ensure all screws, dowels, and other fasteners are tightened securely. Avoid over-tightening to prevent damage to the engineered wood.
 - Hinge Adjustment:** The door hinges can be slightly adjusted during assembly to ensure proper alignment of the three

doors. Refer to the assembly guide for specific hinge adjustment instructions.

5. **Install Anti-Tipping Hardware:** This is a critical safety step. Securely attach the anti-tipping hardware to the back of the cabinet and to a wall stud or appropriate anchor point.

Detail of the door hinge, which can be adjusted for proper door alignment.

OPERATING INSTRUCTIONS

This shoe cabinet is designed for organized and ventilated shoe storage.

- **Shoe Storage:** Open the slatted doors to access the interior shelves. Place shoes neatly on the shelves. The cabinet can hold up to 20 pairs of shoes, depending on shoe size and type.
- **Adjustable Shelves:** The internal shelves are adjustable. To change shelf height, remove the shelf and reposition the shelf pins into the desired holes. This allows accommodation for different shoe sizes, including boots or taller footwear. Ensure shelves are inserted at a slight downward angle for proper fit, as noted in customer feedback.
- **Ventilation:** The slatted door design promotes air circulation, helping to ventilate shoes and reduce odor and dirt accumulation inside the cabinet.

- **Top Surface:** The flat top surface can be used to display small decorative items, photo albums, or to temporarily place keys and other small belongings. Do not place heavy items on the top surface.

SLATTED DOORS

Keep your shoes inside ventilated from odor and dirt

The cabinet offers ample storage with five tiers of shelving for various shoe types.

ADJUSTABLE SHELVES

Accommodate your different-sized shoes

The shelves are adjustable to accommodate different shoe heights.

Slatted doors provide ventilation to keep shoes fresh.

MAINTENANCE

Proper care will extend the life and appearance of your shoe cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Moisture:** Do not expose the cabinet to excessive moisture or humidity, as this can cause swelling or warping of the engineered wood.
- **Protect from Scratches:** Use coasters or protective pads under items placed on the top surface to prevent scratches.

TROUBLESHOOTING

If you encounter issues with your shoe cabinet, refer to the following common solutions:

- **Doors Not Aligning:** If the doors appear uneven or do not close properly, adjust the hinges. Refer to the assembly manual for detailed hinge adjustment instructions.
- **Shelves Do Not Fit:** Ensure shelves are inserted correctly. They may need to be placed at a slight downward angle to fit properly within the cabinet. Do not force shelves into place.
- **Wobbling Cabinet:** Check that the cabinet is placed on a level surface. Ensure all assembly fasteners are securely tightened. Verify that the anti-tipping hardware is correctly installed and secured to the wall.
- **Paint Chipping:** Engineered wood finishes can be susceptible to chipping if mishandled. Handle the cabinet with care during assembly and use. For minor chips, touch-up paint may be used.
- **Missing Parts:** If any parts were missing upon delivery, contact customer support for replacements.

WARRANTY AND SUPPORT

This HOMCOM product is eligible for return or refund within 30 days of receipt, subject to the retailer's return policy. For any product-related inquiries, missing parts, or assistance, please contact Aosom Canada customer support.

- **Manufacturer:** Aosom Canada
