Maintenance

To maintain the appearance and longevity of your Tribesigns Conference Table, follow these care instructions:

- For general cleaning, wipe the surface with **adamp cloth**.
- Immediately follow with a **dry cloth** to prevent moisture damage.
- Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- Protect the surface from direct heat and sharp objects.

Troubleshooting

- **Table is wobbly:** Check that all assembly screws are tightened. Use the adjustable foot pads on each leg to level the table on uneven floor surfaces.
- **Surface scratches:** Minor scratches can sometimes be minimized with wood repair kits or markers matching the oak finish. For deeper damage, professional repair may be required.

- **Difficulty assembling:** Re-read the assembly guide carefully. Ensure all parts are correctly oriented as shown in the diagrams. If issues persist, contact customer service.
