HOMCOM 83B-268V00CG

HOMCOM 2.6 Gallon Outdoor Cooler Side Table

Model: 83B-268V00CG

Introduction

Thank you for choosing the HOMCOM 2.6 Gallon Outdoor Cooler Side Table. This versatile 3-in-1 product functions as an outdoor cooler, a convenient side table, and a storage box. Designed for durability and ease of use, it enhances your outdoor living spaces. Please read this manual thoroughly before use to ensure proper operation and maintenance.

Product Features

- **2.6 Gallon Stainless Steel Ice Bucket:** Keeps beverages chilled for up to 4 hours. The bucket is removable and features a handle for easy refilling and cleaning.
- **3-in-1 Versatility:** Functions as an ice cooler, a storage box (when the ice bucket is removed), and a patio side table (with the lid on).
- **Modern Concrete Design:** Features graceful curves and an authentic finish, complementing various outdoor decors.
- **Adjustable Foot Pads:** Four adjustable foot pads ensure stability on uneven surfaces.
- **Durable Construction:** Made with concrete for the frame and top, and stainless steel for the handle, designed for outdoor use.

This image illustrates the three primary functions of the product: an ice cooler, a side table, and a storage box.

Setup (Assembly)

This HOMCOM Outdoor Cooler Side Table requires **no assembly**. It is ready for use directly out of the packaging.

Adjusting for Stability

The table is equipped with four adjustable foot pads. To ensure maximum stability on uneven outdoor surfaces:

1. Place the table in your desired location.
2. Gently rock the table to identify any wobbling.
3. Adjust the height of the individual foot pads by rotating them clockwise or counter-clockwise until the table is level and stable.

This image shows the adjustable foot pads, which can be rotated to stabilize the table on various surfaces.

Operating Instructions

Using as an Ice Cooler

1. Remove the lid from the top of the table.
2. Lift the stainless steel ice bucket out using its handle.
3. Fill the ice bucket with ice and your desired beverages.
4. Place the filled ice bucket back into the table's cavity.
5. Replace the lid to help maintain the temperature of the contents.

The 2.6-gallon capacity ice bucket is designed to keep drinks cool for up to 4 hours.

This image demonstrates filling the 2.6-gallon ice bucket with beverages and ice.

Using as a Side Table

To use the product as a side table, ensure the lid is securely placed on top of the unit. The flat surface provides a stable area for drinks, snacks, or decorative items.

Using as a Storage Box

When the ice bucket is not in use, it can be removed to create an internal storage compartment within the table. This space can be used to store small outdoor items, cushions, or toys, keeping your patio tidy.

Maintenance and Care

- **Cleaning the Exterior:** Wipe the concrete exterior with a dry cloth to remove dust and debris. For stubborn dirt, a damp cloth with mild soap can be used, followed by drying thoroughly.
- **Cleaning the Ice Bucket:** The stainless steel ice bucket should be emptied and rinsed with water after each use. For thorough cleaning, use warm soapy water and a soft sponge, then dry completely to prevent water

spots or corrosion.

- **Stain Resistance:** The table is designed to be stain resistant. However, promptly clean any spills to maintain its appearance.
- **Storage:** While designed for outdoor use, storing the table in a covered area during harsh weather conditions or off-season can extend its lifespan.

Troubleshooting

Table Wobbles

If the table wobbles on an uneven surface, adjust the four foot pads located at the base of the table until it is stable. Refer to the "Adjusting for Stability" section under Setup for detailed instructions.

Ice Melts Quickly

Ensure the lid is securely placed on the table when using it as a cooler. The ice retention is tested for up to 4 hours under normal conditions. Extreme heat or frequent opening of the lid may reduce this duration.

Specifications

Feature	Detail
Model Number	83B-268V00CG
Overall Dimensions	14.8" Diameter x 17.1" Height
Ice Bucket Dimensions	10.8" Diameter x 11.6" Height
