# Scentiment Diffuser Mini 2 User Manual

Model: Scent\_Diffuser\_V2\_Black\_Top3

## 1. INTRODUCTION

Thank you for choosing the Scentiment Diffuser Mini 2. This portable cold-air aroma diffuser is designed to disperse fragrance oils into your environment without the need for water or heat. It features smart app control, a rechargeable battery, and is suitable for various spaces.

The Diffuser Mini 2 utilizes advanced cold-air diffusion technology to create a dry nano-mist, preserving the natural properties of fragrance oils and providing consistent scent coverage. Its design prioritizes safety, making it suitable for environments with children and pets.

This manual provides instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your device.

## 2. SAFETY INFORMATION

Please read all safety instructions before using the Scentiment Diffuser Mini 2. Retain this manual for future reference.

- Use only Scentiment-approved fragrance oils. Using other oils may damage the device or void the warranty.
- Keep the device away from water and moisture. Do not immerse in liquids.
- Ensure the device is placed on a stable, flat surface.
- Do not block the mist outlet during operation.
- Keep out of reach of small children and pets to prevent accidental ingestion of oils or damage to the device.
- Unplug the device before cleaning or when not in use for extended periods.
- Do not attempt to disassemble or repair the device yourself. Contact customer support for assistance.
- Use only the provided charging cable.

# SAFE FOR PETS & KIDS

## 5. SETUP

Follow these steps to set up your Scentiment Diffuser Mini 2:

1. **Charge the Device:** Before first use, fully charge the diffuser using the provided USB cable. The indicator light will show charging status.
2. **Access Fragrance Vessel:** Gently lift the top cover of your Scentiment Diffuser Mini 2 to reveal the fragrance oil compartment.
3. **Prepare Fragrance Oil:** If using a new Scentiment fragrance oil bottle, remove its cap. If refilling, carefully remove the empty bottle from the diffuser and fill it with your preferred Scentiment fragrance oil, or attach a new 20mL Scentiment fragrance oil bottle directly.
4. **Insert Bottle:** Insert the fragrance oil bottle securely into the diffuser's compartment. Ensure it is seated correctly and the lid is attached firmly.
5. **Power On:** Replace the top cover. Press the power button to turn on the device. The indicator light will illuminate.
6. **Connect to App:** Download the Scentiment App from your device's app store. Follow the in-app instructions to connect your diffuser via Wi-Fi and Bluetooth for advanced control and customization.

## 6. OPERATING THE DIFFUSER

The Scentiment Diffuser Mini 2 can be operated directly or through the Scentiment App.

### 6.1 Manual Operation

- **Power On/Off:** Press the power button once to turn the device on or off.
- **Adjust Intensity:** Some basic intensity adjustments might be available via multiple presses of the power button (refer to specific device behavior). For precise control, use the app.

### 6.2 Smart App Control

The Scentiment App provides comprehensive control over your diffuser:

- **Fragrance Intensity:** Adjust the mist output level to suit your preference and room size.
- **Scheduling:** Set custom schedules for the diffuser to turn on and off automatically.
- **Oil Level Monitoring:** Check the approximate remaining fragrance oil level.
- **Device Management:** Control multiple Scentiment diffusers from a single app interface.
- **Firmware Updates:** Receive updates for improved performance and new features.

Ensure your device is connected to a 2.4 GHz Wi-Fi network for app functionality.

## 7. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your diffuser.

### 7.1 Cleaning

- **Exterior:** Wipe the exterior of the diffuser with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Fragrance Oil Compartment:** If oil spills occur, gently wipe the compartment with a clean, dry cloth. Avoid getting liquid into internal components.
- Since the diffuser uses cold-air diffusion, it does not produce water residue, simplifying cleaning.

### 7.2 Changing Fragrance Oils

- Turn off the diffuser and unplug it.
- Lift the top cover and carefully remove the empty fragrance oil bottle.
- Insert a new Scentiment fragrance oil bottle as described in the Setup section.
- Replace the top cover and power on the device.

## 8. TROUBLESHOOTING

If you encounter issues with your Scentiment Diffuser Mini 2, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not turn on.	Low battery or no power.	Ensure the device is fully charged. Connect to power using the provided USB cable.
No mist is being dispersed.	Fragrance oil bottle empty, incorrectly inserted, or nozzle blockage.	Check oil level. Re-insert the bottle correctly. Ensure the nozzle is clear of any obstructions.
Scent is too weak or not noticeable.	Low intensity setting, large room size, or old oil.	Increase fragrance intensity via the Scentiment App. Ensure the diffuser is appropriate for the room size (up to 650 sq ft). Consider replacing old fragrance oil.
App cannot connect to the diffuser.	Incorrect Wi-Fi network (not 2.4 GHz), Bluetooth off, or device out of range.	Ensure your phone's Bluetooth is on. Verify your Wi-Fi network is 2.4 GHz. Move the diffuser closer to your Wi-Fi router. Restart both the app and the diffuser.
Battery life is shorter than expected.	High intensity settings, frequent use, or aging battery.	Reduce intensity settings. Charge the device regularly. Battery performance may decrease over time.

If the problem persists after trying these solutions, please contact Scentiment customer support.
