- **Caution:** Always use the bed with caution when folding and unfolding. Do not exceed the maximum weight capacity to prevent instability or damage to the bed.
- Ensure all components are securely fastened before use.
- Keep children and pets away from the unit during assembly and operation.
- Do not attempt to modify the product in any way.
- Recommended age for use: >12 years old.

Package Contents

Your MERITLINE Murphy Bed with Couch and Storage Shelves is shipped in 4 packages. Please verify that all parts and hardware are present before beginning assembly. Refer to the included parts list in your packaging for a complete inventory.

Assembly Instructions

Assembly is required for this product. An installation instruction manual with clear and logical illustrations is shipped with

the product. Users should follow these instructions carefully to complete the installation procedure.

- **Estimated Assembly Time:** Approximately 1 hour for experienced assemblers. Individual times may vary.
- **Tools Required:** Refer to the assembly manual for a list of necessary tools.
- **Important:** Ensure the unit is anchored securely to a wall. This is crucial for safety and stability.
- **Mattress Compatibility:** The bed is designed for a mattress with a thickness of approximately 10 inches. While some users have reported success with thicker mattresses, ensure the bed mechanism operates smoothly and safely with your chosen mattress.

Operating Instructions

Folding the Bed (from Bed to Sofa/Cabinet)

1. Remove all bedding, pillows, and the mattress from the bed frame.
2. Gently lift the bed frame from the foot end. The dual piston metal folding mechanism will assist in the lifting process.
3. Guide the bed frame upwards until it is fully vertical and secured within the cabinet.
4. Ensure the support legs are folded and tucked away.

Unfolding the Bed (from Sofa/Cabinet to Bed)

1. Ensure the area in front of the cabinet is clear of obstructions.
2. Pull on the handles located on the cabinet doors.

3. Gently lower the bed frame towards the floor. The dual piston mechanism will control the descent.
4. Flip the support leg down onto the floor to stabilize the bed frame.
5. Place your mattress and bedding onto the frame.

Maintenance

- **Cleaning:** Wipe wood surfaces with a soft, damp cloth. Avoid harsh chemicals. For fabric sofa components, spot clean with a mild detergent and water, or follow specific fabric care instructions.
- **Hardware:** Periodically check all screws and bolts to ensure they are tight. Tighten as necessary.
- **Mechanism:** The dual piston mechanism is designed for durability. Avoid applying excessive force when folding or unfolding the bed. Do not lubricate the pistons unless specifically instructed by the manufacturer.

Troubleshooting

Common Issues and Solutions:

- **Bed difficult to fold/unfold:** Ensure no items are obstructing the mechanism. Verify the mattress weight and thickness

are within recommended limits. Check for any loose or misaligned parts.

- **Squeaking noises:** Check all hardware connections and tighten any loose screws. Ensure the bed frame is properly aligned within the cabinet.
- **Missing or damaged parts during assembly:** Contact customer service immediately with your product information and a description of the issue.
