ASSEMBLY INSTRUCTIONS

Assembly is required for this chair. Please follow the detailed instructions provided in the separate assembly manual included in your package. Ensure all parts are securely fastened before use.

1. Unpack all components and verify against the package contents list.
2. Attach the casters to the chair base.
3. Insert the gas lift cylinder into the center of the base.
4. Attach the armrests to the seat cushion.
5. Connect the backrest to the seat cushion and armrests.
6. Mount the assembled seat and backrest onto the gas lift cylinder.
7. Install the footrest assembly according to the manual.

8. Ensure all screws are tightened and the chair is stable before sitting.

OPERATING INSTRUCTIONS

1. Height Adjustment

To adjust the chair's height, locate the lever on the right side under the seat. While seated, pull the lever up to lower the chair. To raise the chair, stand up slightly and pull the lever up. Release the lever at your desired height.

TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common problems and solutions:

- **Chair does not adjust height:** Ensure the gas lift lever is fully engaged. Check if the gas lift cylinder is properly installed.
- **Chair wobbles:** Verify that all assembly screws are securely tightened. Ensure the base and casters are correctly attached.
- **Massage/Heating not working:** Check if the power cable is securely plugged in. Ensure the remote control is connected and its buttons are functioning.
- **Casters not rolling smoothly:** Check for any debris or hair caught in the casters. Clean them if necessary.

If the problem persists, please contact customer support.
