Bedsure DE000025ESK

Bedsure Fitted Sheet Instruction Manual

MODEL: DE000025ESK (180x200x30 cm, BEIGE)

1. Introduction

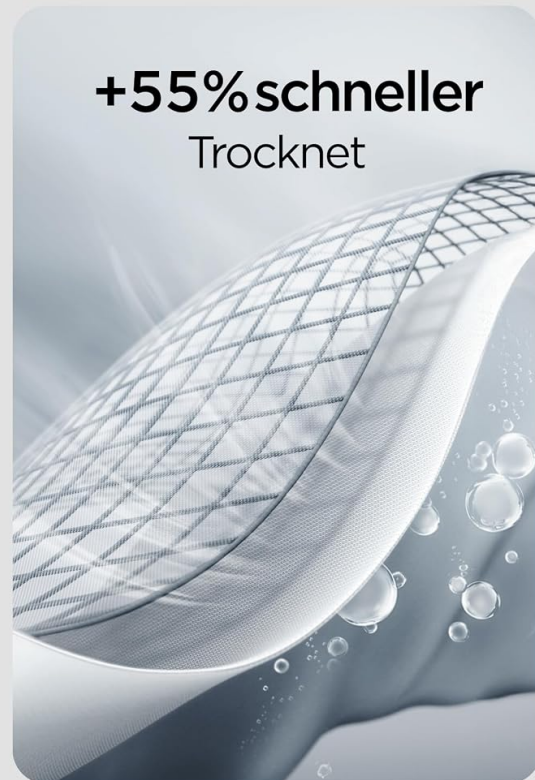

This manual provides comprehensive instructions for the Bedsure Fitted Sheet, designed for comfort, durability, and ease of care. Please read this manual thoroughly to ensure proper use and maintenance of your product.

Your Bedsure fitted sheet is crafted from brushed microfiber polyester, offering a soft, skin-friendly feel. It features Oeko-Tex certification, ensuring it is free from harmful substances, and incorporates 3M Scotchgard technology for enhanced moisture wicking and quick-drying properties.

2. Product Features

- **Perfect Fit:** Designed with a 30 cm deep pocket and all-around elastic, ensuring a snug and secure fit on mattresses measuring 180 x 200 cm. It accommodates various mattress types, including box spring beds and those with toppers, preventing slipping or bunching.
- **Skin-Friendly Material:** Made from 100 gsm brushed polyester microfiber, providing a soft and luxurious feel against the skin for comfortable sleep in all seasons.
- **Certified Quality:** Oeko-Tex certified (Certificate No. 24.HCN.19195), guaranteeing the material is free from harmful substances. The fabric maintains its shape and color even after numerous washes.
- **Breathable & Quick-Drying:** Features 3M Scotchgard technology, allowing the sheet to dry 55% faster and wick away 76% more moisture than traditional sheets. This promotes a comfortably dry sleeping environment, ideal for those who tend to warm up during the night.

3. Setup and Installation

The Bedsure fitted sheet is designed for easy installation on various mattress types. Follow these steps for a smooth, wrinkle-free fit:

1. **Unfold the Sheet:** Lay the fitted sheet flat on your bed or a clean surface.
2. **Identify Corners:** Locate the four elasticized corners of the sheet.
3. **First Corner:** Align one corner of the fitted sheet with a corner of your mattress. Stretch the elasticized edge over the mattress corner, ensuring it tucks securely underneath.
4. **Opposite Corner:** Move to the diagonally opposite corner of the mattress. Pull the sheet across and stretch the elasticized edge over this corner.
5. **Remaining Corners:** Repeat the process for the two remaining corners. The all-around elastic will help secure the sheet firmly.
6. **Adjust for Smoothness:** Once all corners are in place, smooth out any wrinkles on the surface of the sheet. The deep pocket and strong elastic ensure a tight, even fit.

SICHERER SITZ

Ein 360° Rundumgummizug sorgt für einen festen, faltenfreien Halt.

Image 3.1: The fitted sheet accommodates mattresses up to 30 cm in height, including those with toppers or air beds.

Image 3.2: The 360-degree elastic band ensures a secure and wrinkle-free fit.

4. Care and Maintenance

Proper care is essential to maintain the softness, color, and longevity of your Bedsure fitted sheet. Follow these guidelines:

- **Machine Wash:** Wash the fitted sheet in a washing machine at a maximum temperature of 40°C (104°F).
- **Detergent:** Use a mild detergent. Avoid harsh chemicals or bleach, as these can damage the fabric and affect its color.
- **Separate Colors:** Wash with similar colors to prevent color transfer.
- **Tumble Dry:** Tumble dry on a low heat setting. High heat can cause shrinkage or damage to the fibers.
- **Ironing:** If necessary, iron at a low temperature.
- **Do Not Dry Clean:** This product is not suitable for dry cleaning.

Image 4.1: Enjoy the comfort and quality of your Bedsure fitted sheet.

5. Troubleshooting

If you encounter any issues with your Bedsure fitted sheet, please refer to the following common solutions:

- **Sheet Does Not Fit:** Ensure your mattress dimensions (length, width, and depth) match the sheet size (180x200x30 cm). The sheet is designed for mattresses up to 30 cm deep. If your mattress is thicker, it may not fit correctly.
- **Sheet Feels Rough:** Although made from brushed microfiber for softness, a first wash can further enhance the fabric's feel. Ensure you are using a mild detergent and following the recommended washing instructions.
- **Pilling Occurs:** Pilling is uncommon with high-quality microfiber. If pilling occurs, ensure you are washing the sheet separately from items with zippers, hooks, or rough textures that could cause friction. Avoid overloading the washing machine.
- **Color Fading:** The material is designed to be colorfast. To prevent fading, always wash at 40°C or lower and avoid prolonged direct exposure to strong sunlight if line drying.
- **Sheet Slips Off:** The all-around elastic is designed for a secure fit. Ensure the sheet is fully stretched over all four corners and tucked under the mattress. If the mattress is significantly smaller than the sheet, some movement may occur.

6. Specifications

Detailed product specifications for the Bedsure Fitted Sheet Model DE000025ESK:

Brand	Bedsure
Model Number	DE000025ESK
Color	Beige
Material	Polyester (Brushed Microfiber)
