RALGEND 4801DGBK

RALGEND 8-Drawer Dresser Instruction Manual

Model: 4801DGBK

1. INTRODUCTION

Thank you for choosing the RALGEND 8-Drawer Dresser. This modern and functional piece of furniture is designed to provide ample storage and enhance the aesthetic of your bedroom, living room, hallway, or entryway. Crafted from quality particleboard and MDF, it features a handleless design and smooth metal slide rails for convenient use. This manual provides essential information for safe assembly, proper usage, and effective maintenance.

2. SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tip Device:** It is crucial to install the included anti-tip device to prevent the dresser from tipping over, especially in households with children or pets. Securely fasten the dresser to the wall as instructed.
- **Assembly:** Assembly should ideally be performed by two or more adults. Ensure all parts are correctly aligned and fasteners are tightened securely. Do not overtighten screws.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the top surface or individual drawers. Overloading can compromise stability and structural integrity.
- **Placement:** Place the dresser on a flat, level surface to ensure stability. Avoid placing it near heat sources or in areas with excessive moisture.

Anti-Tip Device

Offers extra stability, protecting children and pets.

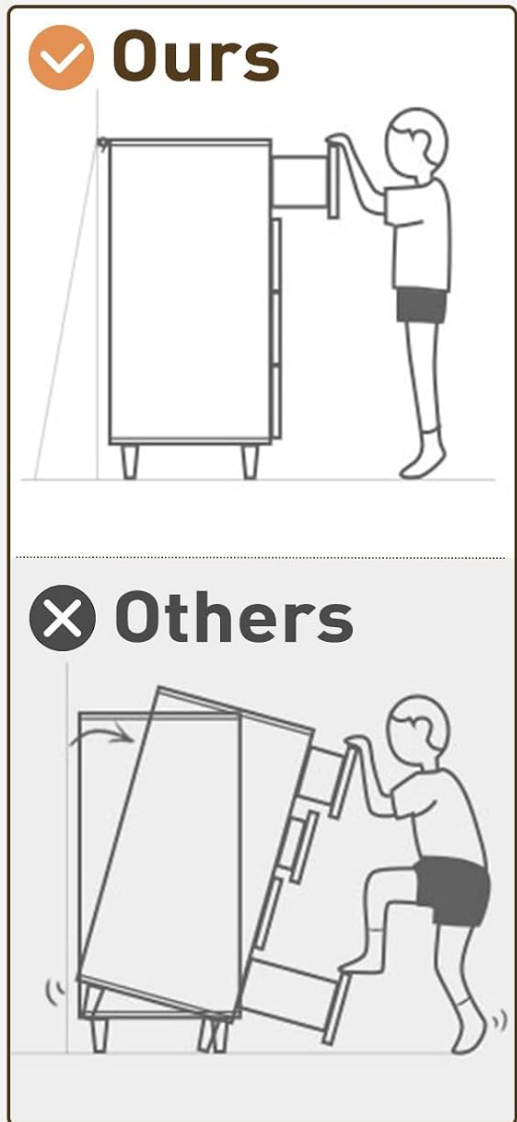

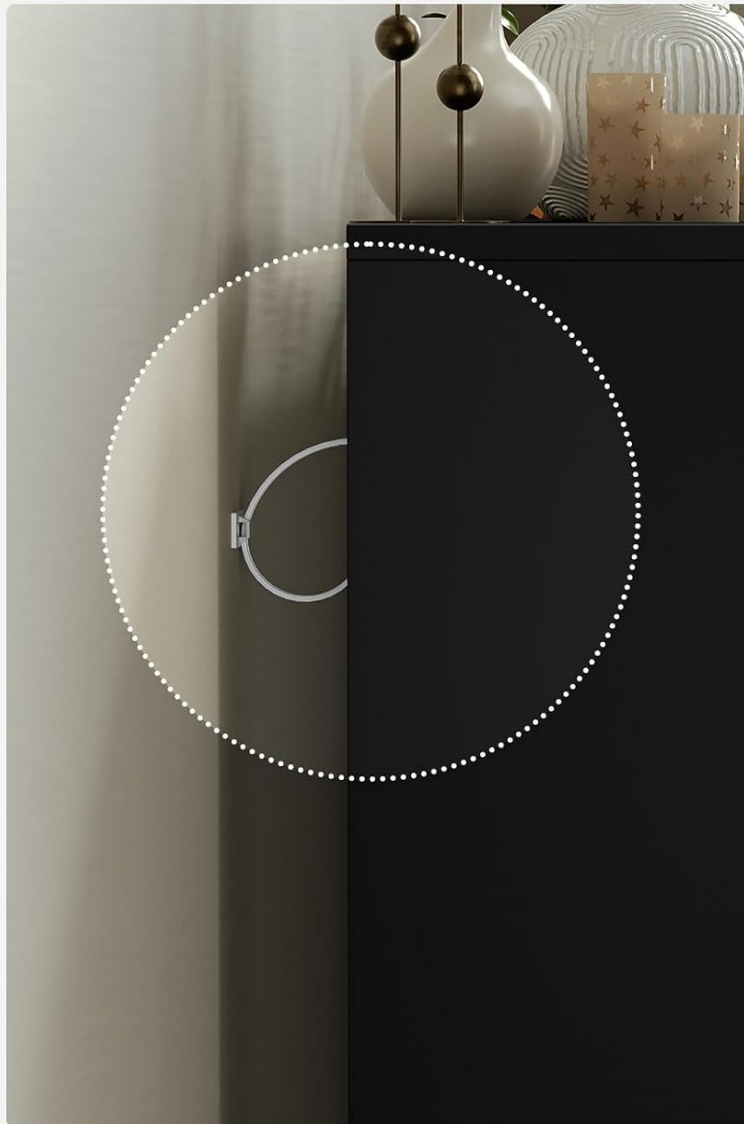

Image 2: Anti-Tip Device Installation Diagram

This image highlights the critical role of the anti-tip device in preventing accidents. It shows a comparison between a dresser that has tipped over due to a child climbing on it and a dresser that remains stable because it is properly secured to the wall with an anti-tip device. Always install the anti-tip device to ensure safety.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Dresser Panels (Top, Bottom, Sides, Back)
- Drawer Fronts (8 pieces)
- Drawer Sides and Backs (for 8 drawers)
- Drawer Bottoms (8 pieces)
- Metal Slide Rails (for 8 drawers)
- Assembly Hardware (screws, dowels, cam locks, etc.)

- Anti-Tip Device Kit
- Illustrated Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this dresser. All parts are labeled, and a detailed illustrated manual is included in the package. We recommend two people for assembly to ensure safety and ease of construction. An electric screwdriver (not included) can significantly expedite the process.

1. **Prepare Workspace:** Clear a spacious, clean, and level area for assembly. Lay out all parts and hardware, matching them to the parts list in the included manual.
2. **Assemble Frame:** Follow the step-by-step diagrams in the provided manual to assemble the main frame of the dresser. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the metal slide rails to the dresser frame according to the instructions. Ensure they are level and properly aligned for smooth drawer operation.
4. **Assemble Drawers:** Construct each of the eight drawers. Pay close attention to the orientation of the drawer fronts, especially for the handleless design. Install the remaining metal slide rails onto the drawers.
5. **Insert Drawers:** Carefully insert the assembled drawers into the dresser frame, ensuring they slide smoothly.
6. **Install Anti-Tip Device:** Securely attach the anti-tip device to the back of the dresser and to a wall stud using the provided hardware. This step is critical for safety.

Image 3: Smooth Metal Slide Rails and Thick Desktop

This image illustrates the smooth metal slide rails that ensure easy opening and closing of the drawers, and the robust 1.2-inch thick desktop, highlighting the dresser's durable construction.

5. USAGE AND OPERATION

The RALGEND 8-Drawer Dresser is designed for versatile storage and display.

- **Drawer Operation:** The handleless design allows for easy opening and closing by gripping the recessed lines on the drawer fronts. Ensure drawers are closed completely to maintain a neat appearance and prevent accidental opening.
- **Spacious Top:** The generous top surface (47.2"W x 15.7"D) is suitable for placing decorative items, books, or supporting a television up to 55 inches. Distribute weight evenly.
- **Storage:** Utilize the eight large drawers for categorized storage of clothing, accessories, linens, or other personal items. Avoid overloading drawers to ensure smooth operation and longevity of the slides.

Spacious Desktop

Ideal for placing books, decorations or a TV.

 X 8

8 Storage Drawers

Ample space for categorized storage of clothes.

Video 1: RALGEND 8-Drawer Dresser Features Overview

This video provides a visual overview of the RALGEND 8-Drawer Dresser, showcasing its design, spacious desktop, handleless drawers, and overall functionality. It demonstrates the smooth operation of the drawers and highlights the dresser's suitability for various storage needs.

6. CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish. The dresser features an easy-to-clean finish.

- **Spills:** Promptly wipe up any spills to prevent staining or damage to the material.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Moisture:** Protect the dresser from excessive moisture and humidity.
- **Hardware:** Periodically check and tighten all hardware to ensure the dresser remains stable and secure.

7. TROUBLESHOOTING

If you encounter any issues with your RALGEND 8-Drawer Dresser, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Drawers do not slide smoothly or are stiff.	Misaligned slide rails, loose hardware, overloaded drawer.	Check that slide rails are correctly installed and aligned. Tighten all screws on the drawer slides and frame. Reduce the weight in the drawer.
Dresser feels unstable or wobbly.	Uneven floor, loose assembly hardware, anti-tip device not installed.	Ensure the dresser is on a level surface. Tighten all assembly screws. Verify the anti-tip device is securely installed to the wall.
Gaps between drawers or panels.	Incorrect assembly, loose cam locks or dowels.	Review the assembly manual to ensure all parts are correctly oriented and fully engaged. Tighten all cam locks and ensure dowels are fully inserted.
Missing or incorrect hardware.	Packaging error.	Contact RALGEND customer support with your product model number and a description of the missing/incorrect parts.
