onerbl AC-DC Adapter

onerbl AC-DC Adapter Instruction Manual

For YOGIN HU25 and HU55 Series Humidifiers

Introduction

This manual provides essential instructions for the safe and effective use of your onerbl AC-DC adapter. This adapter is specifically designed as a replacement power supply for various YOGIN humidifier models, including HU25, HU55, HU25-02A, HU25-02H, HU25-04A, Hu25-08A, and HU55-01H. Please read this manual thoroughly before use and retain it for future reference.

Product Overview

The onerbl AC-DC adapter converts standard AC wall power into the DC power required by your compatible YOGIN humidifier. It features built-in safety mechanisms to protect your device.

Image 1: Front and side view of the onerbl AC-DC adapter. The adapter is black with a standard US two-prong plug on one side and a barrel connector cable extending from the other.

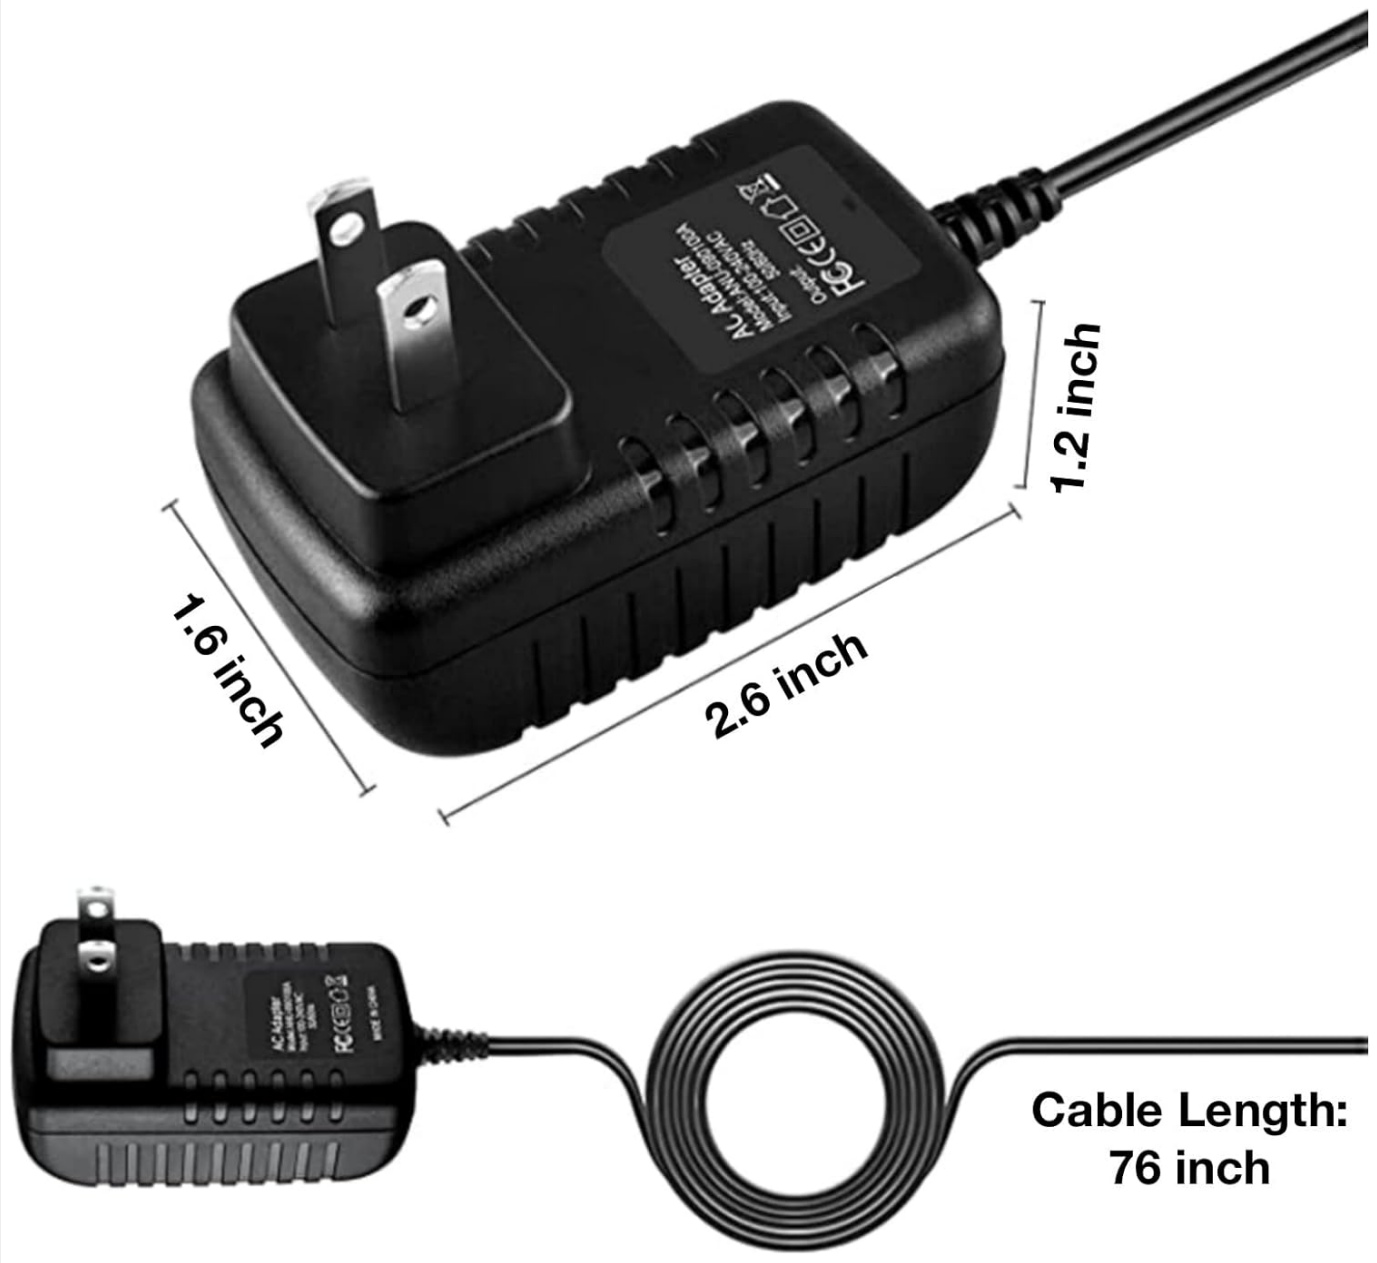

Image 2: This image illustrates the physical dimensions of the onerbl AC-DC adapter. The main body measures approximately 2.6 inches in length, 1.6 inches in width, and 1.2 inches in height. The attached cable has a length of 76 inches.

Setup Instructions

1. **Verify Compatibility:** Ensure your YOGIN humidifier model (e.g., HU25, HU55 series) is listed as compatible with this 24VDC adapter.
2. **Inspect Adapter:** Before first use, visually inspect the adapter and its cable for any signs of damage. Do not use if damaged.
3. **Connect to Humidifier:** Insert the barrel connector end of the adapter cable firmly into the DC input port on your YOGIN humidifier.
4. **Connect to Power Outlet:** Plug the AC prongs of the adapter into a standard 110V AC wall outlet. Ensure the outlet is easily accessible.

Image 3: The onerbl AC-DC adapter shown connected to a power strip, illustrating how it plugs into an AC outlet. The cable extends from the adapter, ready to connect to a compatible device.

Operating Instructions

Once the adapter is correctly connected to both the humidifier and a power outlet, your humidifier should be ready for operation. Refer to your YOGIN humidifier's specific instruction manual for details on how to power it on and operate its functions.

- Ensure the adapter is securely plugged into both the wall outlet and the humidifier.
- Power on your humidifier using its designated power button or controls.
- If the humidifier does not power on, refer to the Troubleshooting section.

Maintenance

- **Cleaning:** Disconnect the adapter from the power outlet and humidifier before cleaning. Wipe the adapter with a dry, soft cloth. Do not use liquid cleaners or immerse in water.

- **Storage:** Store the adapter in a cool, dry place when not in use. Avoid wrapping the cable too tightly.
- **Inspection:** Periodically inspect the adapter cable and connector for any signs of wear, cuts, or damage. Replace the adapter if any damage is observed.
- **Environment:** Avoid exposing the adapter to extreme temperatures, direct sunlight, or high humidity.

Troubleshooting

If you encounter issues with your onerbl AC-DC adapter, please refer to the following common solutions:

Problem	Possible Cause	Solution
Humidifier does not power on.	Adapter not properly connected.	Ensure both ends of the adapter are securely plugged in.
Humidifier does not power on.	Wall outlet is not active.	Test the wall outlet with another device to confirm it is working.
Humidifier does not power on.	Adapter or humidifier malfunction.	If connections and outlet are confirmed working, the adapter or humidifier may be faulty. Consult the humidifier's manual or contact support.
Adapter feels warm during use.	Normal operation.	It is normal for power adapters to generate some heat during operation. If it becomes excessively hot or emits smoke/smell, disconnect immediately.

This adapter includes safety features such as Over Voltage Protection, Over Heat Protection, and Short Circuit Protection to safeguard your device and the adapter itself.

Specifications

- **Input Voltage:** 100-240 Volts AC (110 Volts AC nominal for US)
- **Output Voltage:** 24V DC
- **Output Current:** 0.63 Amps
- **Connector Type:** Barrel Connector
- **Special Feature:** Short Circuit Protection, Over Voltage Protection, Over Heat Protection
- **Compatible Devices:** YOGIN HU25, HU55, HU25-02A, HU25-02H, HU25-04A, Hu25-08A, HU55-01H Humidifiers
- **Manufacturer:** Shenzhen Waweis Technology Co., Ltd

Warranty and Support

For warranty information and customer support, please refer to the documentation provided with your purchase or contact the seller directly. Keep your purchase receipt as proof of purchase.
