OPERATION AND PLAY

The Zuru Max Flowers Set is designed for creative play and collection.

- **Building:** Enjoy the process of assembling the brick flowers. Each flower offers a unique building challenge.
- **Collecting:** With 10 different mini flowers available, users can collect multiple sets to complete their collection.
- **Display:** The assembled flowers make decorative items for desks, shelves, or play areas.
- **Sticker Book:** Use the included create-a-face sticker book for additional creative activities.
- **Door Hanger:** Utilize the Beach Kids door hanger as a decorative accessory.

MAINTENANCE

- **Cleaning:** To clean the brick flowers, gently wipe them with a dry, soft cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled flowers and loose bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or damage.
- **Handling:** Handle the assembled flowers with care to prevent pieces from detaching.

TROUBLESHOOTING

- **Missing Pieces:** If you believe a piece is missing, carefully re-check the blind ball packaging and the surrounding area. Small pieces can be easily overlooked.
- **Difficulty Assembling:** Refer to the visual instructions provided with the set. Ensure you are using the correct pieces for each step. If a piece does not fit easily, do not force it, as this may cause damage.
- **Loose Connections:** If assembled parts feel loose, ensure they are fully pressed together until a secure connection is felt.
