

Bellemave WL000025TWPU

Bellemave Twin Daybed with Trundle, LED Light & Charging Station

Model: WL000025TWPU

Brand: Bellemave

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Bellemave Twin Daybed with Trundle. This daybed is designed to offer both comfortable sleeping and seating, featuring a pull-out trundle bed, integrated LED lighting, a convenient charging station, and a storage shelf. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

2. SAFETY INFORMATION

WARNING:

- Do not exceed the weight limit of 330 pounds for the daybed.
- Be cautious of sharp edges and metal parts, especially during assembly or when children are present.
- Always follow the assembly instructions carefully to prevent injury and ensure structural integrity.
- Ensure all connections for the LED light and charging station are secure before use.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. The package includes:

- Headboard
- Slats for main bed and trundle
- Side panels and front panel
- Trundle bed frame with wheels
- LED light strip with remote control
- Integrated charging station (2 USB ports, 2 AC outlets)

- Assembly hardware and tools
- Assembly instructions guide

Note: Mattress is not included.

4. SETUP AND ASSEMBLY

Assembly is required for this daybed. It is recommended that two adults perform the assembly to ensure stability and ease of construction, particularly for attaching the main side pieces.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Organize parts according to the provided assembly guide.
2. **Assemble Main Frame:** Follow the step-by-step instructions in the included assembly guide to construct the main daybed frame. Pay close attention to the orientation of each piece.
3. **Install Slats:** Securely attach the wooden or metal slats to the main bed frame. No box spring is required for this design.
4. **Assemble Trundle:** Construct the trundle bed frame, ensuring the four caster wheels are properly attached for smooth operation.
5. **Integrate Headboard Features:** Install the LED light strip into the designated channel on the headboard shelf. Connect the charging station unit into its cutout. Ensure all wiring is properly routed and secured.
6. **Final Checks:** Once assembled, ensure all screws and fasteners are tightened. Test the LED lights and charging station for functionality.

5. OPERATING INSTRUCTIONS

5.1 Trundle Bed Operation

The trundle bed is designed for easy access and storage. Simply pull the trundle frame out from underneath the main daybed when an additional sleeping surface is needed. The caster wheels allow for smooth movement. Push it back in when not in use to save space.

DAYBED WITH RGB LED LIGHTS

Figure 5.1: The Bellemave Twin Daybed with its trundle bed extended, demonstrating its dual functionality as a seating area and an additional sleeping space.

5.2 LED Lighting System

The integrated LED light strip on the headboard shelf provides ambient lighting. Use the included remote control to:

- Select from 16 static colors.
- Adjust brightness levels.
- Change speed of dynamic lighting modes.
- Choose between various display modes such as strobe, fade, and flash.

Ensure the remote control has a working battery (not included) and is pointed towards the LED receiver for optimal functionality.

5.3 Charging Station

The headboard features a built-in charging station with 2 USB ports and 2 standard AC outlets (120V/12A, 5V/2A). This allows for convenient charging of electronic devices while relaxing on the daybed.

- Plug the daybed's power cord into a wall outlet.
- Connect your devices to the USB ports or AC outlets as needed.

STORAGE HEADBOARD WITH USB PORTS & OUTLETS

Figure 5.4: The charging station in use, with a tablet connected for charging, highlighting the convenience of the built-in power options.

6. MAINTENANCE

- **Cleaning:** For the PU leather upholstery, wipe with a damp cloth and mild soap. Avoid harsh chemicals that may damage the material. For the wood and metal frame, wipe with a dry or slightly damp cloth.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Trundle Wheels:** Keep the trundle caster wheels free of debris to ensure smooth operation.
- **LED & Charging Station:** Ensure the power cord is not pinched or damaged. If the LED lights or charging station malfunction, check connections and power source.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights not working	Remote control battery dead; loose connection; power issue.	Replace remote battery; check all wiring connections to the LED strip; ensure daybed is plugged into a working outlet.
Charging station not working	Loose connection; internal wiring damage; power issue.	Ensure the daybed's main power cord is securely plugged in; check the internal connections of the charging unit (if accessible and safe); contact support if issue persists.
Trundle bed difficult to pull out/push in	Debris in wheels; wheels locked; uneven floor.	Clean wheels; unlock any locking mechanisms on wheels; ensure trundle is on a level surface.
Bed feels unstable or wobbly	Loose fasteners; incorrect assembly.	Re-tighten all screws and bolts; review assembly instructions to ensure all parts are correctly installed.

8. SPECIFICATIONS

- **Model:** WL000025TWPU
- **Brand:** Bellemave
- **Size:** Twin with Trundle
- **Product Dimensions:** 79.5"L x 45.3"W x 37.4"H
