INNOD SZT-TM

INNOD 40" Vanity Desk User Manual

Model: SZT-TM

INTRODUCTION

This user manual provides detailed instructions for the assembly, operation, and maintenance of your INNOD 40" Vanity Desk. This modern vanity desk features a large mirror with adjustable LED lights, a transparent tempered glass tabletop, integrated power outlets and USB ports, and ample storage solutions including drawers and a cabinet. Crafted from high-quality MDF, it offers both durability and functionality for your daily beauty routine.

SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all connections are secure before using the vanity desk.
- Do not overload the power outlets or USB ports. Use only with compatible devices.
- Avoid placing hot items directly on the glass surface without protection.
- Clean the vanity with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- If any parts are damaged or missing, do not proceed with assembly. Contact customer support immediately.

PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. All parts and accessories are clearly labeled.

- Vanity Desk Frame Components (MDF panels)
- Large Mirror with 10 Hollywood-style LED Bulbs
- Transparent Tempered Glass Tabletop
- Drawers with Silent Drawer Slides
- Acrylic 2-Tier Storage Cabinet
- Built-in Power Outlet Strip (2 AC outlets, 2 USB ports)
- Hair Dryer Stand
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Assembly Tools (e.g., Allen wrench, screwdriver)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly of the INNOD Vanity Desk is designed to be straightforward. Follow the step-by-step instructions provided in the included assembly guide. It is recommended to assemble the unit with at least two people.

1. Unpack all components and verify against the package contents list.
2. Identify each part using the labels provided.
3. Begin by assembling the main desk frame according to the diagrams.
4. Install the drawer slides and assemble the drawers.
5. Attach the cabinet and shelves.
6. Carefully place the transparent tempered glass tabletop into position.
7. Mount the large mirror securely to the desk frame.
8. Connect the LED lighting system and power strip as instructed.
9. Ensure all screws and fasteners are tightened for stability.

OPERATING INSTRUCTIONS

LED Lighting System

The vanity desk features a large mirror with 10 Hollywood-style LED bulbs and built-in LED lights in the drawers and cabinet. These lights offer adjustable color temperature and brightness.

- **Color Modes:** The mirror lights offer three color modes: warm yellow, warm white, and cool white. Use the touch control button on the mirror to cycle through these modes.
- **Brightness Adjustment:** To adjust brightness, press and hold the touch control button until the desired brightness level is achieved.
- **Drawer/Cabinet Lights:** The built-in LED lights in the drawers and cabinet illuminate automatically when opened, providing visibility for stored items.

3 Lighting Modes & Adjustable Brightness

Adjust The Brightness To Satisfy Your Needs

Integrated Charging Station

The vanity desk includes a built-in power strip for convenient charging of your electronic devices and powering beauty tools.

- **AC Outlets:** Two standard 125V/12A electrical outlets are provided for hair dryers, curling irons, or other AC-powered devices.
- **USB Ports:** Two 5V/2A USB ports are available for charging smartphones, tablets, and other USB-powered accessories.
- **Hair Dryer Stand:** A dedicated stand is integrated to safely store your hair dryer when not in use.

Storage Features

The vanity desk is designed with ample storage to keep your beauty essentials organized and easily accessible.

- **Transparent Glass Top:** The tempered glass tabletop allows you to view and access items stored within the top drawers, making it easy to find cosmetics and accessories.
- **Drawers:** Multiple drawers with silent drawer slides provide concealed storage for various items.
- **Shelves:** Open shelves offer convenient display and storage for frequently used products.
- **Cabinet:** An acrylic 2-tier storage cabinet provides additional enclosed space for larger items or personal belongings.

Transparent Glass Top & LED Drawer

Transparent glass provides a clear view of stored items, allowing for quick access to cosmetics

MAINTENANCE

Proper care and maintenance will extend the life of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, slightly damp cloth. For stubborn marks, use a mild soap solution and dry immediately. Avoid abrasive cleaners, solvents, or polishes that may damage the finish.
- **Glass Care:** Clean the glass tabletop and mirror with a glass cleaner and a lint-free cloth.
- **Electrical Components:** Ensure the power strip and LED lights are dry before plugging into an outlet. Do not immerse any electrical components in water.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Placement:** Avoid placing the vanity desk in direct sunlight or near heat sources to prevent warping or discoloration.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not working.	Power cable not connected, loose connection, or bulb issue.	Ensure the power cable is securely plugged into a working outlet. Check all electrical connections. If individual bulbs are replaceable, check them.
Power outlets/USB ports not functioning.	Power strip not connected, overloaded circuit, or faulty device.	Verify the power strip is properly connected to the main power. Reduce the number of devices plugged in. Test with a different device.
Desk feels wobbly or unstable.	Loose fasteners or uneven floor.	Check and tighten all assembly screws and bolts. Ensure the desk is placed on a flat, level surface. Use furniture pads if necessary.
Drawers do not slide smoothly.	Misaligned slides or obstruction.	Ensure drawer slides are correctly installed and aligned. Check for any objects obstructing the drawer path.
