## VEVOR CLDMFGMS01

# VEVOR Room Divider Instruction Manual

Model: CLDMFGMS01

## 1. PRODUCT OVERVIEW

---

The VEVOR Room Divider is designed to create private spaces and enhance room aesthetics. It features a single panel curtain made of 180g polyester fabric with a PA coating, offering privacy, water resistance, and sun-blocking capabilities. The divider is supported by a carbon steel metal frame and equipped with universal wheels for easy mobility.

Image 1.1: VEVOR Room Divider showing overall dimensions (121.5 in W x 96.7 in H).

This portable room divider is suitable for various settings, including bedrooms, living rooms, offices, and hospitals, providing a flexible solution for space separation.

## 2. SAFETY INFORMATION

---

- Ensure all screws and connections are securely tightened during assembly to prevent instability.
- Always lock the wheels when the room divider is in its desired position to prevent accidental movement.
- Do not allow children or pets to climb on or hang from the room divider, as this may cause it to tip over.
- Place the room divider on a flat, stable surface. Uneven surfaces can compromise stability.
- Avoid placing heavy objects on the frame or curtain.
- Keep the fabric away from open flames or high heat sources.

## 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact VEVOR customer support.

- 1x Room Divider Curtain Panel (Beige)
- Metal Frame Components (Vertical and Horizontal Bars)
- 4x Universal Wheels (2 lockable, 2 movable)
- 3x M6 x 45mm Hex Socket Screws
- 3x M6 Flat Washers
- 8x M6 x 30mm Hex Socket Screws
- 8x Pipe Clamps
- 8x M6 Nuts
- 1x 5# Hex Wrench
- 1x Instruction Manual

#### 4. ASSEMBLY INSTRUCTIONS

Assembly can be completed by one person. For more efficient installation, electric tools are recommended. It is suggested to iron the fabric panel before assembly to ensure a smooth appearance.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Assemble the Base:** Attach the universal wheels to the base supports. Ensure the two lockable wheels are positioned as desired for future locking.
3. **Connect Vertical Bars:** Insert the vertical metal bars into the base supports. Secure them using the appropriate M6 screws and washers.
4. **Attach Horizontal Bars:** Connect the upper and lower horizontal bars between the vertical bars. These bars reinforce the structure and provide support for the curtain.
5. **Install Curtain Panel:** Slide the curtain panel onto the upper horizontal bar. The curtain features grommets for easy installation.
6. **Secure Connections:** Use the provided pipe clamps, M6 x 30mm hex socket screws, and M6 nuts to firmly secure all frame connections. Ensure all screws are tightened with the 5# hex wrench for maximum stability.

## 5. OPERATING INSTRUCTIONS

---

The VEVOR Room Divider is designed for flexible use and easy repositioning.

- **Moving the Divider:** To move the room divider, unlock the two lockable wheels. Gently push or pull the divider to its new location.
- **Securing Position:** Once the divider is in the desired position, engage the locks on the two lockable wheels to prevent unintended movement.
- **Adjusting Privacy:** The single panel curtain can be adjusted along the horizontal bar to slightly vary the width of the privacy screen, though it is primarily a fixed-width panel.

# FOUR UNIVERSAL WHEELS

Moved and changed panel positions easily

Lockable Wheels for Fixing

## 6. MAINTENANCE

---

- **Fabric Care:** The 180g polyester fabric with PA coating is durable. For wrinkles, gently iron the fabric on a low setting before or after assembly. Spot clean with a damp cloth and mild detergent as needed. Do not bleach.
- **Frame Cleaning:** Wipe the metal frame with a soft, damp cloth to remove dust and dirt. Avoid abrasive cleaners that could damage the finish.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.

## 7. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Divider is unstable or tips easily.	Loose connections; uneven surface; wheels not locked.	Ensure all screws are tightened. Place on a flat, level surface. Lock the universal wheels.
Fabric panel is wrinkled.	Wrinkling during transportation or storage.	Iron the fabric panel on a low setting before or after assembly.
Difficulty moving the divider.	Wheels are locked.	Unlock the two lockable universal wheels.
Curtain does not provide sufficient privacy/sun shading.	Expectations regarding fabric opacity.	The 180g polyester fabric with PA coating is designed to provide good privacy and sun shading. Ensure the panel is fully extended.
