Setup Guide

Powering On the Keyboard

1. Locate the On/Off switch on the keyboard.
2. Slide the switch to the "On" position to power on the keyboard.

Pairing via Bluetooth

1. Ensure the keyboard is powered on.
2. Press the "FN" key and the "C" key simultaneously for more than 2 seconds. The Bluetooth indicator light will flash, indicating the keyboard is in pairing mode.
3. On your Honor Magic Pad 2, go to**Settings** > **Bluetooth** and ensure Bluetooth is activated.

4. From the list of available devices, select "Bluetooth 5.0 Keyboard" to complete the pairing process.
5. The indicator light on the keyboard will turn off once successfully paired.

This video demonstrates how to connect the keyboard via Bluetooth to an iOS device, including pressing Fn+C and selecting the keyboard in settings.

This video demonstrates how to connect the keyboard via Bluetooth to an Android device, including pressing Fn+C and selecting the keyboard in settings.

Operating Instructions

Changing Input Language

After successful connection, ensure your tablet's input language is set to Italian for proper character input.

1. On your tablet, navigate to **Settings** > **General** > **Keyboard** > **Hardware Keyboard**.
2. Select "Italian" as the input language.
3. To switch between languages during use, press the **Globe** key on the keyboard.

Adjusting Keyboard Backlight

- To turn the backlight on/off or adjust its brightness, press **Fn + Lightbulb icon**.
- To cycle through the seven available backlight colors, press **Fn + RGB icon**.

Media Controls

- To decrease screen brightness, press **Fn + F1**.
- To increase screen brightness, press **Fn + F2**.
- To decrease volume, press **Fn + F9**.
- To increase volume, press **Fn + F10**.

Charging the Keyboard

When the keyboard battery is low, the indicator light will flash. To charge the keyboard:

1. Connect the provided Type-C charging cable to the charging port on the keyboard.
2. Connect the other end of the cable to a USB power source (e.g., wall adapter, computer USB port).
3. The charging indicator light will illuminate during charging and turn off once fully charged.

Maintenance

To maintain your keyboard in optimal condition:

- Keep the keyboard away from liquids and extreme temperatures.
- Clean the keyboard surface with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly.
- Avoid dropping or subjecting the keyboard to strong impacts.
- When not in use for extended periods, store the keyboard in a cool, dry place.

Troubleshooting

- **Keyboard not connecting:** Ensure the keyboard is charged and powered on. Re-attempt the Bluetooth pairing process. Make sure no other devices are interfering with the Bluetooth signal.
- **Keys not responding:** Check if the keyboard is properly connected via Bluetooth. If the battery is low, charge the keyboard.
- **Trackpad not working:** Ensure the trackpad is enabled (if there's a dedicated toggle). Reconnect the Bluetooth.
- **Incorrect characters typed:** Verify that the input language on your tablet is set to Italian.
