Merax Mobile Kitchen Island Instruction Manual

Model: N620P23422123SDE-KK

INTRODUCTION

Thank you for choosing the Merax Mobile Kitchen Island. This manual provides essential information for the safe assembly, operation, and maintenance of your new kitchen island. Please read all instructions carefully before use to ensure proper functionality and longevity of the product.

SAFETY INFORMATION

Caution: Read the assembly instructions carefully before beginning assembly. Ensure you use the correct tools and equipment to safely handle the cabinet's weight. Observe weight restrictions and use safety equipment if necessary. Keep small parts away from children during assembly. Always place the kitchen island on a flat, stable surface.

PRODUCT OVERVIEW

The Merax Mobile Kitchen Island is designed to enhance your kitchen space with versatile storage and a functional worktop. Key features include:

- **Spacious Worktop:** A large surface for food preparation and dining.
- **Foldable Side Leaf:** Extends the worktop for additional space, ideal for dining or larger tasks.
- **Integrated Power Strip:** Conveniently located outlets for various kitchen appliances.
- **Ample Storage:** Features two drawers, two cabinet doors with adjustable shelves, and side shelves for spices and towels.
- **Mobile Design:** Equipped with two lockable and three non-lockable wheels for easy movement and stability.
- **Durable Construction:** Made from engineered wood (MDF) with a metal frame for stability.

SETUP AND ASSEMBLY

Assembly of the Merax Kitchen Island requires careful attention to detail. Please follow the step-by-step instructions provided in the separate assembly guide included with your product packaging. Ensure all components are present before beginning assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the parts list in your assembly guide.
2. **Assemble Frame:** Begin by assembling the main frame structure according to the diagrams. Ensure all screws and fasteners are tightened securely.
3. **Install Drawers and Doors:** Attach drawer slides and assemble drawers. Install hinges and attach cabinet doors. Adjust hinges for proper alignment.
4. **Attach Worktop:** Secure the main worktop and the foldable side leaf. Ensure the folding mechanism operates smoothly.
5. **Install Wheels:** Attach the five wheels to the base of the island. Ensure the two lockable wheels are positioned for

MAINTENANCE

To keep your Merax Kitchen Island in optimal condition, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For spills, clean immediately to prevent staining.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary to maintain stability.
- **Worktop Care:** The worktop is made of engineered wood. Use cutting boards to protect the surface from knives and hot pads for hot items.
- **Wheels:** Keep the wheels clean and free of debris to ensure smooth movement. Lubricate if necessary.

TROUBLESHOOTING

If you encounter any issues with your kitchen island, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Island is wobbly or unstable.	Loose fasteners; uneven floor; wheels not locked.	Check and tighten all screws. Ensure the island is on a level surface. Lock the two designated wheels.
Drawers do not slide smoothly or get stuck.	Misaligned drawer slides; obstruction in the track; incorrect assembly.	Verify drawer slide alignment and ensure no objects are blocking the track. Re-check assembly steps for drawers and slides.
Foldable leaf does not extend or retract properly.	Mechanism obstruction; loose hinges.	Check for any obstructions. Ensure hinges and support mechanism are securely fastened.
Power outlets not working.	Island not plugged in; circuit breaker tripped; faulty appliance.	Ensure the island's power cord is securely plugged into a working wall outlet. Check your home's circuit breaker. Test the appliance in another outlet.

SPECIFICATIONS

Feature	Detail
Brand	Merax
Model Number	N620P23422123SDE-KK
Color	Black
Product Dimensions (L x W x H)	151.5 x 84.7 x 91.7 cm (Foldable leaf extended)
Maximum Weight Capacity	60 Kilograms
Item Weight	67.5 Kilograms
Material	Engineered Wood (MDF)
Frame Material	Metal, MDF
Assembly Required	Yes
