YITAHome Makeup Vanity User Manual

Model: MAYIHdSJJv | Brand: YITAHOME

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your YITAHOME Makeup Vanity. Please read this manual thoroughly before beginning assembly or use to ensure safe and efficient operation of your new vanity.

Figure 1: YITAHOME Makeup Vanity. This image displays the YITAHOME Makeup Vanity in black, featuring a large mirror with integrated lights, multiple drawers for storage, and a matching bench.

SAFETY INFORMATION

- Always unplug the vanity before assembly or disassembly.
- Exercise caution with sharp edges and heavy components during assembly.
- Do not place heavy objects on the mirror to prevent breakage.
- Keep the vanity away from water sources to prevent electrical hazards.
- Always follow the manufacturer's instructions for proper usage and maintenance.

FEATURES

- **Extra-Large Mirror with Adjustable Lighting:** The vanity features a generously sized mirror with integrated LED lighting. The lighting system offers three adjustable color modes to suit various needs, such as makeup application or grooming.
- **Ample Storage Capacity:** Equipped with 11 spacious drawers, this vanity provides extensive organizational

possibilities for cosmetics, perfumes, hair tools, and other beauty essentials.

- **Integrated Charging Station:** The vanity includes 2 standard electrical outlets and 2 USB ports, allowing for convenient powering and charging of electronic devices.
- **Hair Dryer Rack:** A dedicated holder for a hair dryer is included for organized storage and easy access.
- **Matching Storage Bench:** A coordinating bench is provided, which also offers internal storage space.

SETUP AND ASSEMBLY

The YITAHOME Makeup Vanity is designed for straightforward assembly. All components are clearly labeled to facilitate a seamless and hassle-free experience.

Pre-Assembly Checklist:

- Verify all parts are present and undamaged by comparing with the included parts list.
- Ensure you have the necessary tools (e.g., screwdriver, hammer) as specified in the assembly guide.
- Choose a clear, spacious area for assembly to prevent damage to components or injury.

Assembly Steps:

1. Begin by assembling the main desk frame according to the numbered diagrams.
2. Install the drawer slides onto the desk frame and then assemble each of the 11 drawers.
3. Carefully attach the large mirror to the designated area on the desk, ensuring it is securely fastened.
4. Connect the LED lighting system to the mirror and the integrated charging station to the vanity's power source.
5. Assemble the storage bench and place it under the vanity.
6. Attach the hair dryer rack to the side of the vanity as desired. This component is optional and can be omitted if not needed.
7. Once assembled, ensure all connections are tight and the vanity is stable before use.

OPERATING INSTRUCTIONS

Mirror Lighting System:

- To turn the lights **ON/OFF**, gently touch the power icon located on the mirror surface.
- To cycle through the **three color modes** (e.g., cool white, natural, warm yellow), touch the mode icon on the mirror surface.
- To **adjust brightness**, press and hold the power icon until the desired brightness level is achieved.

Charging Station:

- Plug the vanity's main power cord into a standard wall outlet.
- Utilize the 2 standard electrical outlets for devices requiring AC power.
- Utilize the 2 USB ports for charging compatible USB devices.

MAINTENANCE

- **Cleaning the Surface:** Wipe the vanity surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If needed, apply a small amount of silicone lubricant.

- **Electrical Components:** Ensure all plugs and cords are free from damage. If any damage is observed, discontinue use and contact customer support.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---|---|--|
| Mirror lights not turning on. | Power cord not plugged in; loose connection; faulty bulb; power outage. | Ensure the vanity is properly plugged into a working outlet. Check all electrical connections. If individual bulbs are replaceable, check and replace as needed. Verify power to the outlet. |
| Drawers are stiff or difficult to open/close. | Overloaded drawer; debris in slides; misaligned slides. | Reduce contents of the drawer. Clean drawer slides. Realign drawer slides if necessary during assembly. |
| Charging station (outlets/USB) not working. | Vanity not powered; device not compatible; internal wiring issue. | Confirm the vanity is plugged in and the main power is on. Test with a different device. If issues persist, contact customer support. |
