## Daiso (No Brand Product) Robot Squad Series (ZCXRNNXNQJCCAZT)

# Daiso Petit Block Robot Squad Series Instruction Manual

Models: RS-01 Striker Genesis, RS-02 Powered Titan, RS-03 Sonic Icarus, RS-04 Dark Phantom, RS-05 Evil Frog, RS-06 Vice Vulture

## 1. INTRODUCTION

Welcome to the world of Daiso Petit Block Robot Squad Series! This set includes six unique robot models designed for assembly and creative play. Each model offers a distinct building experience and can be customized to create original robot designs. This manual provides essential information for assembly, operation, maintenance, and safety.

**Recommended Age: 12 years and older. Contains small parts. Choking hazard. Adult supervision recommended for younger users.**

## 2. PRODUCT OVERVIEW

The Daiso Petit Block Robot Squad Series features six distinct robot models, each packaged individually. These models are designed to be assembled from small building blocks, often including special clear and connecting parts, and some come with standing parts for display.

Image: Overview of the six Daiso Petit Block Robot Squad packages.

## Individual Models:

- **RS-01 Striker Genesis**

This model features a dynamic design and includes standing parts for display. It consists of approximately 144 pieces.

### 3. ASSEMBLY INSTRUCTIONS

Each Petit Block model comes with its own detailed assembly instructions printed on the packaging or included inside. Please follow these steps carefully for successful construction:

1. **Unpack:** Carefully open the package and lay out all the block pieces on a clean, flat surface.
2. **Review Instructions:** Examine the included diagrams and step-by-step instructions. Identify the different types of blocks and their corresponding positions.
3. **Assemble:** Begin assembling the model by connecting the blocks as shown in the instructions. Pay close attention to the orientation and placement of each piece.
4. **Special Parts:** Utilize any clear, connecting, or standing parts as indicated in the manual to enhance the model's appearance and stability.
5. **Verify:** Once assembled, compare your model with the image on the package to ensure all parts are correctly placed.

*Note: If you encounter difficulty, re-examine the previous steps or consult the diagrams again. Building blocks require patience and precision.*

### 4. OPERATING INSTRUCTIONS

The Daiso Petit Block Robot Squad models are primarily designed for display and gentle play. Once assembled, they can be:

- **Displayed:** Position your assembled robot on a flat, stable surface. Use any included standing parts for enhanced stability and dynamic poses.
- **Played With:** Engage in imaginative play, but handle the models gently to prevent parts from detaching. Avoid excessive force or dropping the models.
- **Customized:** The blocks are designed for customization. Feel free to disassemble and reassemble parts to create your own unique robot designs.

### 5. MAINTENANCE

Proper care will help maintain the condition of your Petit Block models:

- **Cleaning:** To clean the blocks, gently wipe them with a dry, soft cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive

cleaners.

- **Storage:** Store assembled models or loose blocks in a clean, dry place away from direct sunlight and extreme temperatures. Keep them in a container to prevent loss of small pieces.
- **Disassembly:** If disassembling, do so carefully to avoid damaging the connecting studs. Store disassembled parts in a sorted manner to facilitate future reassembly.

## 6. TROUBLESHOOTING

If you encounter issues during assembly or use, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. Small pieces can be easily overlooked. If a piece is genuinely missing, contact the retailer for assistance.
- **Difficulty Connecting Blocks:** Ensure the blocks are correctly aligned and apply firm, even pressure. Some new blocks may require a bit more force to connect initially.
- **Model Instability:** Review the assembly steps to ensure all connections are secure. If standing parts are included, ensure they are properly attached and the model's weight is balanced.
- **Damaged Parts:** If a block is damaged, it may affect the stability of the model. Damaged parts cannot typically be repaired and may require replacement.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Daiso (No Brand Product)
Model Series	Petit Block Robot Squad
Individual Models Included	RS-01 Striker Genesis, RS-02 Powered Titan, RS-03 Sonic Icarus, RS-04 Dark Phantom, RS-05 Evil Frog, RS-06 Vice Vulture
Manufacturer Reference	ZCXRNNXNQJCCAZT
Recommended Age	12+ years
Material	Plastic
Approximate Piece Count (per model)	RS-01: 144pcs, RS-02: 79pcs, RS-03: 82pcs, RS-04: 144pcs, RS-05: 75pcs, RS-06: 125pcs

## 8. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep away from infants and young children.
- **Age Recommendation:** Recommended for ages 12 and up. Younger users should have adult supervision during assembly.
- **Material Safety:** The blocks are made from plastic. Do not put blocks in mouth.
- **Sharp Edges:** While generally safe, inspect blocks for any sharp edges or defects before assembly.

## 9. WARRANTY AND SUPPORT

As this product is listed as a 'No Brand Product' from Daiso, specific manufacturer warranty information is not provided. For any issues regarding missing parts, defects, or general inquiries, please contact the retailer where the product was purchased. Retain your proof of purchase for any potential support requests.
