OPERATING INSTRUCTIONS

Powering On/Off

To power on your Bitzee, simply open the Hamster Ball. To power off, close the Hamster Ball. The device will automatically enter sleep mode after a period of inactivity to conserve battery life.

Interacting with your Bitzee

Your Bitzee digital pet responds to various interactions:

- **Touch:** Gently touch the screen to pet your Bitzee. Different touches may elicit different reactions and affections.
- **Tilt:** Tilt the Hamster Ball to move your Bitzee around its digital environment, guiding it to explore.
- **Roll:** Roll the ball to encourage your Bitzee to explore and discover new items or areas within its world.
- **Feed:** Provide virtual treats to your Bitzee to keep it happy and healthy. Observe its reactions to different foods.
- **Play:** Engage your Bitzee in activities like running on a virtual wheel or bathing to maintain its well-being and happiness.

Evolving your Bitzee

Your hero Bitzee will evolve through different life stages: baby, teenager, and Super Bitzee. Consistent care, feeding, and interaction are crucial for its growth and development.

Discovering New Pets

As you play and interact with your hero Bitzee, you will unlock over 20 additional Bitzee friends, each featuring unique themes and personalities. These new friends will interact with your hero Bitzee on the screen, expanding your digital pet collection.

Customization

Personalize your Bitzee by changing its outfit, background, and pose. You can also capture virtual photos of your customized pet to save your favorite looks.

Mini-Games

Explore and play 5 different mini-games embedded within your Bitzee Hamster Ball for additional fun and challenges. These games offer new ways to interact and earn rewards.

MAINTENANCE

To ensure the longevity and optimal performance of your Bitzee Hamster Ball:

- **Cleaning:** Wipe the exterior of the device with a soft, dry cloth. Do not use abrasive cleaners, solvents, or immerse the device in water.
- **Storage:** Store the Bitzee in a cool, dry place away from direct sunlight and extreme temperatures when not in use. Close the Hamster Ball to protect the screen from dust and damage.
- **Battery Replacement:** Replace all 3 AA batteries simultaneously when the device indicates low power or stops functioning correctly. Do not mix old and new batteries or different types of batteries.

TROUBLESHOOTING

If you encounter issues with your Bitzee Hamster Ball, refer to the following table for common problems and solutions:

Problem	Possible Cause	Solution
