4D Build 6075061

4D Build Pokémon Pikachu 3D Model Kit

Model: 6075061

Introduction

Thank you for choosing the 4D Build Pokémon Pikachu 3D Model Kit. This kit allows you to construct a detailed 3D replica of Pikachu, the iconic electric-type Pokémon. Designed for ages 12 and up, this model kit provides an engaging building experience without the need for glue or additional tools. Once assembled, your Pikachu model will be a striking display piece.

Safety Information

- Use only under supervision.
- This product contains small parts and is not suitable for children under 3 years due to choking hazards.
- Keep packaging materials away from children.

What's in the Box

Your 4D Build Pokémon Pikachu 3D Model Kit includes the following components:

- 16 EPS Foam 3D Puzzle Sheets (containing 201 punch-out pieces)
- Instruction Manual

Image: The 16 EPS foam sheets with 201 punch-out pieces, ready for assembly. Each piece is clearly marked for identification.

Assembly Instructions

Follow these steps to assemble your 4D Build Pokémon Pikachu 3D Model Kit. No glue or tools are required for assembly.

1. **Unpack Components:** Carefully remove all 16 EPS foam sheets from the packaging. Lay them out to familiarize yourself with the various parts.
2. **Identify Pieces:** Each piece on the sheets is numbered or coded. Refer to the included instruction manual for a detailed guide on identifying and organizing the pieces.
3. **Punch Out Pieces:** Gently punch out each piece from the foam sheets. Be careful not to tear or bend the pieces. If a piece is difficult to remove, apply even pressure around its edges.
4. **Follow Assembly Guide:** Consult the detailed instruction manual provided with your kit. It will guide you step-by-step

on how to connect the pieces. The pieces are designed to interlock securely.

5. **Connect Pieces:** Carefully align and connect the corresponding pieces. Ensure that each connection is firm and secure. Do not force pieces together; if they don't fit, double-check the instructions and piece orientation.

Image: A partially assembled Pikachu model demonstrating how the durable pieces connect. No glue or tools are needed for this process.

The completed model measures approximately 9.7 inches (width) x 11.6 inches (depth) x 12.9 inches (height).

Displaying Your Model

Once assembled, your 4D Build Pikachu model is ready for display. Place it on a flat, stable surface such as a desk, shelf, or display cabinet. The model is designed to be a decorative item and a testament to your building skills.

Care and Maintenance

- **Cleaning:** To clean your model, gently dust it with a soft, dry cloth or a soft brush. Avoid using water, cleaning solutions, or abrasive materials, as these may damage the foam material or printed details.
- **Handling:** Handle the model with care to prevent accidental damage or dislodging of pieces.
- **Storage:** If storing the model, keep it in a dry, cool place away from direct sunlight and extreme temperatures to prevent material degradation.

Troubleshooting

- **Pieces Not Fitting:** If you encounter difficulty fitting pieces together, ensure you are using the correct pieces as

indicated in the instruction manual. Verify the orientation of the pieces. Do not force them, as this may cause damage.

- **Missing Pieces:** In the rare event of missing pieces, please contact customer support with your product details and a description of the missing part.
- **Damaged Pieces:** If any pieces are damaged upon opening the kit, please contact customer support for assistance.
